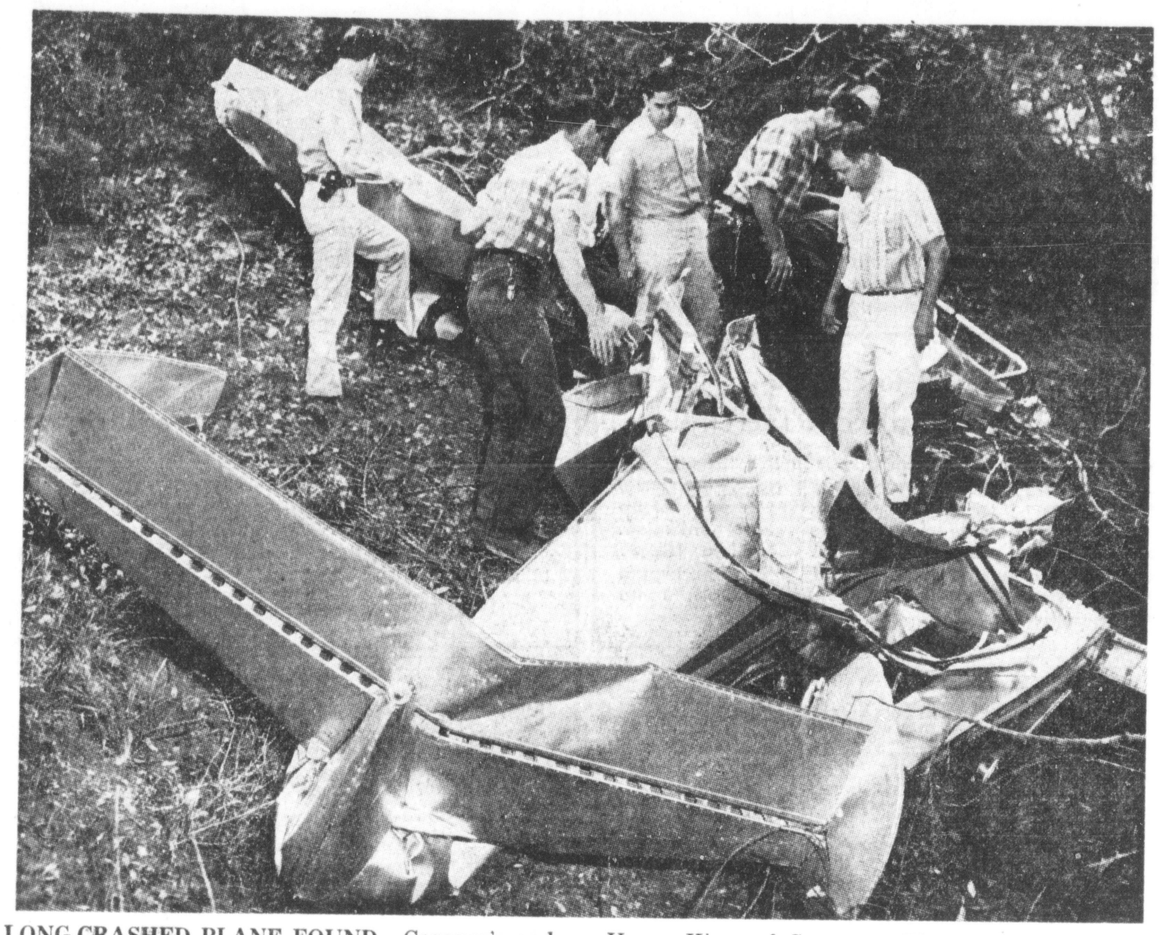
# Wrecked Plane, 2 Bodies Found In Marin Canyon



LONG-CRASHED PLANE FOUND—Coroner's and sheriff's deputies prepare to remove from wreckage of light plane the bodies of Paul Andrews and Henry Kime of Sonoma. The plane crashed last November. The wreckage was discovered in a remote canyon off Lucas Valley yesterday by two archers hunting deer. (George Wheeler photo)

## Had Been Missing 8 Months

Two Mill Valley archers, hunting deer in a remote canyon on a Marin ranch last evening, discovered a small wrecked plane containing two badly decomposed bodies.

The 4th Air Rescue Squadron at Hamilton Air Force Base, checking missing plane records, identified the plane from its license number as one that had been reported missing on a flight from Sonoma last Nov. 9.

Coroner Frank J. Keaton identified the victims as Paul Andrews, 52 and Henry Kime, about 50, both of Sonoma.

**REPORT DISCOVERY**

Keaton and Sheriff's Deputy Kenneth Irving drove to the spot after a report on the find was made by George H. Mathews and Conrad H. Johnson, both of 403 East Blithedale avenue, Mill Valley.

They told the sheriff's office they were hunting deer on the Big Rock Ranch off Lucas Valley road, when they made the grisly discovery.

Irving said the plane was sticking straight up with its nose end buried in the ground up to the cockpit. He said it was a silver and red two-passenger air coupe.

**HIKE INTO AREA**

Keaton and three men from the coroner's office, plus six sheriff's deputies, four ranchers and a photographer hiked into the rugged area today to bring out the bodies. The job required about two and one-half hours. The bodies were taken to Harry M. Williams Mortuary in San Rafael.

Irving said the plane crashed at the end of a canyon and that it could not have been seen by an air search group because it was hidden by trees.

The plane can be reached only by crews traveling afoot. Keaton said it was about a 15-minute walk from the end of a three-mile fire road that runs through the ranch. "You can't

## STEEL TALKS GET UNDER WAY AGAIN

### Negotiations Resume After Plea By Ike, But Chance of Averting Strike Seem Dim

NEW YORK (AP) — Stalled steel negotiations got under way again today at White House bidding but with scant prospect of an agreement to avert a strike at midnight tomorrow.

The union promised to make "an all-American try" at negotiating a strike-saving settlement.

R. Conrad Cooper, chief industry negotiator, threw cold water on settlement prospects and showed irritation in posing with United Steelworkers Union president David J. McDonald for photographers.

Cooper said there was only one possible way a strike could be avoided — for the union to again extend its contract.

McDonald, however, ruled out any further delay in a showdown. The union earlier had granted a two-week truce but it expires at midnight tomorrow.

Cooper said the union already had caused the industry by the fact that many firms have had to close down some facilities in the costly preparation for an orderly industry shutdown.

The bargaining talks had broken off yesterday with no further negotiating sessions scheduled.

President Eisenhower this morning urged both sides to resume the meetings to try to reach a strike-saving solution.

McDonald met briefly with the union's executive board and then telephoned Cooper to arrange a resumption of the talks.

The industry already was banking furnaces and slowing production ready for the expected strike, which industry and union sources said could be the longest in steel history.

Three days are normally required for a big steel plant to make an orderly shutdown without damaging equipment.

Only a dramatic change in position on the part of the industry or union could alter the situation.

## All-Night Parking Crackdown Starts

Many warnings and several citations were issued this morning in downtown San Rafael, as police continued their crackdown against all-night parkers.

All-night parking is not allowed in the downtown business area, Capt. Joseph J. Brusatori said. He said officers will give warnings to drivers the first time, then issue citations against repeaters. Cars are not allowed to park for more than two hours at a time on business streets between 2 and 6 a.m.

## Russ Repeat Old Terms On Berlin

GENEVA —Russia hurled its old Berlin terms back at the West today in spite of a warning from U.S. Secretary of State Christian Herter that Western rights must be recognized in writing if there is to be a summit conference.

Soviet Foreign Minister Andrei Gromyko returned from Moscow after the three-week recess in the East-West talks with the demand that the foreign ministers conference "start where it left off" by accepting the Kremlin's already-rejected demands.

Herter, leading for the West, simultaneously served notice that the West demands written Soviet recognition of the Western rights in Berlin "to minimize the danger of subsequent differing interpretations."

Herter delivered the warning on behalf of all the Western powers as the Big Four foreign ministers conference resumed.

Herter, Gromyko and British Foreign Secretary Selwyn Lloyd and French Foreign Minister Maurice Couve de Murville met at the Palais des Nations for the second and probably decisive phase of the East-West talks.

Herter was in the chair for the 19th plenary session of the conference which opened here May 11 and bogged down after six weeks of talks.

Western officials said Herter delivered a general review of the negotiations up to date.

At a pre-conference session a few hours earlier, the Western foreign ministers agreed to ignore Soviet Premier Nikita S. Khrushchev's most recent war-like threats and listen to what Gromyko had to say in the diplomatic calm of the Geneva council chamber.

They took the line that Khrushchev's tough talk to former Gov. Averell Harriman of New York was simply shooting from the hip in world power politics.

They also hoped First Deputy Premier Frol Kozlov was taking home from the United States to Khrushchev a clearer picture of the real purpose and tough determination of the United States in the Berlin crisis.

## *HISS OF GAS ENDS MERRY MOLE CHASE*

A merry mole chase in the garden of Henry J. Wickert at 20 Corte Sereno, Greenbrae, ended abruptly yesterday when an enthusiastic pick wielder digging for the mole's tunnel struck a gas main instead.

A loud hiss of escaping gas greeted the ears of Wickert and his house guest from Sacramento County. The helpful guest was the one who had punctured the gas main. (Mrs. Wickert didn't want to give his name. "I wouldn't want to do that to anyone," she said.)

The Kentfield Fire Department stopped the escaping gas by applying a clamp.

The elusive mole is still at large.

## Cool Breezes End Marin Heat Wave

Cool ocean breezes wafted over Marin yesterday and drew thousands to beaches and parks.

General cooling was in evidence today in most of Northern and Central California after last week's blistering heat. Fair weather was forecast through Saturday with no rain in sight.

Observers of the Marin County Savings and Loan Assn. thermometer spied readings of 109 degrees about 3:45 p.m. Friday, with a top of 107 seen Saturday.

Marin County Fire Department readings reached 101 degrees Saturday but the high was 89 yesterday. San Anselmo reported 102 degrees Saturday and 85 degrees yesterday.

Mill Valley's maximum for the weekend was 78 degrees on Saturday. Novato's highs read 102 degrees for Saturday and 82 yesterday. High up on the Mount Tamalpais summit the maximum Saturday temperature was 89 degrees but yesterday was 76.

Earlier hot weather placed a burden on water facilities at Samuel P. Taylor State Park.

Park Supervisor William Allison said he was making an urgent request to have improved water and sewage facilities constructed. He said about $75,000 for this had been approved in the state budget.

Allison said the park's 85 camping sites have been filled to capacity since last Wednesday, and that the picnic areas have been crowded daily. He said 4,000 persons had used the park Saturday and yesterday.

"We've had very little turnover at the camping sites, but with the crowds we've had the water has been used faster than we can stand. It goes out of our reservoirs faster than we can fill them," he said.

The park gets its water from Barnaby and Dead Man's Gulch springs. "Our supply has dropped to one-third of normal," Allison said.

He added, however, that 50 per cent of the water tank capacity is reserved for use against fires.

"Usually things begin to taper off after the Fourth of July," he said. "But we're still getting crowds. I think our 4,000 this weekend was a rec-

## Hub City Votes Tomorrow On Civil Service

San Anselmo voters go to the polls tomorrow to decide whether their police chief, fire chief and other department heads should hold their jobs at the pleasure of the city council.

The proposal needs a two-thirds majority to pass.

The change would give the city council the power to hire and fire (or else to demote to former civil service rank) the police chief, fire chief, street superintendent, building inspector and recreation director.

San Anselmo's civil service ordinances now gives any ousted department head the right of appeal to a board of review which can reinstate him if it finds there was insufficient cause for removal.

San Anselmo's Mayor Arthur W. Smith has argued that council policies have been thwarted in the past by department

## Five Thrown From Overturning Auto

(Picture on page 4)

Two Marin City youths are reported in "satisfactory" condition at Marin General Hospital today after suffering head injuries when they and three other young persons were thrown from a northbound car as it overturned on Waldo Grade last night.

The two are Charles Bland, 17, of House 223, and Gary Douglas, 17, of Box 655, Marin City. Both were conscious today, but Bland was unconscious and Douglas semi-conscious when they arrived at the hospital by ambulance after the 10:58 p.m. accident.

Bland was driver of the car.

Another passenger, Katherine Armstead, 15, of House 388, Marin City, was also admitted to the hospital for treatment of cuts of the face and left leg.

Joanne Turner, 16, of San Francisco, and Charles Miller, 16, of House 606, Marin City, were treated for cuts and bruises.

Shortly after the accident, another mishap occurred as an Air Force ambulance stopped on the highway as its driver sought to aid the injured teenagers, and a car slammed into the rear of the ambulance.

Mrs. Ima Myers, 56, of Fairfax, a passenger in the car which struck the ambulance, was treated at Marin General Hospital for cuts of the knees and right hand. The car was driven by her husband, D. H. Myers of 115 Lansdale avenue, Fairfax, a roofing contractor.

Bland and Myers were cited for speeding. The ambulance driver was Samuel C. Bernhart, 19, who was driving from the San Francisco Presidio to Hamilton Air Force Base.

## Russia Sends 2 More Dogs Into Space

LONDON (AP) — The Soviet Union rocketed two dogs into space July 10 and brought them back to earth, Moscow radio said today.

The broadcast said the dogs were carried aloft in a ballistic rocket weighing 2,200 kilograms—4,845 pounds.

Quoting an official Tass dispatch, the radio said a quantity of equipment was also parachuted back to earth.

One of the dogs, Daring, was making its fourth ascent into space, Tass said.

Daring, another dog named Snowflake and a rabbit named Marfooshka Little Martha were shot up in a 4,009-pound rocket on July 2 and were recovered, the Russians announced a week ago.

"Information is reported to have been obtained on the entire range of the research program," Tass said.

The agency described this program as including "measurements of infra-red radiation of the earth and the earth's atmosphere, photographing of clouds over a vast territory, a simultaneous analysis of the ion and neutral composition of the atmosphere and a measurement of the electrostatic fields."

## Four Rescued From Bay Waters After Big Catamaran Capsizes

A Sausalito writer, his wife and two companions spent a harrowing half hour in the chilly bay waters off Angel Island last evening after the 40-foot twin-hulled catamaran Malahini suddenly capsized in a heavy wind.

Thomas Patton, 30, and his wife Frances, of 15 Central avenue were in the white-hulled craft along with Donald Forbes and Raymond (Turk) Arsemault, who lives aboard the craft. Forbes gave his address as Sausalito Yacht Harbor.

Mrs. Patton reportedly was knocked unconscious as the boat went over, and her husband kept her afloat until she regained consciousness.

A passing fishing boat, the Margaret S, picked up the four after they had been in the water a half hour, clinging to the capsized craft. Arsemault gave artificial respiration to Mrs. Patton, who had swallowed sea water.

The fishing craft took Mrs. Patton and Arsemault ashore while her husband and Forbes were transferred to a Coast Guard boat and taken in to Sausalito.

A Sausalito Fire Department ambulance crew gave oxygen to Mrs. Patton. She was taken to Marin General Hospital for observation.

The large craft has recently been anchored off Sausalito and has attracted great interest.

Price J. Hall, Larkspur, had been retained by the craft's owner, John F. Haviland of Sausalito, to publicize his plans to make the boat a commercial sight-seeing vessel on the bay.

Hall said Haviland has made a formal application to the City of Sausalito for a use permit allowing him to utilize a portion of the sandspit to load and unload passengers for the proposed venture. He said that the Coast Guard had indicated the craft could be used to carry 27 passengers.

Cause of yesterday's mishap remained a myster. The type of twin-hulled construction is considered one of maximum safety against capsizing. There were no comments from the occupants as to the cause of the accident.

Coast Guard craft arriving at the scene found it impossible to tow the craft in an upside down position since the tall mast was striking the mud.

Later in the night, however, it was pulled free and towed upside down to the Nunes Brothers boat yard in Shelter Cove, where it was resting bottom-up this morning.

John Rocha of the Nunes yard said a diver reported this morning to make an effort to salvage an outboard motor and other gear from the capsized hull.

The boat was built in Fort Lauderdale, Fla.

## Trial Scheduled In Marijuana Case

Donald Phillip James, 25-year-old amateur botanist from Mill Valley, will be tried in Marin Superior Court Wednesday on a charge of having a thriving crop of marijuana plants on his porch.

James pleaded innocent before Judge Thomas F. Keating this morning and asked for a court trial.

Mill Valley police and sheriff's deputies raided James' home at 59 Crown court last June 2 and confiscated 17 potted marijuana plants sunning themselves on the porch.

James was a clerk at a San Francisco surgical supply house when arrested. He told officers he studied botany as a hobby.

## Gas Chisler Hits Again

For the fifth time in about two months, a motorist pulled into Schlett's Shell Service Station in Novato early today and drove off with about 50 cents worth of gasoline by pulling the forgotten-wallet routine.

William Watkins of Santa Rosa, attendant at the station on Highway 101 at Olive avenue, said he had been warned about this particular man before but did not realize it until too late.

He told Sheriff's Deputy Ernest Nielsen a man about 33 pulled up in a 1952 sedan about 4 a.m. and asked for five gallons of gasoline. After about 50 cents worth of gasoline had been pumped out, the man said he had forgotten his wallet and would be back in the morning to pay for it. He then drove off.

The attendant said the same man has driven off with about 40 to 60 cents worth of gasoline about five times, using the same forgotten wallet excuse.

## CHILDREN STAGE OWN NEIGHBORHOOD FAIR

The day was hot, but that didn't deter more than 100 San Anselmo children from attending the "Kiddies' Fair" staged by neighborhood youngsters at the home of Gerald Segale at 235 Los Angeles boulevard Saturday. Here, Claudia Kendall, 12, daughter of Mr. and Mrs. P. F. Kendall of 229 Los Angeles boulevard and general chairman of the affair, makes up Larry Bryant as pirate in makeup booth that was one of attractions. Children prepared own booths, staged entertainment program, collected tickets—with money going to neighborhood fund that will pay for a barbecue party before school starts and an Easter egg hunt next spring. # Schwartz Shop Opens Sale Tomorrow

Schwartz Brothers store for men will open an all-out quitting business sale tomorrow.

The sale opened Friday for regular Schwartz Brothers customers who received "preview" invitations by mail. And the throng was swelled considerably, reported Aaron and Carl Schwartz, owners, after a story appeared in the Independent-Journal announcing the firm is going out of business.

The Schwartz Brothers started their men's clothing store 15 years ago, only a few doors from the present location at 909 Fourth street, San Rafael.

The sale will continue "until we sell out everything," Aaron Schwartz reported.

## Meeting Cancelled

William Rafter, president of the Tiburon Peninsula Chamber of Commerce, announced today that the regular meeting of the chamber scheduled for tomorrow has been canceled.

# Marin Building Hits $30 Million So Far

Marin County construction permits during the first half of 1959 reached a total of $30,498,147, according to tabulations completed by the Marin Industrial Development Foundation.

The total is the greatest on record in the county for the six-month period.

Issued in the six months period were 1726 dwelling units, which, on a conservative average of three persons per unit, indicates over 5,0000 additional residents.

Permits issued in June this year amounted to $4,987,366. This was down slightly (2.5 per cent) from May but up 12.7 per cent from June, 1958, and well above all previous months of June of which the foundation has record.

Largest permit for the month was issued to Marin County Savings and Loan Assn. in the amount of $317,000 for this new headquarters building in San Rafael. Next largest was $276,000 for a 46-unit apartment project in Corte Madera.

San Rafael led all areas in value of permits issued with a total of $1,272,936. It was followed closely by the Novato area with $1,263,763, which includes 51 dwelling units, the greatest amount of residential construction of any area in the county.

So far this year 120 swimming pools have been built in the county compared with 77 for the same period last year.

For one month a year Moslems eat nothing during daylight hours.

# Leach Realty Is Purchased By Murray

W. J. MURRAY
Takes over old firm

W. J. Murray, Marin resident since 1945 and long active in real estate circles here, will take over the former Leach Realty office at 198 Sir Francis Drake boulevard in San Anselmo Wednesday.

Leach Realty is one of the oldest real estate firms in the county. The change in ownership is occasioned by semi-retirement of James C. and David A. Leach from the business.

The Leach Insurance Agency will remain unaffected by the new setup, the Leaches announced. The real estate business will be carried on under Murray's name.

Murray has been resident broker in Terra Linda the past two and one-half years. He resides at 23 Manor road, Kentfield, with his wife, Martha, and three daughters.

Murray said the San Anselmo office will be headquarters for the firm. The former sales staff of Leach Realty, comprised of Grace Cornwall of San Anselmo, Mrs. Harriet Beckwith of Kent Woodlands and Mrs. Helen Brandt of Sleepy Hollow, will remain. The Terra Linda office, in the new shopping center, will be a branch under management of Mrs. Elizabeth de Baun of Novato, assisted by Mrs. Gloria Opferman of Terra Linda. Secretarial duties will be handled by two of Murray's daughters: Mickey in San Anselmo and Pat in Terra Linda.

The firm also maintains a branch office on Highway 1 in Mendocino County, managed by Al Bier.

## Trustees To Meet

A continuing study of the current budget is expected to be the prime item on tonight's meeting of the Mill Valley School District trustees at 8 o'clock at the district offices.

## STOCKS TODAY

NEW YORK (AP)—Steels and rails declined late this afternoon as a steel strike seemed imminent. Trading was quite active.

Volume for the day was estimated at 3,500,000 shares compared with 3,600,000 Friday.

Pivotal issues fell from fractions to about two points. There were scattered gainers.

At its near-record levels the market was vulnerable to any news which bred uncertainty. Tomorrow's steel strike deadline afforded the excuse.

U.S. Steel and Jones and Laughlin dropped about two apiece. Bethlehem was off around a point.

Ford was a one-point loser.

New York Central, Baltimore and Ohio, Pennsylvania Railroad and Southern Railway were among carriers taking moderate losses.

Goodyear and Allied Chemical lost about two each while Du Pont dropped around four.

American Motors was up about a point. Aluminums also were buoyant, Reynolds Metals adding about two and Aluminum Ltd. around a point.

Losses of around a point were taken also by International Harvester, Caterpillar, Radio Corp. and Westinghouse Electric.

U.S. government bonds rose.

## FIVE WERE IN THIS CAR

Three of five persons who were in this car when it overturned last night on the Waldo Grade remained in Marin General Hospital for treatment today. Two had severe head injuries. Officer Joseph H. Kendricks of California Highway Patrol is seen examining wreckage. (Story on page 1. (George Wheeler photo)

# Recreation Program Gets In High Gear

Competitive swimming at Drake and Tamalpais High Schools and organization of a "fun band" at Redwood are highlights of the Tamalpais District recreation program now in full swing at the three high schools.

For those over nine years of age who can qualify after tryouts, competitive swimming is being held twice a week at Drake and once a week at Tam with Amateur Athletic Union meets resulting, according to directors Bob Fitzhenry of Drake and Chuck Crawford at Tam.

A recreation band is being organized by director Bob Troppman at Redwood who urges all interested to "dust bring it to the gym."

Troppman also reminded those interested to take advantage of the free trampoline instruction at Redwood. The gym is open Monday through Friday, 1-5 p.m., and on Wednesdays for adults and high school students only from 7-10 p.m.

Daily activities at Redwood include basketball, volleyball, badminton, whiffle ball, weight lifting, table tennis, rope climbing, checkers, special television programs and outdoor football, baseball and softball. Among Wednesday night activities are a "slim-trim" program for women, weight lifting for men and limited basketball.

Fitzhenry said the Drake gym is available for a similar variety of activities seven afternoons a week. Organized basketball is held in the evenings.

The Tam gym is also open to the public for recreation each day 1 to 5 p. m. except Sundays. At both Drake and Tam the pools are open from 1-5 p.m. every day and 1-8 p.m. Tuesdays and Thursdays for family swimming.

Water safety classes sponsored by the Red Cross are held each morning at Drake and Tam. Registration for Session 3 at Tam is July 20, for Session 4 on August 3; at Drake Session 2 is July 13, Session 3 is on July 27 and Session 4 on August 10. All registration is at the respective gym at 8:30 a.m.

**ENTERS NEW FIELD**—C. F. (Chuck) Pendleton of Corte Madera has joined Frank DiMarco and Associates, San Francisco public relations firm, after being with radio station KJBS for over 16 years as assistant manager. Pendleton is zone chaiman of the Marin County Assn. of Lions Clubs. He and his wife and two children live at 653 Redwood avenue.

## Driver Jailed After Accident

Lee Allen Miller, 22, of 175 Butterfield road, Sleepy Hollow, was jailed last night on charges of drunken driving and resisting arrest after his car spun into a fence along the northbound turnoff ramp from Highway 101 to Tiburon.

Miller was thrown from the car is it spun, but examination at the emergency room of Marin General Hospital disclosed no injury.

The California Highway Patrol report of the incident made no mention of why the resisting arrest charge was filed.

## JUST HITCH DOG OUTSIDE WHILE BUYING

LEICESTER, England (UPI)—A local firm said it has received an order from a pet food firm in Pennsburg, Pa., for 250,000 hitching posts for dogs.

The manufacturer said the purchaser plans to give the posts to stores selling its products, so customers can tie their dogs outside while shopping.

ord. And I don't think we can survive another hot spell. It will be too much of a burden on the water supplies."

At Stinson Beach State Park, an estimated 7,500 persons used the beaches yesterday, followed a crowd of 5,500 on Saturday.

Mt. Tamalpais State Park was used by scores of overnight campers, and an official said that a "lot of out-of-state cars were in the area, and a lot of Canadians."

More than 2,000 persons used the beaches at Tomales Bay State Park, although a park official said it was windy with the temperatures at about 65 degrees.

A near-record number of visitors were reported at Muir Woods National Monument. Supt. Frederick M. Martischang said there were 3,112 on Saturday and 4,463 yesterday.

## Man Falls From Car, Injured

Joseph E. Barone, 17, a resident of the Forest Knolls Trailer Court at Forest Knolls, was slightly injured at 6:10 p.m. Saturday when he fell from a moving car near the top of hilly Bolinas road at Fairfax and rolled 75 feet downhill into a ravine.

He was treated at Marin General Hospital for a sprained right ankle.

The car was driven by his wife, Vicki Ann Barone, 16. She told officers of the California Highway Patrol her husband was leaning against the car door and fell out when the door flew open.

### Sailing Along

NEW YORK (UPI)—The nation's seven million boat owners have made boating America's most popular participant sport, according to industry statistics.

These figures show that the number of boats in the water has increased twice as fast as the number of cars on the road since the end of World War II.

### Embarrassing Switch

HARTFORD, Conn. (UPI)—Miss Corinne Geetersloh, Gov. Abraham Ribicoff's receptionist, was attracting special smiles and chuckles one morning recently. A little checking disclosed the reason—her desk nameplate had been reversed. The back of it carried the phase: "Give them what they want."

## Announce Way To Help Drain All 8 Sinus Cavities Without Discomfort

**New decongestant tablet for sinus congestion sufferers acts both to drain clogged sinus cavities and relieve distressing head pain**

New York, N. Y. (Special) Announcement has been made of a new tablet development which has the remarkable ability to help drain clogged sinus cavities and thus relieve congestion and pressure. The headaches, pressure pains, stuffed-up head, nasal drip, clogged breathing—all the unrelenting symptoms the sinus sufferer knows so well—are attacked directly by improving drainage of the sinus areas.

Most remarkable of all is the fact that this is accomplished with extraordinary speed and without discomfort of any kind. This new tablet does its remarkable work internally, through the blood stream. It deposits into every drop of blood plasma a new medication which is carried to the sinus area, where it shrinks the swollen doors to the sinus cavities and helps drain away the pain-causing pressure and congestion.

The shrinking substance in this new tablet has been so successful topically in promoting drainage of the sinus cavities that it is now prescribed more widely by doctors than any material for this purpose. This new medication is now available at drug counters without the need for a prescription under the name, Dristan® Decongestant Tablets. Dristan Tablets cost only 98¢ for a bottle of 24 tablets. Buy and use Dristan Tablets with the absolute guarantee that they will drain away pain-causing pressure and congestion of the sinus cavities, relieve the pain and distress, or purchase price will be refunded.

## OBITUARIES

## Ernestine G. Craemer Dies At 94

Mrs. Ernestine Guenther Craemer, mother of Justus F. Craemer of Kentfield, died in a Santa Ana rest home Saturday at the age of 94. She had been in declining health for several years.

Funeral services will be held at 2 p.m. tomorrow at Shannon Funeral Home in Orange. Burial will be in the cemetery maintained by St. John's Lutheran Church of which she was the oldest living member.

A native of Huntley, Ill., Mrs. Craemer was the widow of Rev. John Lorenz Craemer, a Lutheran pastor who died in 1890 at Decatur, Ill.

In addition to her son, she is survived by a daughter, Miss Helen Craemer of Orange. She was the grandmother of Jack Craemer and the late Barbara Craemer Ashley, both of Greenbrae.

She also is survived by five great-grandchildren in Marin.

## Long-Time Prison Officer Dies Of Heart Attack

Timothy Lee Bell, 55, for 23 years a correctional officer at San Quentin Prison, died of a heart attack at Ross General Hospital yesterday afternoon.

Feeling distressed, he had jumped into a pickup truck and dashed to the hospital from his home at San Quentin, but died a few minutes after arrival. He had suffered a series of attacks and on June 10 had gone on sick leave with probability of retirement.

Surviving are his wife, Helen, and a daughter, Joyce, both living at San Quentin.

Bell was born Aug. 20, 1904, and attended Oroville High School and Chico Business College. He engaged in general merchandising with several firms in Oroville, Portola and Oakland before joining the State Department of Corrections in July, 1936.

During his 23 years of service at San Quentin, Bell made hundreds of friends among the inmates. On the day that he left his job in June, 700 went up to shake his hand.

This was followed by an editorial of appreciation in the San Quentin News, the prison newspaper, on June 25. The editorial said that "he had a job to do but he never forgot that he was a man dealing with flesh and blood human beings with problems."

A Requiem High Mass will be recited at St. Raphael's Church in San Rafael at 9:30 a.m. Thursday. The cortege will form at Keaton's Mortuary, San Rafael. The rosary will be recited at Keaton's at 8 p.m. Wednesday. Interment will be in the Catholic Cemetery in Oroville.

## Frank Milani Dies At 76

Frank Milani, resident of Marin County for more than 50 years and of Mill Valley for 20 years, died unexpectedly Saturday ath is home at 77 Hilarita avenue at the age of 76.

A self-employed gardener, he came to Marin County from his native Italy prior to 1906 and was married in San Rafael in 1907. He worked for the Northwestern Pacific Railroad and lived in Belvedere for many years.

He is survived by his wife, Caroline, at the family home; a daughter, Mrs. Mary Balzarini of San Francisco; a son, William of Mill Valley; a brother, James, and a sister, Mrs. Leo Dalessi, both of San Rafael, and four grandchildren.

Requiem Mass will be offered tomorrow at 9:30 a.m. at Our Lady of Mt. Carmel Church in Mill Valley, with the procession forming at the Russell and Gooch chapel at 9 o'clock. Rosary will be recited at 8 o'clock tonight at the chapel. Interment will be in Mt. Olivet Cemetery, San Rafael.

## Man Discovered Dead In Auto

The body of James Lawrence Case, 55, of Redding, was found at 7:50 a.m. today in a car parked behind the Service Lumber Co. building in Sausalito's Marinship area.

A hose attached to the car's exhaust pipe had been run into the car through a window. A note on the dashboard told of Case's fear that he was going insane.

Deputy Marin County Coroner Harold Keaton said he had been unable to learn any information about Case

even get a horse in there," a sheriff's deputy said.

Keaton said Hamilton Air Force Base units did not help bring out the bodies because the plane is civilian. The base previously had advised that a helicopter would be of no use because of the rugged terrain.

The 4th Air Rescue Squadron said planes from Hamilton had been called upon last November to help search for the plane which had flown out of Sonoma. Its destination was not known.

The hunters said they found the plane at 8 p.m. Keaton and Irving were in the canyon area until about 11 p.m., and Keaton said that if he had had "some men we could have brought the bodies out."

## Good Health Depends On Body's Nerve Network

by Dr. Robert W. Pearce

The greatest communications system ever built is as old as mankind and will never be out of date. It is more common than the telephone but more complex than the TVA and a fleet of electronic space ships combined. What is this system?

Your nervous system . . . the incredibly vast network of fibers which links the brain, directly or indirectly, with every cell, every organ and every part of your body.

The brain, of course, is the power house which generates, dispatches, receives and interprets messages to and from various parts of your body. The brain and its nerve network are in action every moment of your life—asleep or awake.

The nervous system is so complex that the most learned anatomists and physiologists know very little of its magnitude and function. The greatest electrical project ever conceived by man is insignificant compared with the human power system. One expert has estimated that there are 400 trillion nerve fibers passing through the average human skull into the spinal cord.

What happens when something goes wrong with the nerve network? When a nerve fails to deliver its proper quota of "power" to any part of the body, that part will lose its efficiency and eventually will become diseased, because of an interference to the nerve.

Interferences occur most frequently in the spine when a displaced spinal bone (vertebra) will pinch or stretch the nerves within the spine or just outside it. The obvious remedy is to remove the interference.

Chiropractors specialize in removing spinal obstructions to the nervous system. This can be done by X-ray analysis and by skillful hand adjustments of any vertebra found to be causing interference.

Dr. R. W. Pearce, O.C. practices the Palmer Method. His office is at 1628 Fifth Ave., San Rafael, GL 3-6201. —Adv.

## Composer Ernest Bloch Critically Ill In Oregon

Ernest Bloch, 78 internationally famed composer and father of a Mill Valley painter, was on the critical list today in Good Samaritan hospital in Portland, Ore.

Most of Bloch's creative life has been spent in the San Francisco area. His youngest daughter, Mrs. Lucienne Bloch Dimitroff, is the wife of Stephen P. Dimitroff, who operates an art store in Mill Valley. She paints and is mother of three children.

Bloch has been in retirement for several years on the Oregon coast at Agate Beach, but moved to Portland for health reasons last year. He was taken to the hospital last Tuesday.

Born in Switzerland, Bloch came to the United States in 1917, was naturalized in 1924, and became director of the San Francisco Conservatory in 1925. He held this post until 1930, when he resigned to compose and travel in Europe.

In 1938 he returned to teach at University of California in Berkeley. The San Francisco Board of Supervisors passed a resolution in his honor for his prize-winning orchestral rhapsody "America" which he wrote in 1926. His compositions have won many awards.

Thomas Jefferson spoke 30 different Indian dialects.

## 4,000 See Musical At San Quentin

Approximately 4,000 San Quentin Prison inmates yesterday saw the San Francisco Opera Ring production of "Guys and Dolls," a prison official reported.

A show for about half the number was given in the afternoon. The other inmates saw the show in the evening.

The show, designed by the opera group to be given "in the round," had been adapted to the prison's conventional stage.

Officials said they believe it was the first time such a show had been given inside a U. S. prison. It was the first time women had been allowed to entertain at the prison, except at New Year's events.

## Mill Valley Man Must Go To Jail

Audley Martin Redlin, 30, of 52 Bayview Terrace, Mill Valley, must spend five days in jail and pay $250 fine for his second drunken driving offense in three months.

He was sentenced Friday by Judge Harold J. Haley of Marin Municipal Court. Redlin was caught on Tiburon boulevard June 28. He had a prior conviction March 31 of this year.

Willie Frank Simon, 32, of Berkeley lost his driving privileges for three months and must pay a $200 fine for his first drunken driving offense. He was caught weaving along Shoreline Highway at Flamingo road in Tamalpais Valley Friday morning.

Judge Haley also fined Simon an additional $25 for having a revolver in his car without a permit.

# When It Gets Hot, Some People Think Of Stripping

Maybe it's the hot weather, or maybe it's merely because we don't have the problem here in Marin. But the story last week from Detroit telling about 34 exotic dancers gathered at police headquarters for a post-graduate course on permissible stripping, lingers in our memory.

It wasn't the part where the police chief warned the girls that while sex can be displayed in Detroit night clubs "it can't be used to incite a riot."

Neither was it the part where he told them they had to keep their feet moving.

What got us was the part where the police chief gave a demonstration of bumps and grinds which he says are taboo in Detroit.

Now regardless of how the civic service vote goes in San Anselmo tomorrow, we somehow can't quite picture Police Chief Don Woods with his hands clasped behind his head while he rotates his derriere.

And if Mill Valley Chief Jim McGowan gave a couple of bumps, we bet he'd shake like Santa Claus after a funny story. Ross' Joe Regoni doesn't have the right figure either.

Sheriff Louie Mountanos might be something else again. We'll bet the sheriff could show the girls a thing or three if he put his mind to it. Wonder if he could really mince down a runway?

Come to think about it, let's strip off a little ourselves (it must be the heat!) and go swimming. Ha!

## In Theater, Marin Is Marvelous

We are constantly being reminded that we in Marin are unusually gifted people. We have artists and writers (present company excepted), musicians and actors. And we seem to have a lot of fun doing the hard work of these various activities as avocations.

What brought all this about is that we've just seen another Marin play. Now it might have been in Sausalito or Novato, in Ross Valley, Mill Valley or Tiburon. It happened that it was in Tamalpais Valley.

The Tam Valley Players are putting on "All My Sons," by Arthur Miller. (He's Mr. Marilyn Monroe.) It's no comedy, although it has its light moments. The prize-winning play is produced under terrific handicaps in a building that never was planned to be used for legitimate theater.

Yet the cast and their technical crews have done a remarkable job under fine direction.

It only goes to prove once again that insofar as amateur theater is concerned, Marin IS Marvelous.

**GOVERNMENT DEPENDS ON YOU**

"When a government is clean, competent, honorable and representative of the wishes and needs of the people, when it is the people, Communism doesn't have a ghost of a chance."

These challenging words of General Carlos P. Romulo are from the foreword of his best seller, "Crusade in Asia." Then in the same vein, he continues:

"Only when a government becomes corrupt and graftridden and morally diseased is Communism able to slink in through the back door to assume arrogant control.

"It appears never as the victor, but as a scavenger and a feaster upon corpses, and it can survive only where it finds food to live on — in a country where Democracy has died!"

The survival of freedom depends on the interest each one shows in it. The failure of one individual after another to fulfill his responsibilities opens the way to disaster.

But it also means that one person like you can do something, however little it may seem, to protect the precious liberty God entrusts to all.

**"The creature also itself shall be delivered from the servitude of corruption, into the liberty of the glory of God."**

**(Romans 8:21)**

Thanks to You, O Lord, for allowing me to have any part in shaping the peace of the world.

# Do The Days Seem Longer? They Should, They're Getting Longer

NEW YORK (AP)—Things a columnist might never know if he didn't open his mail:

Do the days seem longer to you now? Well, they are getting longer. Each year the 24-hour day is lengthened by one hundred thousandth of a second.

It isn't true that camels, the "ships of the desert," can go several weeeks or even months without water. The maximum time a working camel can go without a drink is 8 to 10 days.

President Charles de Gaulle of France had an odd nickname during his students days at St. Cyr, the French West Point. His fellow cadets called him "the Asparagus."

Antonio Stradivarius, the famous violin maker, once sent a collection of his fiddles to London for sale at $10 each. They were returned to him unsold because of the high price. One of those same violins today would be worth $20,000 or more.

The only ground for divorce recognized by every state in the union is adultery.

The wooden truth: Despite the widespread increase of plastice and light metal products in this country, the average American still uses twice as much lumber as a Russian, four times as much as an Englishman, and six times as much as a Frenchman.

You hear a lot about how broke old people are. But 40 per cent of all U.S. citizens over 65 have fluid assets of at least $2,000.

Grownups are getting bigger, but babies at birth are smaller. The largest baby in medical history was at 32¾-pound tyke born in 1879 to Mrs. Anna Bates, a 7-foot-5½-inch lady from Nova Scotia.

Some dieters fondly believe they can melt away fat through hot baths. But, according to a study by the Bon Ami Institute, it would take 370 hot one-hour baths to lose a single pound!

You may be bored on the job, but you're safer there. Last year one out of every Americans were killed or suffered a disabling injury by an accident away from work.

## Art Society Has Gallery Contract

EDITOR,
Independent-Journal:

Re Mrs. Leah Schwartz's letter—

In Marin County there is no county museum nor art gallery. Miss Frances Young was kind enough to donate a substantial sum to the Marin Art and Garden Center for an Art Gallery.

The Marin Society of Artists one of the eight founder groups of the MAGC has a contract with the center for the use of the gallery and the surrounding art-in-action area, and the same contract states that the center can not hold activities in competition with the aims of the Marin Society of Artists.

Miss Joy Peterson a non-member of the Marin society of Artists was paid by the fair committee to supervise the registering and returning of paintings by anyone in Marin County who so chose to submit paintings in competition for state fair prize money. The MSA did not receive any funds for the prizes in the gallery from the state funds. The awards for MSA were from the MSA treasury, and the MSA was simply using the grounds in accordance with its contract with MAGC.

Incidentally you may not realize that the Marin Society of Artists has a $5 Membership fee and approximately 383 members and operates a gallery 12 months of the year on an annual budget of approx. $2000 a year. The MSA has done a great cultural service to all Marin County thru the hard work of many volunteers who give time and energy, cakes punch and flowers and hard labor to garden and hang paintings, to maintain the only art gallery in Marin County for you to visit.

## A New Record In Mendacity

EDITOR,
Independent-Journal:

Your editorial of Wednesday, July 8 sets a new record in mendacity.

"A new light industry — a Baptist seminary" — never have I seen such a light industry which pays no taxes, corporate or otherwise.

2,000 wonderfully informed students and vitally alive instructors, of whom many are married and have children, who will be educated in our all ready overcrowded schools at our expense.

Whom are you kidding?
Not me!

### No Good Reason Why Public Should Pay For Railroad Feather-Bedding

SACRAMENTO (CNS) — The tremendous changes in railroad equipment, from steam to diesel power, have brought numerous problems to the railroads. These problems include adjustment of labor costs to the new equipment, which according to reports from various sources, has not been accomplished in line with the modernization of the equipment.

The California Legislature has not been wholly helpful in helping the railroads make this adjustment. The Legislature passed SB 944, by Senator George Miller (D-Martinez), which has the peculiar requirement that a fireman must be employed on all diesel locomotives.

**THIS MEASURE** is before Gov. Edmund G. Brown for his signature as this is written.

In commenting on how the "law sanctions shake-downs by unions," Frank Chodrov in an article entitled "Bleeding the Railroads," says of the fireman requirement:

"Diesel engines need not be stoked, and have no boilers to tend; but the unions have decreed that every diesel engine must carry a fireman, not only for the ride, but also for the pay; this service costs the railroads $200 million a year.

**"OH YES,** the fireman may be called upon to push a button to start the engine, and in that case, as a governmental referee decided in a recent case, he is entitled to an extra day's pay. The decision was based on a pre-diesel ruling, which provided extra pay for the then hard job of firing up pressure for steam locomotives."

People who oppose this type of operation have a name for it, "feather-bedding."

Certainly trainmen who operate passenger traffic and freight traffic throughout the country are entitled to fair pay. This never has been questioned by management, which is probably willing, but not eager, to give the trainmen what they have coming.

**BUT THE PRACTICE** of "feather-bedding" reaches farther than management — it reaches right down into the pockets of every person in the state, and in fact, in the nation.

The pay-off from "feather-bedding" in the final analysis is from the people themselves in the form of increased freight and passenger rates.

The power of the labor lobbyists in Sacramento undoubtedly has led to some excesses, and SB 944 is a notable example. There appears to be as little reason for the public to pay for "feather-bedding" in the railroads, as in government itself.

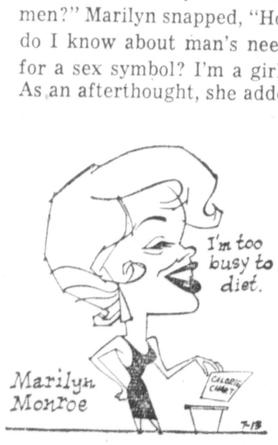
In Chicago a reporter asked Marilyn Monroe, "How do you react to stories that you're America's sex symbol for men?" Marilyn snapped, "How do I know about man's needs for a sex symbol? I'm a girl." As an afterthought, she added "I guess sex counts like everything else. I'll not be the one to discount sex."



Marilyn keeps her famous figure without dieting. "I'm too busy to diet," she explains. "After all, I'm the mother of two stepchildren (a boy, 11, and a girl, 14). I eat spaghetti and potatoes whenever I feel like it. In fact, potatoes are my favorite food."

At this point, seven Chicago press agents threw away their calorie counters.

### Statuary And Monuments Tell Interesting Stories In Sausalito

Statuary and monuments dwindled in popularity about the time of World War I. Many of those pieces still to be seen in Marin provide some interesting background.

In Sausalito, for instance, there is the O'Connell seat — an artistically curved stone bench on Bulkley Avenue at Harrison. Now largely unnoticed by the passing traffic, it rests quietly under spreading pepper trees hiding its former glory.

A plaque tells that it was erected to the memory of Daniel O'Connell, a poet who died in 1899 at the age of 50 and who was honored for the entertainment he provided his Sausalito neighbors.

**HARDLY IN THE** category of statuary, Sausalito also boasts of the colorful and widely photographed fountain in its plaza and the two regal looking elephants before, all facing Bridgeway.

These three pieces, together with a pair of flag poles, came originally from the Panama Pacific International Exposition of 1915 in San Francisco and were gifts from public-spirited Sausalitan William B. Faville, who was a resident until recent years.

Perhaps it would be an excellent project for the chamber of commerce or some other civic group to install a plaque at the fountain telling its history and source.

**AN ANONYMOUS** item in the Mill Valley Optimist Club Bulletin tells of the advertising agency which was asked to make a survey aimed at determining something about the person who shops in Mill Valley. The results are as follows:

"The person who buys and shops in Mill Valley is an extremely intelligent being, with exquisite taste and a high potential in any field. As to where he would like to be, his destiny may place him in many graceful and majestic places, but his heart will always remain in Mill Valley."

All three partners in the agency were born and lived in Mill Valley.

**WHEN THAT** pile driver "sailed" up to Sausalito's Ondine Restaurant Thursday morning, the first result was an alarm to the fire department by a woman who saw smoke arising from what she thought was the Ondine. It was the pile driver stoking up.

Next, the apparatus methodically drove four piles and just as methodically pulled them back up and sailed away into the wild blue yonder.

Explanation from co-owner Fred Martinez at Ondine was that it was the first step by the contractor to determine the penetration depth for the series of concrete piles which will support the building when it is skidded 60 feet farther out into the bay later this year as part of an expansion program. Pile driving is due to start Sept. 1, according to Martinez.

**WHEN DIRECTORS** of Marin Municipal Water District announced last week that they were going to drain the unused Cascade reservoir on Lovell Avenue near the Mill Valley city limits, it recalled the vigorous but losing battle waged by Mill Valley City Councilman Peter Behr last summer to have the reservoir converted into a swimming pool.

The project never materialized for many reasons, chiefly because of cost and the fact that it was outside city limits.

Behr is now travelling with his family in Europe.

## ROSCOE DRUMMOND

### Ben-Gurion Refuses To Live In Past, Accepts New Germany

Seventy-three-year-old Premier David Ben-Gurion and 83 year-old Chancellor Konrad Adenauer are the dominant leaders of the new Israel and of the New Germany primarily because they are not ones to live in the past.

Each has been the most durable and most unifying force in his own country. Ben-Gurion from the birth of Israel in 1948 and Dr Adenauer from the re-birth of democratic West Germany in the same year.

Their views and their vision have been focused upon the present and the future. This has brought them remarkably close together.

**AT FIRST SIGHT** it must seem oddly ironic that the No. 1 Jewish political leader of the world engaged himself in persuading his Parliament to approve Israel's selling munitions to the No. 1 political leader of post-Hitler Germany.

How could the Jewish state of Israel, designed in part to provide a secure homeland and, when necessary, a haven for persecuted Jews, bring itself to sell 250,000 grenade launchers to the nation whose Nazi leadership murdered some 6,000,000 Jews within the memory of most living politicians?

The answer is that the 73 year-old premier refuses to live in the past. He not only sees a new Israel, a strong, independent, fearless young nation, but he also sees a new Germany, created not on the foundation of Hitler but out of the ashes of a regime whose lesson has been well learned by the leaders of the Bonn Government.

**BEN-GURION** sees West Germany as far different from Nazi Germany. He considers West Germany "part of the great alliance established to safeguard democracy."

He holds that "those who tell me that the period of the Nazis and their acts might return do not understand what is happening in history."

There are convincing reasons why the Israeli premier has such confidence in the leadership of post-Hitler West Germany and why he would be willing to see Jerusalem and Bonn establish diplomatic relations; such reasons as these:

Chancellor Adenauer has never hesitated to tell the German people the truth about Hitler and to drive home the terrible responsibility which they have for World War II—and its consequences.

Dr. Adenauer himself shepherded through the Bundestage and appropriation of 3.45 billion marks ($840,000,000) to Israel in partial—and more than symbolic—restitution for the wrong done to Jews in Germany by the Hitler regime.

**IN THREE POSTWAR** elections the voters of West Germany have strengthened democratic government at every point, virtually liquidated the kind of splinter parties which undermined the Weimar Republic and committed their nation to a pro-Western, Pro-European and pro-French foreign policy as the essential ingrediants of a worthy German future.

And only a week ago West Germany elected as its new president a former Adenauer cabinet minister with an undeviating anti-Nazi record, Heinrich Luebke.

# POWELL TREASON CHARGES DROPPED

### But Sedition Indictment Still Pending In Korean Conflict 'Germ War' Case

SAN FRANCISCO (UPI)—Treason charges in the Powell-Schuman "germ warfare" case were dismissed today because the government has failed to obtain grand jury indictments.

The sedition indictment is still pending.

The defendants were John W. Powell, 40, and his wife, Sylvia, 39, of San Francisco, and Julian Schuman of New York City, who put out a Communist line magazine — the China Monthly Review in Shanghai during the Korean conflict.

**ACCUSED OF TREASON**

They were accused of treason in complaints filed Jan. 30 when sedition proceedings against them ended in a mistrial. At the time, then U.S. Atty. Robert Schnacke predicted that the treason case would go to trial within 60 days.

U.S. Commissioner Joseph Karesh dismissed the complaint when the government failed to present two eyewitnesses of an overt act of treason in order to establish a probable cause for the complaint. He noted the complaints were filed five months ago.

**PROBE CONTINUES**

However, U.S. Atty. Lynn Gillard said an investigation of treason aspects of the case are continuing and will continue. He pointed out that new treason complaints could be filed at any future time.

Mrs. Doris Brin Walker, defense attorney, said "the reason they don't have the witnesses is that they just never existed. The reason is they have committed no crime. It's that simple."

The constitution says treason requires two eyewitnesses to the same overt act. Gillard said possible witnesses are scattered all over the world and many are still in Red China.

The Department of Justice in Washington has given Gillard no authorization to seek an indictment, he said. A grand jury held over its normal term to consider the Powell-Schuman case was dismissed last month.

The Powells and Schuman were indicted originally on April 25, 1956, for sedition, after a congressional investigation of the case.

The sedition case did not come to trial until nearly three years later. During its course, U.S. Judge Louis E. Goodman observed out of hearing of the jury that the government had made a "prima facie" (on the face) showing of treason.

But news reports of his remarks caused Goodman to declare a mistrial because he feared the jury might have been prejudiced.

# Power Grab Try By Bridges Told

WASHINGTON (AP) —A New York lawyer testified today he was approached by officials of the West Coast Longshoremen's Union about a plan to seize control of court-appointed monitors policing the Teamsters Union.

Bartley C. Crum told the Senate Rackets Committee that the idea was to pave the way for a merger of the two unions into a single, powerful transport union.

Keystone of the plan, Crum said, involved inducing Godfrey P. Schmidt to resign from the board of monitors and be replaced by Crum in that post.

**Crum said the approach to him came from the longshoremen's president, Harry Bridges, and Bridges' top aide, Louis Goldblatt of Mill Valley, rather than directly from any Teamsters official.**

Crum said the offer came to him in a series of meetings over the past year.

Schmidt has resigned, and today Lawrence T. Smith, a New York attorney, was sworn in to replace him.

Crum said he refused to have anything to do with the scheme because he thought it improper.

The board of monitors was appointed by U. S. district court here as part of a compromise settlement of a suit by a group of rank-and-file union members to bar Hoffa from taking office.

## New Monitor Seeks Ouster Of Hoffa

WASHINGTON (UPI) — Lawrence T. Smith, 36, was sworn in today as a Teamsters Union monitor, and told reporters he will seek the ouster of the union president, James P. Hoffa.

Smith replied with a firm "Yes" when newsmen asked him whether he would work for the ouster of Hoffa.

Smith, a New Yorker, succeeds Godfrey P. Schmidt on the three-member panel of monitors. He formerly was associated with Schmidt's law office in New York, but said he had severed all connection with it before taking the oath as monitor today before Judge F. Dickinson Letts in U. S. District Court.

As a monitor, Smith, as did Schmidt, represents rank-and-file Teamsters who brought a suit to prevent Hoffa from taking office as union president.

# Big Forest Fire Rages On Coast

By U.P. INTERNATIONAL

Some 500 fire-fighters battled a blaze along the Sonoma-Mendocino counties coast today that was "conservatively" estimated at 4,100 acres and "going strong."

State Division of Forestry official Ray Williams said forestry crews had managed to throw control lines around only 50 per cent of the burned area and that the possibilities of holding what they had were "poor."

The blaze, which began in the pre-dawn darkness yesterday, quickly swept through logging slash and across rugged timber and brush country.

Williams said the only bright note was that the fire was accessible by logging roads.

Assisting state crews were volunteer loggers, 120 San Quentin Prison honor camp convicts, a county road repair crew and a "mobile unit" of teen-agers from a nearby juvenile home.

Eighteen bulldozers, plus 20 pumper units and 10 logging camp water wagons, assisted the men battling the fierce blaze which was expected to flare even hotter later today in the face of strong winds.

The U.S. Forest Service had under control six fires started by lightning in El Dorado and Stanislaus National Forests. The Forest Service said those blazes burned a total of 85 acres before being brought under control.

In Humboldt County, another blaze being fought by state fire-fighters was reported 90 per cent under control. The Division of Forestry said that fire had burned some 450 acres.

### Glass Smashing Orgy

Masonry contractor Herbert Berlin of 91 Sidney court, San Rafael, has notified deputy sheriffs that someone broke all the glass from his flatbed truck including the windshield, all windows, the rear view mirror, and the glass on the dashboard. He said the vandalism took place either Thursday night or early Friday morning.

## Retail Sales In Marin Up 28 Per Cent

SACRAMENTO (CNS) — Retail sales during the first three months of 1959 climbed 17.2 per cent over a year ago to set a new first-quarter record of $4,988,721,000 and produce $149,661,930 in sales and use taxes, the state Board of Equalization reported today.

Every county but Trinity recorded gains, ranging from 5.1 per cent in San Benito Countoy to 74.4 per cent in Mono County.

Marin County, with January-March sales up 28 per cent from a year ago, ranked 16th among the counties in percentage gain. During the three months, sales in the county totaled $32,535,000 to produce $976,050 in the 3 per cent sales tax, amounting to .65 per cent of the total business in the state.

Sales of new motor vehicles, which had been the principal contributor to low sales tax revenues during the 1958 recesssion, showed a 33.5 per cent gain over a year ago. Farm implement sales jumped 31.3 per cent and taxable sales of lumber and building materials rose 32.5 per cent.

Most spectacular gain was recorded by trailer, boat, motorcycle and airplane dealers, whose sales were up 42.9 per cent from the first quarter of 1958. Boat sales alone were up more than 50 per cent. The gain in boat sales since the first quarter of 1954 was more than 275 per cent.

**TODAY:**

8:20 a.m., Kentfield — Water heater broke, flooded kitchen at home of Mark T. Lott, 14 Lilac avenue.

## Sonoma Smoke Seen In Marin

Smoke and haze that drifted into Marin yesterday afternoon and evening was from two forest fires in Sonoma County, County Fire Chief Charles Reilley reported.

He said coastal winds carried the smoke southward, and that when it reached the head of Tomales Bay it begins to break up and drift inward.

A lookout atop Mt. Tamalpais said he was unable to see the face of the fires, but said he beleived one of them was near the coast in the area near Annapolis where fires have plagued Sonoma firemen for several days.

## NO, ALBERT, YOU CAN'T LUNCH HERE

HALESOWEN, England, (UPI) —Albert Dunn, 29, thought he had found the perfect place to eat his lunch.

It was cool, quiet and uncrowded; there was a handy stone slab for a table, refrigeration for his bottle of milk, and facilities for making tea.

But local officials have evicted him. It is just not right, they ruled, to eat lunch in the mortuary.

## LONDON TO PARIS

# Oddball Race Leaders Uses 3 Conveyances

LONDON (AP)—A British army captain traveling by motorcycle, helicopter and jet led the field today in the opening of an oddball race from London's Marble Arch to Paris' Arch of Triumph.

Capt. R. N. B. Walker made the 210-mile trip in a sizzling 57 minutes 48 seconds as the 10-day contest was launched by a London newspaper to show how much time air travelers waste on crowded roads between cities and airports.

Captain Walker made the return trip in an hour and 15 seconds, traveling by the same means.

During the next 10 days, contestants for the $14,000 top prize offered by the Daily Mail, can make as many trips as they like. They are allowed to travel by air or ground but must cross the English Channel by air.

The race celebrates Louis Bleriot's first air channel crossing 50 years ago.

A navy officer used roller skates to weave through the London traffic to a waiting Thames-side helicopter.

The area of the Rock of Gibraltar and the accompanying British naval base is two square miles.

## Fire Caused By Lightning Rages In Sequoia Forest

By U. P. INTERNATIONAL

A lightning-caused blaze raged out of control today in heavy brush and light timber north of Kernville in Sequoia National Forest, while several other fires elsewhere in Central California were controlled.

The Kern River Canyon area fire erupted Saturday and has spread over 3,000 to 4,000 acres. No structures were involved.

Sequoia Forest headquarters in Porterville reported between 500 and 600 men were battling the flames. Rangers said they "Have no idea when the fire will be controlled. We are trying to put in lines along the top of the fire and a line on the northside has held so far."

The blaze, dubbed "The dry fire," was the largest in the forest since the McGee Burn near General Grant in 1955. It started on the west side of the river and forced the evacuation of Baker Lookout and the Kern River campgrounds.

Two fire-fighters, Jim Bastady of Exeter and Bob Knudsen of Kernville, were injured seriously yesterday when they were trapped in a wind-caused flareup. They were pulled from the fire by fellow fire-fighters who beat out flames on their clothing.

They were taken to Kernville Community Hospital for treatment of severe burns.

The fire crews included 200 Arizona Indians. Six borate tanker planes, two helicopters and three bulldozers were being used by fire-fighters.

Five other lightning-caused blazes were controlled elsewhere in the Sequoia forest after blackening a small acreage. Two lightning strikes were discovered northward in the Sierra National Forest and controlled quickly.

On the Will Rogers Jr. Ranch east of Bakersfield yesterday, 104 fire-fighters controlled a fire that blackened 920 acres of heavy brush. Ranch houses were not damaged by the blaze which was believed to have been started from sparks from a private dump.

Thirty-five acres of brush and light timber were destroyed in the Oakhurst area of Madera County. Cause of the blaze was not determined.

Mrs. Norman B. Livermore announced today formation of a Pt. Reyes National Seashore Foundation to foster establishment of a national recreation area on the Pt. Reyes peninsula.

Mrs. Livermore is acting as chairman pro tempore until the group chooses permanent officers.

First action of the foundation was a letter to Rep. Clement W. Miller approving the introduction of bills in House and Senate to authorize the secretary of the interior to establish the Pt. Reyes National Seashore area. Mrs. Livermore said introduction of the bill is necessary to assure that the Pt. Reyes proposal will be in a position to be considered for federal appropriation should studies indicate it to be economically sound and otherwise feasible.

Bills authorizing appropriation of 15 million dollars for three as-yet-unnamed seashore parks have already been introduced in Congress. Specific bills authorizing consideration of four other seashore areas—Cape Cod, Indiana Dunes, Oregon Dunes and Padre Island—have also been introduced. Bills by Congressman Miller and Sen. Clair M. Engle would put Pt. Reyes on a par with the others to be given consideration later, she explained.

Mrs. Livermore emphasized that members of the foundation are heartily in favor of the economic and feasibility study, for which $15,000 was recently appropriated by Congress, and expect to be guided by its results. But they feel that while this study is being conducted all avenues to the ultimate securing of the Pt. Reyes seashore area should be kept open.

Founding members include Mrs. Ward H. Austin, Larkspur; Mr. and Mrs. B. K. Dunshee, Ross; Mrs. William Eastman, Inverness; E. Huguenin, Inverness; Mrs. Bruce Johnstone, Inverness; Mrs. Russell Merret, Kentfield; Ray Randall, Inverness; Lothar Salin, San Rafael, and Hurford Sharon, Bolinas. Mrs. Eastman is secretary pro tempore of the group.

# Terra Linda Bond Foes To Organize

A campaign of opposition to the proposal for a $350,000 Terra Linda park and recreation bond issue will be organized at a meeting Wednesday night, Mrs. Edward Wills, Terra Linda civic leader, reported today.

The meeting, of about 20 to 25 persons who will form a committee to oppose the bonds, will be held at the Wills home at 705 Monticillo road at 8 p.m.

**ANTI-ANNEXATION**

It may also start a counter-campaign for annexation of Terra Linda to San Rafael, Mrs. Wills indicated. Dan E. Anderson, San Rafael city manager, has been invited to address the meeting.

The Terra Linda Community Services District has announced plans for an election on authorization of a $350,000 bond issue to provide a community swimming pool, youngsters' wading pool, play areas, a turf field, tennis courts and a new community building. Date for the election is to be set at a Community Services District board meeting on July 21.

Mrs. Wills said she is opposing the bond issue because: (1) "It is far too ambitious a plan for only 1,000 families." (2) The community services district board "has been evasive — they haven't given us any facts and figures."

**SECOND SCHOOL**

(3) Construction of San Rafael's second high school adjoining Terra Linda will make available facilities which will make some of the proposals of the community services district unnecessary.

The possibility of annexation to San Rafael was broached last year at a mass meeting in Terra Linda at which Mayor John F. McInnis of San Rafael was speaker. At that time, the mayor told the Terra Lindans the city would not be interested in annexing the subdivision until "you solve your problems."

No. 1 problem, he indicated, was the Terra Linda ditch, an open drainage ditch which had broken down and was not properly functioning. Since then, the ditch problem has been corrected.

TO RECRUIT — Capt. Alice C. Stockton, WAC recruiting officer for this area, will be in San Rafael at 9:30 a.m. Thursday at the Army recruiting station at Room 27, 819 A street, to interview women interested in a career in the WAC. Women 18 years old or older are eligible.

# Repeat Drug Offenders Face Stiff Penalty

SACRAMENTO (UPI) — Narcotics offenders with previous records face rough treatment in California courts.

Gov. Edmund G. Brown signed a bill this weekend which provides that judges may not dismiss prior convictions in narcotics cases except on motion of the district attorney.

The bill, by Assemblyman Bruce F. Allen (R-Los Gatos), arose from a study by a joint legislative committee on the administration of justice.

**IGNORE PENALTIES**

The committee found that some courts, particularly in Los Angeles County, had ignored mandatory penalties in narcotics cases by dismissing prior convictions.

Allen's bill provides these scale of penalties:

1. Possession calls for up to one year in county jail, or one to 10 years in state prison. With a prior conviction, there is a state prison penalty of two to 20 years.

2. Narcotics sales call for up to one year in county jail or five years to life in state prison. With a prior conviction, there is a state prison penalty of 10 years to life.

No person with a prior conviction is eligible for probation or for a suspended sentence.

Other bills signed by the governor will: Provide that school board members serve four-year terms and that school board elections be held biennially.

Requires an audit by the state Department of Finance or a qualified public accountant of all state college auxiliary funds or funds using the name of the college.

Permit state and local authorities to place signs directing slow-moving traffic to use right-hand traffic lanes.

# Rabies Clinic Tonight At Santa Venetia

Fifth in the series of rabies vaccination clinics being held by the Marin County Health Department will be from 7 to 9 o'clock tonight at the Santa Venetia School.

Charge for vaccination is $1.75 per dog. Only dogs will be vaccinated at the clinics.

Marin County has been designated a rabies area, and vaccination is required before a dog can be licensed. The rabies alarm has been increased in recent weeks by discovery of rabies in three bats in San Rafael.

Dr. Carolyn B. Albrecht, county health officer, said today that residents are delivering bats to the county health office at the rate of two or three per day. No more bats with rabies have yet been discovered, however, she reported.

# Reed School Budget Calls For Tax Cut

Reed Union School district trustees, in a special budget meeting Saturday, set a tentative operating budget for fiscal 1959-60 that calls for a five-cent reduction in the tax rate, according to Administrative Asst. Lloyd R. O'Connor.

The new rate is expected to be $2.05 per $100 of assessed valuation for the total budget of $521,000. The present tax rate is $2.10.

Final public hearing on the budget will be held Aug. 4, O'Connor said.

Trustees granted an additional salary increase of $100 per year for all teachers in the district. Previously, trustees had authorized a $100 increase. The $200 total represents a 4 per cent salary increase which had been requested by the teachers association salary committee, O'Connor said.

The tax rate for bond redemption and other restricted funds has not yet been set, O'Connor said. He reported the $28,000 reserve fund was $5,000 more than last year's to allow for additional transportation if necessary.

Trustees decided to support the Junior Museum of Marin at a rate of 10 cents per child for a total of $108, and to allocate an additional $2,000 for in-service teacher training.

The scheduled board meetings for tomorrow night and July 28 have been cancelled because vacations, O'Connor said.

# Folk Dance Festival Draws 1,000 Here

Lacy petticoats swirled and polished bopts stamped through an afternoon and evening yesterday at the College of Marin during the California Folk Dance Festival.

The annual event drew about 1,000 persons throughout the day. The dancers did their fancy steps on the football field during the afternoon, and moved into the gymnasium during the evening.

Highlight of evening dancing were the exhibitions which included the native dances of Scotland, Hungary, Yugoslavia, Poland and Russia.

From 1:30 to 5 p.m. there mostly was dancing for fun, with various native dances performed by anyone who wished to join. Among dancers clad in the lederhosen of Germany were grandmothers and truck drivers in house dresses and dungarees.

Each tip (or section of dances) was followed by squares in which everyone joined.

Also in the afternoon, children from 7 to 11 years old, all members of the Marin Junior Dancers, gave an exhibition of Italian dancing. There were 34 dancers in this section. Another afternoon exhibition was of Israeli dancing by the Rikudom group.

In the evening there was a reel, and an ancient step dance of Scotland, a dance the originated in the vicinity of Warsaw, and one from Russia in which village girls used their womanly wiles to get traveling salesmen to dance with them.

According to Mrs. Scott Tilden of San Rafael, wife of the chairman of the festival, all costumes were authentic — many of them copied from pictures in National Georgraphic Magazine.

One dance revealed a cascade of petticoats—15 of them under each dancer's skirt.

Dancing was to recorded music, and in the case of square dances, with the aid of callers.

## WET BLANKET HITS PARTY ON WARSHIP

ALAMEDA (AP) — The cavernous hangar deck of the aircraft carried Midway was the scene of a reception and farewell party last night for 130 reserve midshipmen about to leave on a 30-day training cruise.

All went well until someone turned on the hangar deck's sprinkler system.

Some of the midshipmen, some of the girls and some of the brass got wet.

"Nobody's in the brig yet," said a spokesman, "but the investigation certainly will continue."

## 'FIRE' CALL

# Plumber's A Loyal Man To Family

Carl Osterlye, 35-year-old Larkspur plumber, is a man with strong family loyalty.

At 6:03 p.m. yesterday, 16 Corte Madera volunteer firemen raced to the firehouse to find Osterlye, carrying a baseball bat, standing by the alarm box.

He told Chief Frank L. Nelson that he wanted a policeman to accompany him to his sister's home in San Francisco for her protection, and pulled the alarm when he found the police office was locked. The chief contacted San Francisco police for the distraught brother. The sister, near hysterics, was afraid her husband was going to beat her.

Upshot of the emergency: When Osterlye arrived at his sister's home he found her alone and unharmed. When the husband returned, "Everything was patched up," said Osterlye's wife today. The Osterlye home is at 15 Liberty street, Larkspur.

# Brown Wouldn't Turn Down Demo Presidential Nod

LOS ANGELES (UPI) — Gov. Edmund G. Brown says he has no special presidential aspirations, but would not turn down the Democratic nomination if it were offered him.

Appearing on a television panel show yesterday, the governor emphasized he was not campaigning for the nomination.

"No man could turn down the presidency of the United States," Brown said. "If tendered to me, I would take it and do everything I could to make a good candidate and good president."

Brown said he was not interested in the vice presidency.

"I much prefer to fulfill my job in California — it's only begun," he said. "I feel that the governor of this state has more problems than any other state. It's a big job. I would prefer that to being vice president."

# Girl Arrested After Chase

A 16-year-old Mill Valley girl was arrested early yesterday morning after her speeding car forced a deputy sheriff's auto off the road.

Deputy Sheriff W. R. Bradford reported he was forced off the road at 4 a.m. at Highway 1 and Miller avenue at Dolan's Corners.

He said he turned around to chase the car and it picked up speed, traveling at times at 70 miles an hour.

Bradford finally stopped the car on Highway 1 nearthe Fireside restaurant.

He cited the girl for speeding, ignoring a stop sign and failure to heed the patrol car's red light and siren.

# San Rafael Man Hurt In Collision

John Charles Mallon, 19, of 31 Hillview avenue, San Rafael, was hospitalized with painful cuts on his forehead and nose after a two-car crash about 8 a.m. today on Francisco boulevard in San Rafael.

Mallon, who works for Hess Lumber Co., was held for treatment at San Rafael General Hospital.

Officer Richard Camper of San Rafael police said the driver of the other car, Kenneth Edwin Taylor, 50, a contractor living at 13 Mohave court, Corte Madera, would be cited for making a left turn without yielding to the oncoming car.

Mallon was headed east on Francisco boulevard near McPhail's Concrete and Gravel Co. when the other car turned left in front of his.

In another mishap about 10:40 last night, a 17-year-old Terra Linda girl suffered cuts on the lower lip and other bruises wher her car plowed into a parked car on Rafael drive.

Carol Robertson of 206 Orris Terrace, Terra Linda, was discharged from San Rafael General Hospital after treatment.

Officer A. M. Newman said the girl's car crashed into a parked car owned by George Albert Clark of 117 Rafael drive, San Rafael. Miss Robertson's car went across the center line and hit Clark's vehicle, registered to West Coast Beauty Supply Co.

She told police she must have blacked out or looked the other way. All she remembers is the crash.

# Safe Resists Burglary Try

A clumsy safe burglar broke into Brands Ranch Wagon north of Richardson Bay Bridge this morning but failed to get any loot, either in liquor or cash.

Chief Criminal Deputy Ellis Seibert of the sheriff's office said the thief had pried at a floor safe in the bar room without success. About $500 was inside the safe.

About 6 a.m. Isadore Judson, who operates Judson's Janitorial Service, found the side entrance broken and called the sheriff. Seibert said the all night light had been unscrewed and the screen cut for entry.

Max Horowitz of San Francisco, owner of the restaurant, said the place had been closed about midnight last night.

# Aynesworth Now Brigadier General

The husband of the former Marian Heckscher, daughter of Mrs. R. V. Heckscher of 245 Crescent road, San Anselmo, has been promoted to brigadier general in the U. S. Air Force by President Eisenhower.

General Horace D. Aynesworth, a native of Texas, is deputy commander of field command for the Defense Atomic Support Agency headquartered at Sandia Air Force Base, Albuquerque, N. M.

The Aynesworths were married in 1940 and reside with their two sons on Sandia Base.

# San Rafael School Board Will Meet

The San Rafael Board of Education will consider names for the district's scheduled new high school at Terra Linda tomorrow.

The board will meet at 7:30 p.m. at district offices at 215 Mission avenue, San Rafael.

Other business scheduled includes:

Opening of bids for re-roofing of the San Rafael High School shop buildings and auditorium, awarding of locker bids, appointment of a new elementary school principal and consideration of a teachers' handbook.

# 6 Marinites In Drama Workshop

Six persons form Marin are participating in the San Francisco State College drama department's sixth annual workshop for high school students.

Training in acting, stagecraft, body movement and lighting are David Arrow and Lorin Vogel of Belveder, Merrilee White of Sausalito and David Hoag, Lisa Mibach and Elizabeth Risley of Mill Valley.

# Brown Uninjured In Auto Crash

LOS ANGELES (UPI) — Gov. Edmund G. Brown and two of his aides escaped injury when the governor's automobile was struck by another vehicle here yesterday.

The governor's driver, California Highway Patrolman Willard Barnett, was taken to Central Receiving Hospital with contusions and abrasions on his left hip.

The driver of the car which collided with Brown's was identified as Elroy Duran, 30, of Los Angeles. He suffered a bloody nose. His passenger, Judy Rivers, 19, was uninjured.

## Big Project

EDMONTON, Canada (AP)—A 16-foot cabin cruiser built by retarded children at the Provincial Training School at Red Deer was displayed here. The boat is valued at $3,000.

## Alaska Has 1 Rabbi

ANCHORAGE, Alaska (AP) — Alaska has only one rabbi. He is Lt. Joshua Wachtfogel, 24, of Philadelphia, the Jewish chaplain at Elmendorf Air Force Base in Anchorage. He conducts services at the base for civilians as well as military personnel.

# Fairfax Council To Study Budget

The Fairfax City Council will meet at 8 o'clock tonight to consider a 1959-60 city budget and to sit as a board of equalization.

The proposed budget totals $179,702, compared with a 1958-59 budget of $178,009. Last year's general tax rate was $1 per $100 assessed valuation plus a 10 cent park tax.

Tonight's meeting will be held in the council chambers, 18 Bank street, Fairfax.

# Hi-Fi Equipment Theft Reported

George L. Crittenden of Irvington, owner of a two-story frame house on Spring road in Lagunitas, has reported the theft of more than $250 in hi-fi equipment from the house.

He told the sheriff's office that sometime between Friday night and Saturday morning someone pried open a window and took the equipment which had been installed in built-in cabinet.

# 6 Teeners Arrested While Burglarizing Pool Canteen

Six teen-agers were arrested and placed in juvenile hall yesterday after they were caught in the act of burglary of the canteen at the Tamalpais High School swimming pool.

The sheriff's office said the boys, ranging in ages from 14 to 16, were caught by Charles Crawford of 28 Locust street, Mill Valley. Crawford, a swimming instructor, told sheriff's deputies he saw the boys break a window and enter.

Crawford and Vic Rowen of 129 Crespi drive, Mill Valley, collared the boys and called for an officer.

The sheriff's office said the boys earlier reportedly had beaten up two youngsters at the pool, and then fled when a sheriff's deputy arrived.

The officer said Crawford could see the canteen from his post at the pool, and recognized them as the boys believed involved in the beating.

They were caught in the act of stealing cigarettes and candy, the sheriff's office said.

When the six were taken to the sheriff's office one of them ran away. He turned himself in about 9 p.m., about two hours after the six had been arrested.

Four of the boys are from Marin City, one from Tamalpais Valley and the sixth from San Francisco.

# It's Sad Sam Vs. Spahn Tonight

MILWAUKEE (UPI)—Sad Sam Jones, (12-8), who along with Johnny Antonelli (13-4), comprises the winningest one-two pitching punch in major league baseball, goes after his 13th win against the Milwaukee Braves tonight.

Jones will be out to square the two-game series with the third place Braves who defeated the league leading Giants yesterday, 4-2. Warren Spahn (10-9) is Milwaukee Manager Fred Haney's mound choice.

The toothpick-chomping Jones defeated the Braves 4-3 in 10 innings the last time he faced them.

Lou Burdette continued his amazing pitching mastery over the Giants in yesterday's contest. It was his 14th victory over them in 15 decisions since 1954.

Two mistakes cost the Giants and Jack Sanford the ball game. Sanford failed to field a bunt in the third inning by Burdette after Johnny O'Brien had singled with one out. Sanford got Bill Bruton to fly out for the second out and what should have been the end of the inning. Then with the count 1-1 on Eddie Mathews, Sanford tried to fire a high inside fast ball past the left handed belter from Southern California. Mathews socked it deep into the rightfield stands to give the Braves a 3-0 lead.

Jackie Brandt unloaded a two-run homer in the fifth to put the Giants back in contention. But they could not rally until the ninth and then it was not enough.

With two down in the ninth and the Giants trailing 4-2, Orlando Cepeda and Daryl Spencer singled. This brought up Brandt, but Burdette got him on a grounder to short to end the game.

## San Anselmo Gets 6th Straight Win

Bobby DeRosa pitched and batted the San Anselmo Ongaro Plumbers to a 15-4 romp over the Petaluma Leghorns yesterday in a semi-pro game at Petaluma.

DeRosa got four hits in five times at bat in hurting his team to its sixth straight win without a defeat. Bob has won all six.

The game was scoreless duel between DeRosa and Petaluma southpaw Jerry Eilers until the fifth inning, when two singles, a squeeze bunt, and a three-run homerun by John Boccabella put the Plumber ahead for keeps.

San Anselmo scored in every inning thereafter, topping it off with another four-run rally in the ninth. Don McGinnis's homer, a 375-foot blast with two men on base, was the big blow.

Besides DeRosa, Lou Campredon with three for four, and John Boccabella, three for six, led the Plumbers at the plate.

Next week Manager Dom Boccabella's team will put its perfect record on the line against San Quentin, at the prison.

## Cal Aggies Track Coach Dies At 62

DAVIS (AP) — Private funeral services were held today for Eugene S. "Woody" Wilson, popular Cal Aggies track coach.

Wilson, track coach at the Davis campus for 32 years, died Saturday of a heart attack at his summer home in the Sierra. He was 62.

He founded the Davis Picnic, a track meet for Northern California high schools, shortly after his appointment at Davis in 1927. He was a graduate of Texas A&M, where he starred in football.

Survivors include the widow, Bernice, a son, James, and a daughter, Mrs. Eugenia Willett.

## Sports Shop Leads S.R. Little League

Taveggia - Brusati Sports Shop team opened up a two-game lead in the San Rafael American Little League Friday night with a 3-0 victory over the Kiwanis Club. That gave the league-leaders a 4-0 won-lost record while three teams —Cerutti Brothers, Fire Department and Kiwanis — each has a 2-2 mark. The Elks are in the cellar, winless in four outings.

## Tiburon Bows In 14 Frames

Tiburon Pelicans went 14 innings yesterday before dropping a tough 7-4 decision to the Lewis Stores team of Oakland. Fred Thurman pitched all the way for the Pels, an unearned run in the first inning costing him the victory in regulation time.

Thurman drove in all four Tiburon runs with a sacrifice fly, a double and a walk.

Lewis Stores put together five hits good for four runs in the 14th to break a 3-3 tie. Tiburon loaded the bases in the bottom half of the inning, and got one run across on the walk to Thurman, but Eddie Vigno flied out to right field to end the game.

## Brown To Pocket Veto Bill On Chavez Ravine

SACRAMENTO (UPI) — Gov. Edmund G. Brown intends to pocket veto a bill that arose from the controversial sale of Chavez Ravine property to the Los Angeles Dodgers.

The bill, by Assemblyman John L. E. Collier (R-Los Angeles), would have prohibited state agencies from transferring land to other public agencies unless the property were used only for public purposes.

The Governor said this weekend that Collier's bill did not confine itself to the Chavez Ravine situation and "its overall effect would be damaging to the urban redevelopment program in California."

## Hurry, Kids! Marin Tennis Deadline Near

HURRY! Get those entries in! The deadline is tomorrow at 5 p.m. for you to enter the Marin Junior Tennis Tournament, which gets under way this Friday and Saturday, and continues through the following Saturday. The annual tournament is co-sponsored by The Independent-Journal and the San Rafael Park and Recreation Department.

Director Joe Rodota has been receiving a flood of entries in the past few days, and expects that it will reach its climax tomorrow as youngsters all over the county rush to get in on the fun. He says that he has received entries from most of last year's champions, who wish to try to add more trophies to their showcases. The trophies, provided by The Independent-Journal, go to the winner and runnerup in each division.

**AGE GROUPS**

There are six age groups for both the boys and the girls. These include the under 18 age division, under 15, under 13 and under 11 in singles, and doubles for those in the under 18 and 15 age groups.

The seeding committee will rank the contestants and allot times tomorrow evening. Most of those seeded high will draw byes Friday, Rodota said, and the younger players will get early starting times. Members of the seeding committee include Rodota, Hal Wagner, Bob Lincoln, Art Morris and Herb Witt.

Entry blanks for the tournament may be picked up at Rodota's office at Albert Field. Entries also can be made by telephoning the San Rafael Recreation Department.

## Castellani Plans No Changes For Minneapolis Club

MINNEAPOLIS (AP) — Johnny Castellani, ex-Seattle University mentor plans no startling changes as the new Minneapolis Laker basketball coach.

Specifically, he has no intention of experimenting with the NBA rookie of the year, Elgin Baylor. Castellani coached Baylor at Seattle.

"Why try anything different with Baylor?" he said. "I'm just happy that we're back together."

In naming the 32-year-old former Notre Damer, the Lakers apparently operated on the theory that any friend of Baylor's is a friend of the Lakers. Together, they carried Seattle to the finals of the NCAA tournament in 1958.

The next season Baylor took the National Basketball Assn. by storm, boosting the Lakers into the Western Division playoff title.

Castellani succeeded Johnny Kundla — now University of Minnesota coach.

## Four Racing Fans Hurt In Accident

AMARILLO, Tex. (AP) — A racing car climbed a barrier and plunged among spectators at a local track yesterday, injuring four of them.

The driver, Charles Sample, 29, of Amarillo, was not injured.

Sample said his right front tire blew on a turn. The car jumped a barrier, dove through a wire fence and plowed into the crowd before hitting a parked car.

## Bucs' Face Threat To Hubbell Record

By ASSOCIATED PRESS

The consecutive game-winning records of Rube Marquard and Carl Hubell, which have withstood the assaults of such Goliaths of the mound as Walter Johnson, Lefty Grove, Bob Feller and DizzyDean, were challenged today by a modern David. He is 5-foot, 7-inch Elroy Face of the Pittsburgh Pirates.

Face, who uses a baffling fork ball as his sling shot, came within five victories of equalling both marks yesterday when he won his 14th straight game this year and his 19th in a row over a two-year span. The 155-pound relief artist is unbeaten this year. He hasn't lost since May 30, 1958.

Marquard established a record of 19 consecutive victories with the New York Giants in 1912. No other 20th century pitcher has won more than 16 straight in one season. Hubbell, one of the six major leaguers who reached 16 in one season, holds the two-year record with 24 in a row. He set that record with the Giants in 1936-37.

The 31-year-old Face worked in both games yesterday as Pittsburgh defeated the St. Louis Cardinals 6-5 in the opener and led 5-4 in the ninth when the nightcap was halted because of the Pennsylvania 7 p.m. curfew law. It will be completed Aug. 19.

Milwaukee's Braves defeated San Francisco 4-2 to move within a game and a half of the league leading Giants. San Francisco retained its one-game margin over Los Angeles, which bowed to Cincinnati 4-3. Chicago split with Philadelphia, the Cubs winning the first game 7-6 and the Phillies taking the second 4-1.

**HADDIX RESCUED**

Face rescued Harvey Haddix in the eighth inning of the first game. He yielded the tying run in the ninth, but was credited with the victory when Roberto Clemente singled with the bases full. He was called upon again in the second game to protect a 5-4 lead in the ninth. The Cards had a runner on first and none out. The little right-hander fanned pinch hitter George Crowe. Before Elroy could pitch again, the clock struck seven and halted proceedings.

The two appearances were the 34th and 35th of the year for Face, who worked in 68, 59 and 57 games respectively, in the three previous campaigns. Besides his 14 victories, Face has saved nine others for Pittsburgh and has been chiefly responsible for the Pirates' 12 victories in 13 overtime games.

Gus Bell's ninth inning single scored Johnny Temple with the run that gave the Reds their first victory under their new manager, Freddy Hutchinson. Cincinnati had lost six straight, three under Hutchinson. Bob Purkey hurled a five-hitter against the Dodgers for his eighth victory. Home runs by Vada Pinson, Ed Bailey and Frank Robinson accounted for the first three runs.

Earl Averill sparked a seven-run fourth inning for the Cubs with a three-run homer against Jack Meyer of the Phillies. Ray Semproch gave the Phils a split by hurling a four-hitter in the nightcap. Ed Bouchee's homer, his second of the day, was the decisive blow in a four-run first inning.

## Women's Western Golf Champion Won't Turn Pro

CHICAGO (UPI) — The golfing girls who take pride in their powerful tee shots today can welcome a 20-year-old coed who belts the ball out of sight with ease and regards golf "as just a game."

She's Jo Anne Gunderson, a physical ed major at Arizona State and a resident of Seattle, Wash., who captured the Women's Western Amateur Golf Championship Saturday at Exmoor Country Club.

Miss Gunderson, a five-foot seven-inch strawberry blonde of 145 pounds, outdrove each of her five opponents by margins of from 40 to 100 yards, rivaling the shots of Mickey Wright or Betty Dodd, regarded as the longest hitters in the women's pro circuit.

Jo Anne, a former National Amateur queen, won the title by defeating Marjorie Lindsay of Decatur, Ill., 6 and 4 in the scheduled 36-hole match.

But despite an excellent chance to earn a good living at the game, Jo Anne has made up her mind to remain an amateur.

"I'll never turn pro, the life is too rough," she said.

"By the time summer ends, I get tired of golf. I'd just hate to have to earn my living at it."

## Burnell Captures Injun Valley Golf

Harold Burnell netted a 67 to win the Indian Valley Golf Club's medal sweepstakes yesterday, two strokes under three men who tied for runner-up honors at 69. They were Max Miller, Byron Dickson and Lou Baysinger.

## WEEKEND FIGHTS

LOS ANGELES — Danny Kid, 117, Philippines, outpointed Dwight Hawkins, 117½, Los Angeles (12).

ARUBA, B.W.I. — Sugar Boy Nando, Aruba, stopped Charlie Cotton, Toledo, Ohio, 1:26 of ninth round. (Weights unavailable.)

HAVANA—Angel Garcia, 132½, Havana, outpointed Tommy Tibbs, 131, Boston (10).

CHARLEROI, Pa.—Bobby Gordon, 159, Charleroi, knocked out Tony Baldoni, 191½, Wilkes-Barre, Pa. (2).

## Vagrant Leads Chase

PROVIDENCE, R. I. (AP) —The vagrant led police quite a chase after he was spotted in a room at the Maple Hotel.

Later he was captured in another room by police who took no chances. They slipped a noose around his neck.

The raccoon was locked in a clothes hamper until officials decided what to do with it.

## S.F. Team Laces Mill Valley, 22-7

The George Anthony Ross team of San Francisco laced the Mill Valley Merchants, 22-7 yesterday, in a semi-pro baseball game (yes, baseball!) at Mill Valley.

Ross pitcher Hal Petroni held the Merchants hitless for seven innings, while his teammates, taking advantage of the depleted roster of the Merchants, took a 10-0 lead after three innings and coasted to the win.

Mill Valley got all of its five hits and seven runs in the eighth inning as Petroni weakened. Catcher Pete Peterson cracked a single and a double in the frame.

## Fighter Plunges Off Ring In Training Mishap

LOS ANGELES (AP)—Johnny Busso, the fourth-ranked lightweight contender, went through the ropes and landed flat on his back during a sparring session yesterday.

The New York fighter moved sideways to avoid a punch while sparring with George Barry at Olympic Auditorium. He slipped and toppled backward. He went through the ropes, bounced off the ring apron and landed on the floor. X-rays showed no broken bones.

## Echo Only Bay Area Hope In Trans-Pac

By ALFRED MATSON

The six entries from the Bay Area in the Trans-Pacific yacht race to Honolulu, with the exception of the Echo, apparently will not garner any of the coveted trophies. The Echo, however, was leading, handicap wise, in Division D, according to the latest report. The Good News, a proven gold plater and comparable to the Chubasco, now in pirst position, is well down in the listings, better than 100 miles off the pace, a situation that has the local sailing clan in a state of wonderment.

The 45-foot yawl Cloud Nine, owned by William Burnett, San Diego, was completely dismasted some 1100 miles from Honolulu. The cutter Dexter was 250 miles away at the time, but picked up her distress signal and now has the vessel under tow. According to the crew, none of whom was injured, the main mast suddenly "exploded", disintigrating from deck to truck. The mizzen mast also carried away under the strain of the stay to the main mast.

**YESTERDAY,** the IC'S were out for the second race of the Jake Woesser series. The course took them into the upper bay and the winds were quite heavy in that area. So much so that, on the run, the boom on Jack Quinn's Bantry was broken. Despite that horrendous handicap, they still were able to finish in third position. The race was won by John Ford in the Norena with Jake Woesser in second place.

**DUE TO A** bit of misinformation, this column reported that the perpetual Cup Race would be held next Sunday. Nyet, nyet. It will be a week from next Saturday, with a 12 noon start, off the St. Francis Yacht Club.

**THE STARS** also engaged in a bit of racing over the weekend; a double feature with contests on both Saturday and Sunday in the inter-fleet series. Both days, ideal conditions existed for Star boat racing in Richardson Bay. In Saturday's hassle, Al Nelsom edged his Linus into an early lead and stayed there, followed by the Mitchell boys in which Star II and the Ouila of John Scarborough made it home in the third spot. Sunday's event featured the return to winning ways of John Rumsey's Hustler and the consistent Mitchells, Punk and Kim, again figuring in the money. But this time in the third spot behind Scarborough.

## Millers Play All-Stars

MINNEAPOLIS (AP)—The Minneapolis Millers, season-long top guns in the American Assn., face the class of the league's nine other clubs tonight in the 16th annual All-Star game.

A Metropolitan Stadium crowd of 10,000 to 15,000 was expected for the fifth All-Star game in Minneapolis.

## *CHUBASCO HAS SLIM LEAD IN HAWAII RACE*

HONOLULU (AP) — Steady trade winds gave three boats a chance at victory today in the Trans-Pacific Yacht Race.

Arnold Haskell's Chubasco was leading in both the actual and handicap positions in the last Coast Guard radio reports.

But Miss Sally Blair Ames' Constellation was just 10 miles off the pace and John Graham's yawl Maruffa, a Seattle yacht, was coming up at a fast clip.

## Rams Open Special Camp For Matson And 27 Rookies

LOS ANGELES (AP) —A contigent of 27 rookies, plus veteran fullback Ollie Matson and quarterback Frank Ryan, will report to the Los Angeles Rams training camp Thursday.

Matson, obtained from the Chicago Cardinals in a startling trade last winter, asked to report early to familiarize himself with the Ram system. The camp is at the University of Redlands.

Ryan, a 1958 rookie, will help in the opening offensive drills.

The remaining 30 veterans are due July 24.

Among the rookies due are several who will go on to perform in the College All-Star game at Chicago Aug. 14. Included are quarterback Buddy Humphrey of Baylor, ends Sam Williams of Michigan State and Tom Franckhauser of Purdue, and linebacker Bob Reifsnyder of Navy.

## Hillsdale Owner Won't Duck Match Against Round Table

INGLEWOOD (UPI) — Hillsdale, who has done everything asked of him including an amazing victory Saturday in the $162,100 Gold Cup, today was nominated for the $100,000 Sunset Handicap which brings the Hollywood Park meeting to a close July 22.

Owner C. W. Smith confirmed he had nominated his four-year-old star for the mile and five-eighth race, but whether the horse will stay for the race or even await the assignment of weights Friday was to be decided today or tomorrow by his stable.

Smith said he definitely was taking Hillsdale east either immediately or at the end of the meeting. And he said the colt might be campaigned in the mid-west and east depending on the stakes to be run.

Smith, whose goal is to have Hillsdale named "Horse of the Year," said he would not duck a race with Round Table whether in a stakes or match race but he wanted to have conditions fair to both horses.

The Gold Cup victory was one of Hillsdale's greatest of the eight victories he has scored this year. The Indiana-bred colt was blocked going into the stretch, forced to drop back to fourth and then came on to win by a length from Find with Terrang third and Day Court fourth.

The owner disclosed that Jockey Tommy Barrow and he had discussed for hours what to do in case the horse got boxed off and the rider remembered to come to the outside for the drive which paid off for the big win, worth a net $100,000 to increase Hillsdale's earnings for the year to $432,500.

# Colavito In Strong Bid For HR Title

By ASSOCIATED PRESS

Look out Harmon Killebrew. Forget about Babe Ruth's home run record for the time being. The guy to watch right now is Rocky Colavito.

The Bronx-born slugger of the Cleveland Indians closed within two of Killebrew's major league home run lead by banging his 27th and 28th of the year yesterday.

The pair of four-baggers, Colavito's fourth since the All-Star break, helped the Indians gain an uphill victory over Detroit and a split in their doubleheader. The Indians won the second game 8-4 after losing the opener 6-2.

The split left Cleveland with a one-game advantage over Chicago's White Sox, who swept a double-header from Kansas City 5-2 and 9-7. Baltimore's third place Orioles defated Washington 5-1 and Boston made it four in a row over New York with a 7-3 triumph.

In the National League, Milwaukee whipped San Francisco 4-2 and Cincinnati defeated Los Angeles 4-3. Pittsburgh edged St. Louis 6-5 in 10 innings of the first game of a doubleheader and led 5-4 in the ninth of a second game, halted by curfew. Philadelphia defeated Chicago 4-1 after the Cubs had won the opener 7-6.

**KILLEBREW HITLESS**

A Cleveland crowd of 54,727 saw Colavito smash two home runs in the second game, his second coming with two on in the sixth inning to overcome a 4-2 Detroit lead. Killebrew, whose 30 home runs in Washington's 83 games match the pace of Ruth when he slammed his record 60 in 1927, went hitless yesterday.

Colavito has 28 in 81 games. Last year, the Rock walloped 27 of his 41 homers after the All-Star break.

Rocky's four runs batted in helped relief pitcher Jim Perry gain his fourth victory in five decisions. The rookie righthander relieved starter Al Cicotte in the third and allowed no runs and four hits in 6⅓ innings. Paul Foytack, helped by Harvey Kuenn's two-run homer, won the opener for the Tigers with a six-hit performance.

Jackie Jensen drove in four runs with a home run and two doubles and relief pitcher Bill Monbouquette hurled five-hit ball through 6⅓ innings as the Red Sox won their sixth game in eight starts under their new manager, Billy Jurges. The defeat dropped the Yankees under the .500 mark again with a 41-42 record.

**WILHELM WINNER**

Hoyt Wilhelm finally won his 10th game. The knuckleball specialist, who lost four straight after winning his first nine games, hurled a four-hitter for the Orioles.

Billy Gardner and Joe Taylor homered off loser Russ Kemmerer and Baltimore outfielders Gene Woodling and Willie Tasby collected three hits apiece.

Rookie outfielder Jim McAnany hit bases-loaded triples in each game to lead the White Sox to their double victory over Kansas City. He capped a five-run first inning of the wallop off Bud Daley and duplicated the feat in the fifth inning of the second game to give the Sox a much-needed 9-0 lead.

The Athletics scored two runs in the sixth, three in the seventh and two more in the ninth to make the second game close. Bob Shaw was credited with his eighth victory against three defeats in the nightcap. Ray Moore won his second game in the opener.

## Coast Water Ski Championships Set At Clear Lake

Hundreds of acquatic sportsmen will converge on Lakeport, picturesque resort town in the heart of the Redwood Empire, to compete in the Pacific Ski Racing Championships on July 25-26.

Six events will be held on July 25. They are: races for girls, 12 years and under; boys, 12 years and under; girls, 15 years and under; boys, 15 years and younger; and two "hot" boat races.

Scheduled for July 26 is the Women's Open, eight laps; Men's Open, 20 laps; veterans, 30 years and over, six laps; and the unlimited boat race.

Milton H. Lange Sr., who organized the popular event in 1953, announced that all boats must participate in one ski race in order to enter the "hot" boat races.

The program of water events will start at 1 p.m. both days. Entry fee is $3, and registration for various events will be accepted at Library Park, Lakeport, from 10 a.m. to noon on July 25.

Water skiers, according to Lange, rate Clear Lake as one of the world's top location for the thrilling water sport because of weather conditions and ample room in which to navigate.

## Dawson-Taylor Team Wins Marin Match

The team of Johnny Dawson and Dr. Bud Taylor, representing southern California, downed Harvie Ward and Eli Bariteau Saturday by a 5 and 3 margin in their North-South exhibition match at the new Marin Golf Club.

Dawson and Taylor fired a seven-under-par best ball score of 65 while Ward and Bariteau were four under at 68. Individual scores showed Dawson set a competitive course record of 70 on the maximum 6,900-yard layout. He had six birdies, two bogies and a double bogey.

The match was a feature of the new club's open house week-end and will be an annual affair.

**FAST START**

The Southern team got off to a one up lead on the first hole with both players scoring birdies. They then proceeded to build up a lead by scoring five birdies on the first six holes.

Bariteau kept his Northern team in the race by birdieing the fifth, seventh and ninth holes. At this stage the South was 2 up, but Ward birdied the 10th to draw within one hole of the leaders. On the 11th hole Taylor's ball lodged in an oak tree for an unplayable lie. Dawson proceeded to dump his approach into a sand trap adjacent to the green and, when it appeared that the North would even the match, Dawson pulled out his magic sand wedge and exploded from the trap sending the ball 50 feet through the air on a beeline to the cup and holed out for a birdie three. This was the turning point of the match as Dawson applied the pressure by birdieing the 13th and 14th and closing out the match with a on the short 150 yard 15th hole.

The players continued to play out the round and on the long 530 yard 16th hole, into a slight breeze, Ward showed his championship caliber by hitting two tremendous wood shots and carying the center of the green, where he missed an eagle by inches. Both he and Bariteau made birdies.

Fred O'Bannon referred the match with George Splane, professional and Fred Ahnert, club official, acting as the rules committee. The scorers Mesdames Henry Helbig, Jack Hatchett, Jean Dolan and Ed Abramson. Robert Poeschl, vice-president of the Men's club, presented the prizes to the winners.

## AAU Swim Shows U. S. Strong For Olympics

LOS ALTOS (AP)—A smashing performance that set 2 world, 7 American and 11 AAU meet records also brought proof today that United States is growing stronger in swimming with the approach of the 1960 Olympic year.

Tomorrow, the two fellows who established fresh world standards—Frank McKinney in the 200-meter backstroke and Mike Troy in the 200-meter butterfly—head a 16-man team going to Japan for a big meet July 20-22 in Tokyo.

McKinney and Troy also helped the Indianapolis Athletic Club successfully defend its team title with 103 points. But it was 17-year-old Alan Somers, just out of Indianapolis Tech High School, who won individual high honors with 18 points.

Somers, who will join McKinney and Troy at Indiana University this fall, set American citizens' records in the 400 and 1,500-meter free-style races. His times were 4:30.6 for the former and 17:51.3 for the latter.

**McKinney, 20-year-old prelaw student, starred in last night's windup as he swam the 200-meter backstroke with seeming ease but timed in 2:17.9 to shatter Australian John Monckton's world record of 2:18.4.**

Troy, an 18-year-old, had established his world mark Saturday night with 2:16.4 in the 200-meter butterfly.

The Detroit A.C. 400-meter medley relay team brought an American citizens' record in the event with a 4:21.9 clocking.

Lance Larson, 19, of Los Angeles scored a double triumph in winning the 200-meter individual medley in 2:24.7 for an American record and the 100-meter butterfly in 1:01.1, a meet record.

## Paula Pope, Tobian Snare Dive Titles

SAN FRANCISCO (AP)—Mrs. Paula Jean Myers Pope and Gary Tobian, both of Los Angeles, turned in some of the prettiest plunges of their careers yesterday to retain their National AAU Diving Championships.

Mrs. Pope, who recently graduated from the University of Southern California, won her fourth straight outdoor title.

Tobian, a USC student who represents the Los Angeles AC, had to go to the final dive from the 10-meter tower before edging two opponents for his fifth consecutive crown with 463.10 points.

Tobian beat Bobby Webster of Sammy Lee Swim Club by only .90. Joe Gerlach of the Detroit A.C. finished third with 459.40.

Los Angeles girls won seven of the first eight places in the women's division. Kathleen Hartwig, of the Ann Arbor, Mich. Swim Club, took seventh.

Tobian qualified for a berth on the U.S. All-Star team that will compete against Japan later this month, but passed it up to concentrate on his studies. The All-Star spot was given to Don Harper of Cincinnati, the 3-meter springboard champ.

## MIDDLEWEIGHTS FEATURED ON TV THIS WEEK

By ASSOCIATED PRESS

Boxing champions are safe this week, anyway. There aren't any title fights on the program.

Old Archie Moore's light heavyweight title defense against Canada's Yvon Durelle was put back from July 15 to July 29 at Montreal. Instead of the return bout of this classic, television fight fans will get a middleweight 10-rounder between veterans Holly Mims and George Benton from Miami Beach, Fla., Wednesday night, ABC, 7 p. m.

Another middleweight fight — between Dick Tiger and Rory Calhoun— features the Friday night radio-television (NBC 7 p. m. PDT) scrap at Syracuse.

## Souchak Beats Palmer With Dramatic Rally

PITTSBURGH (AP) — Shed pounds and save strokes, says golfer Mike Souchak.

The 196-pound hard hitter from Grossinger, N. Y., says the fact that he has trimmed off 20 pounds in recent weeks was the big factor in his Western Open championship. He won it yesteday by a single pressure-packed putt on the 18th green on the Pittsburgh Field Club. Picking up the $5,000 check made the careful dieting well worth while, he observed.

Actually, the difference between winner and runnerup was more easily measured in inches.

Souchak putted accurately from four feet on the final green for a brilliant 65, five shots under par, a 72-hole total of 272.

His closest rival, Arnold Palmer of Ligonier, Pa., missed his putt from two feet and had to settle for a shaky 71 round that wiped out his lead at 54 holes and left him all alone in second place with 273 strokes.

The difference amounted to $2,500. Palmer got just half as much as Souchak.

The duel of the two fairway stars was a dramatic climax to a par shattering tournament which was, surprisingly, a substantial failure at the box office.

The course records were set at the Field Club, first at 65 and Friday at 63 strokes, the latter by Dutch Harrison of St. Louis.

Souchak and Palmer played together yesterday with Palmer holding a 5-shot edge at the first tee. Souchak caught up at the 11th, then they matched stroke for stroke with a birdie and five pars to the 220-yard uphill 18th.

Third money of $2,000 went to big George Bayer, from Lemont, Ill., who finished with 274, six under par and a stroke better than Ted Kroll, Sarasota, Fla., who won $1,500.

SPITTING ON A STONE?
Ever try spitting on a stone to ease pain? Sounds foolish, nowadays. But a long time ago folks actually used this "remedy." We're lucky to be living in this age of modern medicine. Medical science has given us many wonderful pain relievers and other reliable, effective drugs. However, it's still not wise to use *any* medication indiscriminately. When you don't feel up to par, ask your physician's advice first. Then, if he prescribes medication, come to us. We'll fill his prescription promptly and carefully.

### Argentina Arrests Six

BUENOS AIRES, Argentina (AP)—President Arturo Frondizi was plagued by a feud between high naval officers and navy secretary Adolfo Estevez.

Six captains were arrested last night after formally demanding the resignation of Rear Adm. Estevez.

Estevez and Frondizi met for an hour last night and an informed source said, "You can consider Estevez's resignation as made."

### Car Blast Kills Two

PLACERVILLE (AP) — Alfred Rex Fields, 53-year-old Placerville rancher and his 81-year-old mother, Hildegarde Fields, were killed near here yesterdey when their car was blown apart by an explosion.

A hole four feet across was blasted in the road.

Highway Patrolman William Emanuel said Fields operated a mine on weekends and was in the habit of carrying dynamite and black powder which could have been set off by a cigarette.

### Rugged Marine Hike

BARSTOW (UPI) — Two hundred and fifty Marines armed with 20,000 salt tablets set out tonight on a 175-mile hike from the scorching heat of Death Valley to snow-capped Mt. Whitney.

The 14-day march tabbed "Operation Hi-Lo" will be undertaken by members of the 1st Reconnaissance Battalion of the 1st Marine Division from Camp Pendleton, as a toughening up and training mission. The group will encounter 130-degree heat at 252 feet below sea level and temperatures of about 30 degrees at 14,496-foot peak of Mt. Whitney.

### Crash Kills Five

DURANGO, Colo. (UPI) — A plane crash killed Chicago pilot-industrialist Kenneth B. Ross and four passengers last night, but a 100-acre brush and forest fire has prevented search parties from bringing out their bodies.

Ross's plane, a twin-engine Beechcraft, smashed into an 8,000 foot mountain near Ignacio in southwestern Colorado.

### Missiles On Schedule

FT. RILEY, Kan. (AP) — The Army's missile program is ahead of schedule and is the strongest in the world, says Secretary of the Army Wilber Brucker.

Brucker, who flew in from Washington yesterday, also told a newsman:

"We believe the Nike missile system is the finest ground-to-air interceptor system to be developed."

### East Gets Rain

By U. P. International

Rain pattered down on widely-separated areas today, bringing smiles to farmers and frowns to children.

Scattered showers were reported from Nevada northeastward into extreme Montana, from the Southern and Central Plains northward into the Mississippi Valley and the Lake Superior area and in the New England area southward into Virginia.

### Signs Marriage Bill

SACRAMENTO (AP) — Once you make up your mind to get hitched, you'd better hustle.

Gov. Edmund G. Brown has signed into law a bill under which marriage licenses will expire if not used within 90 days.

The author, Sen. John A. Murdy Jr. (Santa Ana) says the measure plugs a loophole in the effectiveness of mandatory blood tests.

### China Misses Goal

TOKYO (AP) — China's Communist party has made plain the country did not reach the 525-million-ton grain production goal Premier Chou En-lai fixed for 1959. It hinted that Chou had set the mark too high. Severe floods in vast agricultural areas of south China have cut further into the prospective crop.

### Hollywood Fire Out

HOLLYWOOD (AP) — Confident that the brush fire has been completely controlled, the fire department has pulled its equipment and men out of the blackened Laurel Canyon area.

The department withdrew its 20 fire companies yesterday and public works crews moved into the hillside residential area to begin restoring services and clearing roads.

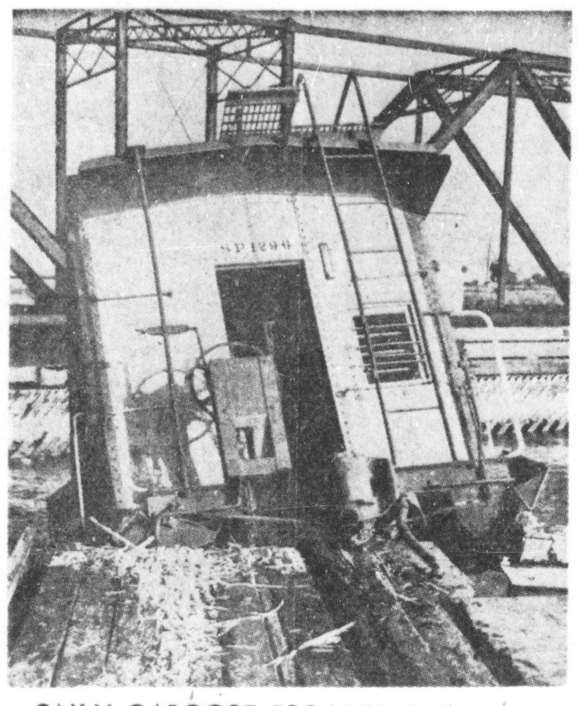
### Gunfire In Church

TULSA, Okla. (AP) — A burst of automatic gunfire broke the Sunday calm at the Tulsa Baptist Temple. One person was killed and three were wounded.

J. R. Swarb, a self-service laundry operator, threw down his .25 caliber automatic pistol when cornered by a traffic policeman.

Police Commissioner Robert L. Mawhinney said Swarb tried to kill his ex-wife's husband, Kenneth Starnes, 33. Instead he fatally wounded his ex-wife's mother, Viola M. Bridges, 49.

Starnes was critically wounded. His wife, Earlene Starnes, 31, was shot in a leg. Cornelia Bragg, 58, wife of the U. S. commissioner in Tulsa, was also wounded in a leg.



*ONLY CABOOSE ESCAPED DUNKING*

Anly the rear end of this Southern Pacific caboose remained out of the water after three locomotives ahead of it plunged into 35 feet of water in the Napa River yesterday at Napa. The 186-ton diesel locomotives went off a drawbridge, opened to allow a boat to pass. All five trainmen escaped injury. What happened? That's still a mystery, railroad officials said today. ## Girl Admits Setting Fire That Killed 7 Of Family

ELMIRA, N.Y. (AP)—Fifteen-year-old Jane Shusko admits setting the fire that killed seven members of her family, police say, but she doesn't know why.

"From her statement, the girl didn't appear to have been mad at anyone of the family, nor was she holding a grudge of any kind," said Police Captain J. William Maloney.

Jane's brother and six of her eight sisters died of asphyxiation in their second-floor bedrooms Saturday night.

Jane escaped with her mother, Lillian. Two other daughters were rescued by a neighbor. Michael Shusko, the father, was at work in a milk-processing plant.

## U. S. Reports New Honduras Revolt Quelled

WASHINGTON (AP) — The State Department reports that for the second time in two months the Honduran government has crushed an armed revolt led by the same man.

The department quoted the U.S. Embassy in Tegucigalpa as saying yesterday's revolt was short-lived but that there was heavy firing in the area around police headquarters in Tegucigalpa.

The embassy said government troops and police beat back the attack, launched with a few pieces of field artillery as well as rifles and pistols.

The reports named the leader of the revolt as Armando Veleasquez Cerrato, former army chief of staff, and said by agreement he was permitted to leave the Central American country again.

The Associated Press has received no direct word from Tegucigalpa since early last night. That dispatch, delayed some hours in transmission, said firing was continuing throughout the city but centered around the police headquarters, "which seems to be the center of the revolt."

The State Department received no information on the number of troops involved in the fighting, nor of the casualties.

## *KOZLOV ENDS VISIT WITH PEACE WISH*

NEW YORK, (UPI)—Russian First Deputy Premier Frol R. Kozlov left for home today with a parting wish of "peace and friendship" for the United States but still convinced, he said, that President Eisenhower's grandchildren will live to see a Communist America.

In a busy last day in the United States, Kozlov visited the Empire State building, the United Nations and a subway, held a press conference and paid a one-hour "courtesy call" on former New York Gov. and U.S. Ambassador to Moscow Averell Harriman.

## Replace Butler? Democrats Scoff

WASHINGTON (UPI) — Some influential Senate Democrats scoffed today at the suggestion that they are trying to replace Democratic National Chairman Paul M. Butler with one of their colleagues.

Butler said yesterday that his Democratic critics in Congress already have selected a "certain western senator" to supplant him. He forecast that any ouster move would fail. He refused to identify the senator.

## Big Crowd Periled Emergency Landing

NEW YORK (AP)— "Ignorance and confusion" ruled at Idlewild Airport while a crippled jet airliner with 113 persons aboard circled the field, the city fire commissioner charges.

Fire Commissioner Edward F. Cavanagh Jr. said yesterday that city firemen got little or no cooperation from Port of New York Authority personnel, who run the airport. Instead, they said, they encountered an arrogant attitude.

The Pan America World Airways plane, which dropped part of its landing gear just after taking off for London, circled the field for four hours before making a safe emergency landing early yesterday.

Austin J. Tobin, executive director of the Port Authority, responded hotly to Cavanagh's criticism. He said the fire commissioner had made an attempt "to besmirch a magnificent feat."

The rescue efforts were severely hampered by thrill seekers thronging to the airport by car and on foot.

Airport authorities said there were 50,000 of them, knocking over barriers, spilling onto the field, jamming roads so fire-equipment couldn't get through.

Meanwhile, Capt. Edward Sommers, the pilot, circle a mile up in the night sky, waiting to make an emergency landing.

He circled to burn up fuel and to give firemen time to spread anti-fire foam over the runway.

When Sommers finally brought the big jet lower and approached the runway, he saw the crowds and delayed landing. Later he was bitter, saying they were the "biggest menace" of the ordeal.

He said rescue equipment couldn't have reached the plane in time, and that there was danger that the big ship would go off the runway and kill hundreds of the spectators.

## 2 Teeners Admit Big Bank Theft

SAN DIEGO (AP)—Two Canadian teen-agers have admitted to police their theft of $71,529 from an Ottawa bank.

They said the idea came to them two weeks ago "out of the clear blue sky."

The youths, both from the community of Eastview near Ottawa, are Richard Boudreau and Gerald Leclerc. They are 19.

They were arrested yesterday as the attempted to cross the border into Mexico.

Inflation may look too big for you to hold down. But lots of people, *working together,* can pin inflation to the ground.

There is a way to hold down inflation

You can probably remember when, on week-end shopping, you couldn't lift all a five dollar bill could buy. Today, as you know, money doesn't go that far. That's inflation.

And it isn't only in *one* department or store. Inflation makes *everything* cost more.

*Even fatter pay checks have a tough time keeping up with rising prices. Just since the end of the war, this "cruelest tax of all" has cut 32¢ from the dollar.*

One of the reasons your dollar is worth less and less is excessive government spending. Some people urge their representatives to spend and spend even when it means borrowing from the future. But these people overlook that spending tomorrow's money today is merely postponing payment and adding to inflation.

This is where you can play an important part. You can tell the government what *you* want instead of leaving the field to pressure groups who never fail to tell the government what *they* want. You can also spend your family income with an eye to getting your money's worth and saving something, too.

HOW YOU CAN HELP STOP INFLATION

**1. Write to your senators and congressmen** and tell them you favor tightening up on expenditures which can be reduced, postponed or eliminated altogether. Many of them believe exactly as you do, but if they hear mainly from pressure groups who demand more spending, it is hard for them to hold the line against inflation. That is why you and others need to make it clear that you expect the government to live within its income.

**2. Your state and local representatives** also may appreciate being reminded that you favor tightening up on state and local expenditures.

A good way to keep yourself fully informed on how your representatives are voting is through your newspaper.

**3. Whenever you shop,** don't be afraid to be price-conscious. You have a right to receive full value for the money you spend.

**4. When you buy wisely,** you will find it easier to build a nest egg which will give your family that extra protection you want them to have. And as many of us add to our nest eggs, we will be providing the capital for more jobs and greater opportunity for all.

A strong and prosperous America depends on a strong and stable dollar.

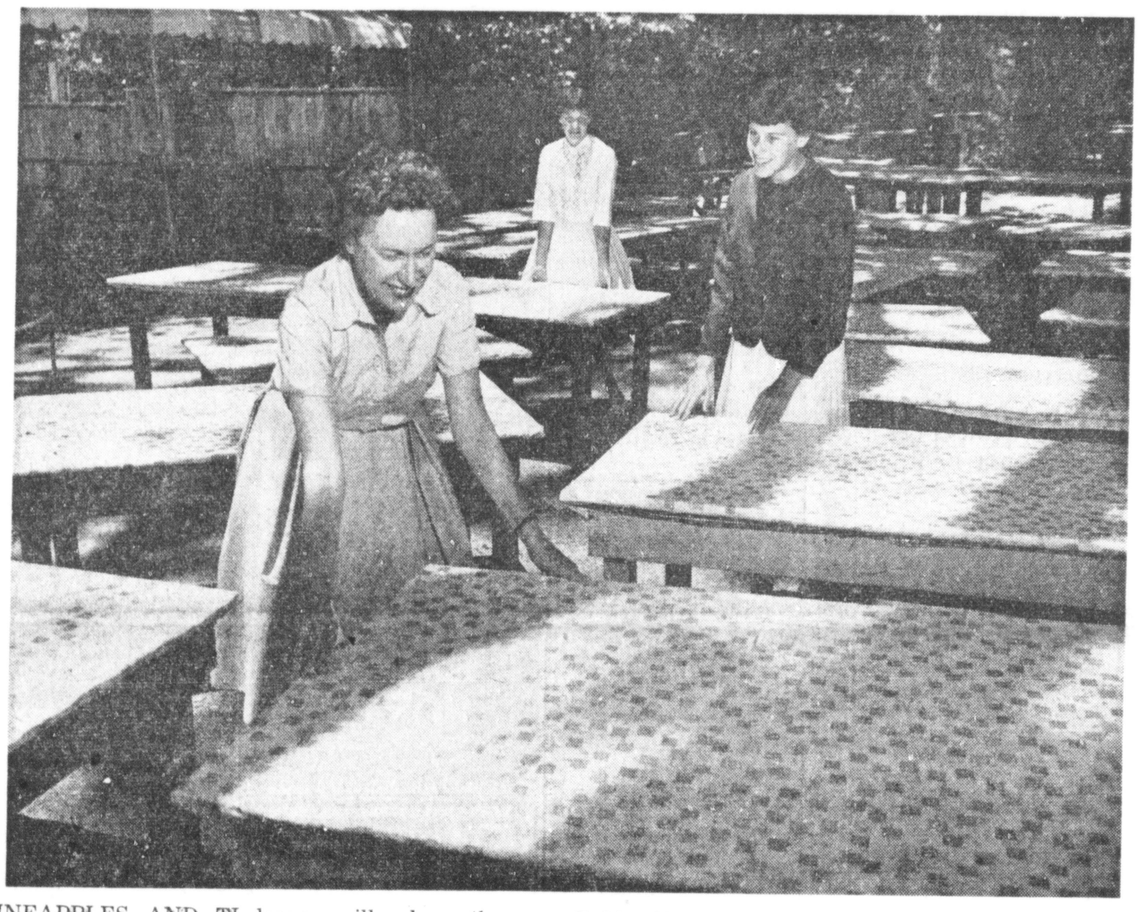
MRS. RALSTON HODGSON and her daughter, Sandy, model traditional Island leis in keeping with the "Salute to Hawaii" theme for the first of the Northgate Group-sponsored luncheons, which will be held at the Marin Art and Garden Center on Wednesday, July 22. The Mesdames John Dowling and Radford Hall, hostesses; Harrison Leppo, music; Joseph Q. Riznik, publicity; and Harvie Freed, Jay Hale and Aaron Kessler, waitresses, are among the committee members assisting with series of six luncheons and fashion shows.

EVEN THE HATS will "go native" at the "Salute to Hawaii" luncheon. Sue Buresh and Mrs. Donald Jeffries are interested spectators as Sue Jeffries, (right), attaches an orchid. Committee heads for the series also include: the Mesdames Lowden Jessup, Jr., E. W. Ned Landrum, Henry Drath, punch; Hammond Wright and William Haney, reservations; Paul Spengler and Frank Brown, cashiers; and James Barnes and Francis Auger, volunteers' luncheons. Mrs. Frank Dettner is chairman for the fashion shows which will start with the July 22 luncheon.



PINEAPPLES AND TI leaves will adorn these luncheon tables being set up by Mrs. Walter Baird and her daughters, Judy (right) and Nora (rear) in readiness for the July 22 luncheon, which will be followed by the authentic Hawaiian entertainment of Bobby Kuala and his dance group. Mrs. William Cole and Mrs. Henry Eddy are in charge of tables for the luncheon series; Mrs. William Cuneo, table decorations; and Mrs. George Stapleton and Mrs. Edward Ruff, seating.

AMONG THE NORTHGATE mother-daughter teams who will act as volunteer hostesses and waitresses at the "Salute to Hawaii" luncheon at the Marin Art and Garden Center are left to right, Jan and Mrs. John Siemens and Gwen and Mrs. Ben Morden. Reservations for this and the succeeding luncheons and fashion shows, planned forWednesday afternoons during the last two weeks of July and the month of August and all open to the public, can be made through the Center. 'SALUTE TO HAWAII'

# Art And Garden Center Series To Open Wednesday, July 22

A "Salute to Hawaii" program honoring the "Fiftieth State" will open the Marin Art and Garden Center's traditional summer series of outdoor luncheons and fashion shows on Wednesday, July 22.

The event, to which the public is invited, is one of six Northgate Group - sponsored parties held on the beautiful Center grounds on successive Wednesday afternoons at 12:30 p.m. during the last two weeks of July and the month of August, according to Northgate president Mrs. Andrew Halley of Ross.

Setting the theme for the afternoon will be gaily clad Northgate members in Hawaiian costume and table decorations featuring pineapples and ti leaves.

Guests, too, are also invited to wear the distinctive Island attire if they prefer, says Mrs. Melvin Duncan, co-chairman for the luncheon series with Mrs. Roland L. Wilson.

Special Hawaiian entertainment performed by Bobby Kuala and his well known dance group from San Francisco will be a major feature at this first luncheon, instead of the fashion shows planned for the succeeding parties.

A native of the Islands, where his mother still teaches the authentic local dance, Mr. Kuala has taught his dancing group unusual and ancient hulas. He himself accompanies the group with Hawaiian chants. Musical accompaniment for the dancers will be played on the traditional guitars, gourds, and drums by two Marin couples, the Frank Moitozas of Mill Valley and the John Andersons of Corte Madera.

Pouring at the punch bowl for the opening luncheon will be two of the Center's founding mothers, Mrs. Frank C. Stratford and Mrs. Norman Livermore, who is also the current president of the Center. Members of the hostess committee for the day are Mesdames Leonard De Martin, Henry Eddy and Roger Kane.

Northgate mothers and daughters who will be volunteer hostesses and waitresses at the luncheon include the Mesdames Ralston Hodgson and Sandy; John Buresh and Sue; Balfour James and Pat; Donald Jeffries and Sue; Ben Morden and Gwen; John Siemens and Jan; Robert Nelson and Nancy; Roger Kane and Susan; and Walter Baird with Judy and Nora.

Coordinator for the series is Mrs. Henry Skinner, who has been assisted by Mrs. Fred Figone with the entertainment details for the first luncheon.

Members of the Pixie Parent group, another Art and Garden Center affiliate, will provide baby sitting from 12 to 3 p.m. Mothers interested in this service are asked to notify the Center at the same time they make their luncheon reservation.

At the remaining five luncheons, Marin groups will cooperate with Center affiliates on the events.

Announced this week by Mrs. Duncan are two changes in the luncheon program schedule. The Social Service and Junior Auxiliary program will be held on Aug. 5 and that of the Children's Home Society groups on Aug. 26.

## Expectant Mothers Honored At Tea

The Expectant Mothers' tea was recently held for 14 mothers who have completed the course given for them at Marin General Hospital by Miss Ditt, Director of Nurses for the hospital.

NUPTIAL MASS

# Joan Haley, Thomas Fennone Wed Saturday At St. Raphael's

At a nuptial mass at high noon on Saturday in St. Raphael's Church, Joan Marie Haley, daughter of Judge and Mrs. Harold Joseph Haley of San Rafael, became the bride of Thomas John Fennone of San Francisco.

The bridegroom is the son of Mr. and Mrs. Thomas J. Fennone of San Francisco.

The Rev. Daniel McAlister officated for the double ring ceremony.

Given in marriage by her father, the bride wore a full length gown in a shade of ivory fashioned of bouquet taffeta, featuring a scoop neckline and short sleeves. The princess bodice was decorated with delicate re-embroidered Alencon lace and seed pearl band which was held by a V-shaped folded band accentuating the Empire line. It was caught in the back by a double rose of self fabric. The dome-shape skirt had wide unpressed pleats and extended into a court train. Her three-tiered elbow length veil of candlelight French illusion was held by a pearl cornet. She carried a bouquet of white roses.

Carol Haley of San Rafael was maid of honor for her twin sister. Bridesmaids were Mrs. Irwin Davis of Honolulu, the bride's sister; Maureen Gifford, the bride's cousin of San Rafael and Peggy Rogers of Nicasio.

They wore pink satin taffeta gowns fashioned with three quarter sleeves with a bow at the waist. The soft pleated skirts were bell-shaped and they carried boquets of pink carnations. They had pink coronet headdresses with circular pink veils.

Robert Johnson of Casper, Wyoming, was best man and ushers included Douglas Maloney of Santa Rosa; William Murphy, San Mateo and Ronald Modeste, San Francisco.

For her daughter's wedding, Mrs. Haley wore a beige silk shantung dress fashioned with three quarter sleeves and V-neckline. She had a beige hat and accessories and cymbidium orchid corsage.

The bridegroom's mother wore a blue silk shantung sheath trimmed in a darker shade of blue chiffon. She had hat and shoes of blue and beige gloves and purse. Her corsage was of beige orchids.

A reception followed the ceremony at the Meadow Club. Laurel Taylor of Atherton was in charge of the guest book.

For a wedding trip to Coronado, the bride changed to a brown suit with black accessories. She had a corsage of yellow cymbidium orchids.

The bride was graduated from Marin Catholic High School and Dominican College. In the fall, she will teach in Orinda.

Mrs. James B. Ahern and Mrs. Daniel J. Haley, both of San Francisco, are her grandmothers.

The bridegroom was graduated from St. Ignatius High School in San Francisco and Santa Clara University. He received his law degree from the University of San Francisco and is practicing in Oakland. He is a member of Phi Alpha Delta, legal fraternity.

Mr. and Mrs. William Fennone of San Francisco and Mrs. John Forte of San Francisco are his grandparents.

The couple will reside in East Oakland.

## COURT PLANS TALENT SHOW IN OCTOBER

Court St. Raphael, Catholic Daughters of America are completing plans for their countywide amateur talent show, which will be held on October 16, at 8 p.m. in St. Raphael's hall.

Mrs. Alex Bovee met recently with her committee, which includes Mesdames, John Webb, appointments; William Slattery, posters; Raymond Schmidt, tickets; Angelo Colombo, Charles Johnson, William Webb, publicity; Harold Winter, concessions, and Richard Fox, program.

Auditions for the talent show are open to anyone in Marin County, regardless of age. Particularly wanted are vocalists, instrumentalists, dramatists, and dancers. Cash prizes or scholarships will be awarded the winners. Judges will be persons trained in the field of entertainment.

Three auditions will be held prior to the show. Anyone interested in an audition may contact Mrs. John Webb, or Mrs. Frank Vanderbilt.

## Party Sandwiches

Rolled sandwiches have a party look. Combine one 3-ounce package of softened cream cheese with 1 2¼-ounce can of deviled ham and 1 tablespoon of chopped chives. Mix well and spread on 8 slices of whole wheat bread with the crusts removed. Cut a dill pickle into 8 sticks and roll each sandwich around a pickle stick in jelly roll style. Fasten with toothpicks if necessary.

## Tennis Series Will Begin This Week

Tennis classes for men and women start this week at the Mill Valley Tennis Club, under the auspices of the YWCA in Marin County.

On Tuesdays and Thursdays half-hour classes will be held between 1 and 3 p.m. with eight lessons for the series.

Hal Wagner, tennis pro at the club, will instruct the YWCA classes. Equipment is provided if needed.

The YWCA office at 1010 B street in San Rafael is open daily from 10 a.m. to noon, for class registrations and information.

## Rod, Gun Club Auxiliary Plans Dessert Booth

The Ladies Auxiliary of the Marin Rod and Gun Club Inc. will have their dessert booth at the annual picnic to be held at the Clubhouse at Point San Quentin, Sunday, July 19. On sale will be homemade pies, cakes and cookies, ice cold watermellon.

The committee includes Mesdames Stephen Lato, John P. Marzetta, Charles D. Graham and Paul Ware.

Proceeds from the project will be used for conservation in Marin County.

The regular monthly meeting of the Auxiliary will be held at the Clubhouse, Tuesday, July 28.

## Richard Lindauer Will Be Soloist

The Hootenanny on Wednesday, July 22, will feature Richard Lindauer, singing English, Scottish, Irish and early American ballads. Richard is a lyric tenor and recently appeared in a Marin County production of "Martha." He has been singing folk songs in this area for approximately 10 years and lives in Fairfax.

The group singing begins at 8:30 p.m. in Studio Q, 678 Green street (Fugazi building), San Francisco.

The songs for group singing will come largely from "Song Fest" and those attending should bring their own copies. Instrumentalists are asked to bring their instruments tuned to A-440.

## Darned Socks Show A Happy Marriage

ATLANTIC CITY, N.J. (UPI)— Those darned socks indicate a happy marriage.

A psychological study of men's hosiery conducted by the Center for Research in Marketing, Inc., showed that in a happy marriage, women are expected to buy and care for men's socks.

When a woman won't wash or darn her husban's socks, she is seen as lazy, dissatisfied with her husband and a "no good wife," according to a study presented at a meeting of the National Hosiery Manufacturers Assn

THE NEWLY-MARRIED Mr. and Mrs. James P. Campbell are returning this week from their honeymoon in the Hawaiian Islands. The bride is the former Judy Billings, daughter of Mr. and Mrs. H. C. Billings of Kentfield. They were married in St. Sebastian's Church in Greenbrae. (Milton Mann photo)

# Newlyweds Returning From Hawaiian Isles

White spring flowers decorated the altar of St. Sebastians' Church in Greenbrae for the recent wedding of Judy Billings and James Campbell. The double ring ceremony was officiated by the Rev. John Campbell, brother of the bridegroom.

The bride is the daughter of Mr. and Mrs. H. C. Billings of Kentfield and the bridegroom, the son of Mrs. Elizabeth R. Campbell and the late Mr. John Campbell of Los Angeles.

Given in marriage by her father, the bride wore a traditional gown of imported Swiss organdy. The portrait neckline and tiny cap sleeves of the fitted bodice was appliqued with white lily of the valley patterned imported Swiss lace detailed with crystal tear drops. The same applique extended onto the bell-shaped skirt accentuated at the back with a full pleated court train. The silhouette was completed with a lily of the valley crown with a finger-tip custom cut French illusion veil. She carried a bouquet of lilies of the valley trimmed with thin white organdy streamers and bows.

Linda Billings, only sister of the bride, was maid of honor and bridesmaid roles were taken by Diane Canrinus of San Francisco, Joan Gellert, cousin of the bride, of San Francisco; Ann Girad and Jeanne Klose, sorority sisters of the bride, of San Francisco; and Carolyn Kane of Kentfield. The attendants were attired in gowns of light aqua organdy with harem skirts. Pleated cummerbunds were of matching color. Their head pieces were of aqua circular face illusion veils. They carried crescent shaped bouquets of white begonias and stephanotis trimmed with aqua organdy. Theresa Ann Fiedler, niece of the bridegroom, was flower girl. She wore a full length aqua organdy dress and carried a white basket filled with roses and blue forget-me-nots.

Harry Campbell of Los Angeles served as best man for his brother and ushers were Fred Gellert, cousin of the bride, of San Francisco; Carlon Soule, Ray Anderson, Robert White and Richard Moore —all fraternity brothers of the bridegroom from Los Angeles.

For her daughter's wedding, Mrs. Billings wore a blue flowered silk sheath dress with matching accessories. She carried white butterfly orchids on her purse.

The bridegroom's mother chose a beige Chantilly lace sheath with matching accessories. She wore cymbidium orchids.

Three hundred guests were received at the reception following the ceremony at the Meadow Club. A three-piece orchestra provided music for dancing. White flowers and greens and lilies of the valley decorated the club.

Patricia Miller of Larkspur was in charge of the guest book.

For their honeymoon in the Islands, the bride wore a bone-white silk wool sheath with a matching short jacket. Her accessories were of the same shade. She wore white orchids.

The bride was graduated from Sir Francis Drake High School and attended the University of California where she was a member of the Alpha Chi Omega Sorority. Linda Billings is her only sister and is a junior at Redwood High School.

The bridegroom was graduated from Saint Monica's High School and the University of California at Los Angeles, where he was affiliated with the Phi Kappa Sigma Fraternity. He has one sister, Mrs. Robert K. Fiedler of Los Angeles and two brothers, the Rev. John Campbell of St. Bellemine's in Burbank, and Harry Campbell, a junior at USC.

The newlyweds will take up residence in Palo Alto where the bridegroom is employed with Philco Corporation as an engineer.

# Greenbrae Guild Prepares For Festival

Greenbrae Oaks Guild of Sunny Hills has been working since March for the Grape Festival in October. Membership is limited to women who have resided in Greenbrae for at least one year.

First Grape Festival project in 1949 was paper hats; in 1953 redwood planters, books and records were added. In 1955, the present project of "Odds and Ends" was started. These are decorators' samples and remnants. In 1957, the Guild started making pillows from some of the materials, and this year several other useful articles will be made by the members, including bags for clothes pins, and terry cloth covers for brooms for use in dusting walls. Also this year, members are framing small colored pictures suitable for children's rooms.

The Guild has one fund raising event every spring in preparation for the Grape Festival. This consists of a luncheon and "Easter Hat Parade," the models being members of other guilds of Sunny Hills.

This is the 10th year that the Guild has sponsored monthly movie parties and refreshments for the children of Sunny Hills. Starting for the youngest boys and girls, it has grown to include all the Sunny Hills children.

In 1956, the Guild gave to Sunny Hills a new 16 m.m. movie projector and loud speaker. In 1958, the Guild's gift was a large two-compartment deep freeze for the Sunny Hills kitchen.

Guild officers for 1959 are Mesdames Lloyd B. Smith, president; Herbert G. Christ, vice president, Sylvio Ruffino, recording secretary; A. W. Gildroy, corresponding secretary; George L. Richardson, treasurer; Edward W. Burgar and Willis H. Thomas, Grape Festival co-chairmen; Millard W. Young, Children's activities; E. David De Vincenzi, Bargain Box and Richard E. # Bone Up On Your Canine Psychology

NEW YORK (UPI) — Bone up on psychology if your dog occasionally wraps you around his furry paw.

So says Robert Bartos, a student of dog psychology and manager of research kennels for a dog food firm.

"Never underestimate the power of a pet, especially if that pet is a dog," said Bartos.

"Some dogs know their masters better than the masters know the dogs. The dogs, therefore, take advantage of the masters' good nature to get away with all sorts of lowdown dog tricks."

A dog that is psychologically in the know, Bartos said, may feign tiredness when he wants to turn his snoot up, spurning a walk in the rain or a ride in a convertible.

Or, said the expert, he may head for the dog house when you want to show company how well he obeys commands—even though the dog knows perfectly well what is expected.

"In these cases, praise doesn't work, for the more you praise, the more the dog will try to pull the wool over your eyes.

"Only punishment or some other show of displeasure will make such an ornery fellow respond. A sharp reprimand or one or two hard taps on the back with a newspaper will work wonders. He'll know his master is wise to his bluffing."

For the normally shy dog, however, this approach won't work when you want him to perform.

"A soft voice and a great deal of praise and gentle handling will bring out the best of his shy nature. He may be a people-hater from way back and you've got to convince him that people are nice."

Bartos said the introvert or extrovert type is as common in the dog world as it is in the "people world."

Extrovert dogs, he said, resemble the salesman type. They like nothing better than to be on the go all day and prefer to be surrounded by people and doggie friends most of their waking hours.

The introvert type is just the opposite. He feels absolutely miserable with a lot of people or dogs, and prefers to be left alone to contemplate life.

Such a dog, said Bartos, enjoys snoozing much of the time, with an occasional walk—alone—to break the monotony.

HUSBAND-WIFE team of landscape architects, Katy and Paul Steinmetz of San Rafael, will be guest speakers at the Wednesday meeting of St. Stephen's Guild to be held at the E. Allan Steinau home on the Belvedere Lagoon.

ON GARDENS

# Guild To Hear Architect Team

"Is Your Garden Right For You?" is the subject which Katy and Paul Steinmetz of San Rafael, husband-wife team of landscape architects, will discuss at the next meeting of St. Stephen's Guild to be held Wednesday at 1 p.m. at the Belvedere Lagoon home of Mrs. E. Allan Steinau.

Both are graduates of the University of California in landscape architecture. Since World War II in which Mr. Steinmetz served with the Army Engineers in the Pacific and European theaters, the duo have done many private gardens. They have also designed for the Marin Art and Garden Fair in 1949 and 1950 and done site planning for the new Terra Linda High School, the Ann Curtis swimming school and the Hunter's Point playground. They collaborate fully on all jobs with Mrs. Steinmetz specializing in planting and Mr. Steinmetz in construction.

Guests are welcome to attend and dessert will be served.

## Toastmistress Club Plans Installation

Mary Ford will be installed as the club's president. First vice president is Muriel Brown, second vice president, Marian Allen; recording secretary, Jean Brown; treasurer, Elsie Meagor; correspondence secretary, Emily Odell Riley. Club representative is Hortense Buck, Junior past president.

Howard Robie from the Presbyterian Headquarters of San Francisco will be the guest speaker.

Tella Wessel, retiring president, extends a welcome to anyone interested in Toastmistress training.

## Beware Pitfalls Of That Joint Checking Account

The joint checking account used by both husband and wife, can be a boon or a calamity.

A large majority of young couples start married life with a joint account, it is reported by the American Bankers Association. This plan has a number of advantages, but it should be used with care.

When both husband and wife write checks against the same account without frequent check-ups, the result often is an overdrawn account, say the bankers. They advise that a record of checks be kept in one big checkbook at home, and that checks written during the day be recorded and checked against the balance each evening.

To make the record complete, many young couples make it a practice to paste cancelled checks back in the master checkbook when they are returned from the bank each month. Thus checks can be tallied with stubs, and errors can be quickly spotted. The checkbook then also becomes a detailed record of expenditures during the year.

The husband and wife who carry separate checkbooks and don't bother to consult with each other as to expenditures are headed for trouble, caution the bankers.

## If It's Called Off . . .

NEW YORK (UPI) — What happens when an engagement is broken?

If the announcement has appeared in the newspapers, send a second notice announcing that the engagement has been ended. Then decide what you will do with the ring.

Legally, the girl gets to keep it. But most etiquette experts agree that it is better taste to return it as well as any other presents from the fiance.

# Double Ring Ceremony Unites Edna Serafino, M. D. Cuthbert

Edna May Serafino became the bride of Milton Dennis Cuthbert of Fairfax, in a 2:30 o'clock double ring ceremony on Sunday at San Anselm's Church in Ross.

The bride is the daughter of Mr. and Mrs. Roseron Joseph Serafino of San Anselmo, and the bridegroom, the son of Mrs. Thomas Cuthbert of Fairfax and the late Mr. Cuthbert.

White gladioli decorated the altar and the Rev. Edward Dullea was the officiating minister.

Escorted to the altar by her father, the bride wore a full length gown of white satin with lace and tulle fashioned with a scalloped neckline and long sleeves. It had a full skirt which extended into a chapel train. Her fingertip veil of illusion was held by a coronet of rhinestones and she carried a bouquet of lilies of the valley and white orchids.

Mrs. Norman Johnson of San Anselmo, as matron of honor, wore a pink silk dress styled with net bow and rounded neckline. She had a pink tulle picture hat and carried a bouquet of pink carnations.

Wearing blue dresses and picture hats styled as the matron of honor's were bridesmaids, Virginia Brown of San Anselmo and Mrs. Edward Mitchell of Mill Valley. They carried pink carnation bouquets.

Little Sincrea Mitchell, daughter of Mr. and Mrs. Edward Mitchell, as flower girl, wore a silk brocade dress with Peter Pan collar, blue belt and blue picture hat.

Alfred Cuthbert of Oakland was best man for his brother and ushers were Ernest Cuthbert, another brother of the bridegroom, of Greenbrae; and Norman Johnson of San Anselmo.

For her daughter's wedding, Mrs. Serafino wore a dress of blue lace over taffeta with white accessories and white orchids.

The bridegroom's mother wore a blue cotton brocade sheath with white accessories. She had a white orchid corsage.

A reception for 250 guests followed the ceremony in Star Hall in San Anselmo where white gardenias were used in arrangements.

Rose Marie Tyrell, the bridegroom's cousin, was in charge of the guest book.

For a wedding trip to San Bernardino, the bride wore a blue chiffon print dress with white hat and accessories and a white orchid corsage.

The bride was graduated from Marin Catholic High School and attended Heald's Business College.

The bridegroom was graduated from Sir Francis Drake High School and is employed with the New Mission Heating and Metal Co.

After July 25, they will reside on Cascade drive in Fairfax.

## The Old Swimming Hole Is Becoming A Super Highway

I took my son to see my old swimming hole. It was a sentimental journey. But we found my old swimming hole is gone. I'm feelin' blue today. At my swimming hole we had a dam and a waterfall. There was a deep pool for diving and warm rocks for sunbathing. We had trees to climb and grass to wrestle on. High canyon walls protected us from passersby. What could be better?

We swam without clothing, of course. Bathing trunks were for sissies. Girls, mothers and other females knew it was male territory and stayed away. It was an Eveless Eden. Just right for boys.

As I say, I took my son to see it. He asked me to, because I'd boasted about it. Can you guess what we found? Some contractors were putting a super highway smack dab in the middle of the canyon. The water is routed through huge cement pipes, far underground. The stream bed has been filled with dirt and the smooth rocks have been dynamited. The trees have been uprooted and burned. We watched big yellow bulldozers chug chug back and forth, completing the ruin.

"Did you really swim here?" my boy asked. "Yes," I replied, sadly. "We swam about 20 feet below where we're standing. It used to be nice here." "I'll take your word for it, Dad," he said, "but it's not nice now. Let's go to my swimming hole and have a dip."

His swimming hole is a big tile municipal pool near our home. It was filled with screaming little girls, and anxious mamas. Small boys ran around aimlessly, pulling pony tails. Oh me! What's this country coming to?

## ALMANAC

Today is Monday, July 13, the 194th day of the year, with 171 more days in 1959.

**The moon is in its first quarter.**

**The evening stars are Mercury, Venus, Mars, Jupiter and Saturn.**

On this date in history:

In 1787, Congress passed the Northwest Orinance, setting up the first organized government outside the 13 original states.

In 1863, opposition to the injustices of the draft law flared into riots and virtual anarchy in New York City. Before the riots were over, more than 1,000 persons were killed.

In 1865, Horace Greeley gave this advice to federal civil servants: "Washington is not a place to live. The rents are high, the food is bad, the dust is disgusting and the morals are deplorable. Go west, young man, go west and grow up with the country."

**A thought for today: Ralph Waldo Emerson said, "Who so would be a man must be a non-conformist."**

# Subdivisions Top Agenda For Planners

The Marin County Planning Commission next Monday will consider plans for two subdivisions totaling 61 lots and resolution to amend the Loma Verde Master Plan for inclusion of a commercial district and multiple residential zones.

Subdivider Leo Epp plans a development of 53 lots, to contain 7,500 square feet each, in the Tamalpais Valley area. The development is called Oakwood Valley Estates.

Another subdivision of 28 lots is planned by the Beverly-Maple Corp. for Melody Manor Unit 1, in Novato.

Two parcels of 148 and 61 acres is planned for multiple residential, and a 90-acre parcel is planned for commercial use in Loma Verde at Ignacio.

## Firm Files Papers For Incorporation

SACRAMENTO (CNS) — Secretary of State Frank M. Jordan has announced that Marin Wheel Alignment and Brake Service, Inc., has filed articles of incorporation with his office to be capitalized at $75,000 in $100 par shares.

The firm listed its directors as James R. Walker, Barbara Walker, 401 Irwin street and Robert L. Bourne, 3 Glenaire drive, San Rafael.

## More Households

NEW YORK (UPI) — The number of American households has tripled since the turn of the century while household size has declined steadily, according to the National Industrial Conference Board.

**SUMMONS**

In the Superior Court of the State of California, in and for the County of Marin.

MISKEL C. FORESTER and ANITA E. FORESTER, Plaintiffs, VS. R. R. DANMEYER, FIRST DOE, SECOND DOE, also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the Complaint, adverse to plaintiffs ownership or any cloud upon plaintiffs title thereto, BLACK and WHITE, a Corporation, and BLUE and GOLD, a Co-partnership, Defendants.

No. 31211.

The people of the State of California send Greetings to:

R. R. DANMEYER, FIRST DOE, SECOND DOE, also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the Complaint, adverse to plaintiffs ownership or any cloud upon plaintiffs title thereto, BLACK and WHITE, a Corporation, and BLUE and GOLD, a Co-partnership,

You are hereby directed to appear and answer the complaint in an action entitled as above, brought against you by MISKEL C. FORESTER and ANITA E. FORESTER, plaintiffs, in the Superior Court of the County of Marin, State of California, within 10 days after service on you of this summons, if served on you within said county; or within 30 days, if served elsewhere.

This action is brought to determine the adverse claims to and clouds upon the title to the real property described in the complaint herein and hereinafter described by said plaintiffs, who claim that they are sole owners of the unencumbered title to the premises hereinafter described and that the defendants have no estate, right, title or interest whatsoever in said premises, or any part thereof.

Said real property is situated in the County of Marin, State of California, and is described as follows:

COMMENCING at the Southeasterly corner of LOT 871 as the same is shown on that certain map entitled, "Grandview Map "C" being part of Division "D". Eastern part of Rancho De Novato" filed September 17, 1906 in Map Book 2, Page 68, Marin County Records, and running thence Northwesterly along the Southerly line of said lot 50 feet to the Southwesterly corner thereof; thence Northerly along the Westerly line of said lot 120 feet; thence Southeasterly in a direct line 50 feet more or less to a point of commencement and thence Southerly along said Easterly line 120 feet to the point of commencement.

And you are hereby notified that unless you appear and answer as above required, the said plaintiffs will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Given under my hand and the seal of the Superior Court of the County of Marin, State of California, this 1st day of July, 1959.

You are hereby directed to appear and answer the complaint of the above named plaintiffs, filed in the above entitled Court in the above entitled action brought against you in said Court within ten days after the service on you of this summons, if served within the above named county, or within thirty days if served elsewhere.

You are hereby notified that unless you so appear and answer said plaintiffs will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for other relief demanded in the complaint.

The object of this action is to make the above named defendants set forth the nature of their claim or claims to the real property in the complaint and hereinafter described, if any they have, and that such claim or claims be adjudged to be of no effect and void, and that plaintiffs' title to said real property be quieted against them.

That said real property is situated in the City of Mill Valley, County of Marin, State of California, and is particularly described as follows:

COMMENCING at a point distant North 14° 45' East 17.7 feet and South 48° 42' East 68.19 feet from Tide Station No. 109 as established by the survey made under the direction of the State Board of Tide Land Commissioners of the State of California, said Station being at ordinary high water mark, running thence South 48° 42' East 109.81 feet, thence running due South 264 feet, thence North 48° 42' West 109.81 feet, thence due North 264 feet to the point of commencement. Containing one-half of one acre, more or less.

WITNESS MY HAND AND THE SEAL OF THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF MARIN, this 27th day of May, 1959.

GEO. S. JONES, County Clerk
By J. F. MUSSER, JR.

## To Sell Your Property
## MULTIPLE LISTING
## SERVES YOU BEST!

HERE'S WHY!

1. You list your property with the Realtor of your choice.

2. Through Multiple Listing over 400 experienced real estate salesmen offer your property for sale to their prospective buyers.

3. Your property is shown at your convenience and by appointment only, if you desire. Your Realtor saves you the annoyance of dealing with many different people. He sifts the "wheat from the chaff," weeds out the mere "lookers." Yet with all this convenience you still have several hundred salesmen working on the sale of your property.

4. You are given, without charge, helpful suggestions on ways and means of increasing your property's salability and how and when the property should be shown to best advantage.

5. Without charge your property is photographed to its best advantage.

6. Through Multiple Listing your property will sell faster and easier because it is listed with description and photograph in all 122 member-offices — reaching most prospective buyers in a wider area.

## LAW IN ACTION

# Courts Stress Reform For Young People Who Stray

**(This column, prepared by California lawyers, appears regularly in the Independent-Journal.)**

Early criminal law treated adult and minor alike, and gave more thought to their punishment than to reform.

Today we stress reform for wayward young men and women and give them special treatment in juvenile courts.

These courts look after delinquent or neglected children, often by making them wards. An order making a youth a ward is not a criminal conviction. Some go to the Youth Authority for assignment to "reform school"; but the courts send many to reputable homes or children's agencies. Only in rare cases do minors get sent to prison, and only a fraction go to reformatories.

Probation officers look into cases and help the judge to decide what treatment such youngsters need.

As a rule, young people do not face criminal trial — just a judge and a probation officer who make findings, and the court then orders their care.

Who comes before the juvenile court?

Youths under 21 years who commit crimes, are vagrants, habitually use drugs or alcohol, are uncontrolled or neglected, abandoned by parents, or who lead or may lead idle or immoral lives.

Before a young person becomes a ward of the court some interested person files a petition: A probation officers looks into his case; and the parents or guardians are asked to appear in open court or at a private hearing in the judge's chambers.

As a rule, the court will not take the youth from his guardian or parents unless they cannot give him proper care or education. But the court may take the minor if he commits a crime or is on probation and doesn't reform.

An accused person under 18 years old first must come before the juvenile court which decides whether he should be prosecuted under criminal court rules. If he is over 18 years old, a criminal court, and not a juvenile court, can try him. But he can ask to become a juvenile court ward. Or the criminal court itself may send him to juvenile court.

### Pin For Den Mother

Den mother Mrs. C. B. Graham received her three-year pin and four of the members of Den 8 of Pack 80, Corte Madera, also received awards at a combination pack meeting and picnic at Camp Alice Eastwood. The honored boys were James DeMello, Tommy Ford, Bill Graham and Robin Little.

MUSIC CHEST SOLOIST — Soprano Nadine Conner will make her first Marin appearance Sunday at Forest Meadows in San Rafael.

# Soprano Nadine Conner To Sing Here Sunday

Nadine Conner, Metropolitan Opera Co. soprano, will make her first appearance under auspices of the Marin Music Chest at 3 p.m. Sunday in Forest Meadows, San Rafael.

Miss Conner replaces Elisabeth Schwarzkopf, who has canceled all summer engagements due to illness, for the season's second Music Chest concert.

The diminutive soprano, who stands only 5 feet 3 inches and weighs a mere 115 pounds, first gained note as a singer over radio station KHJ in Los Angeles. In 1939, when Albert Coates formed the Los Angeles Opera Co., Miss Conner joined it. Bruno Walter, director of the Metropolitan, heard her sing opera with the Los Angeles company, granted her an audition and offered her a contract.

Miss Conner made her Metropolitan debut in 1941 as Pamina in "The Magic Flute." She has been with the Met ever since, interspersing engagements with the San Francisco, New Orleans, Cincinnati and other opera companies.

Elisabeth Schwarzkopf tickets will be honored for the Nadine Conner recital Sunday.

# Audience At Band Concert Invited To Bring Lunch

Residents of Terra Linda and Marinwood are invited to bring along their picnic suppers and eat while they listen to the Las Gallinas Valley Sanitation District Non-marching Band in a concert next Monday at the Bernard Hoffman School Little League field.

The concert, at 7:30 p.m., will be the first of a series of three to be presented by the band directed by Joseph Curatilo.

Other concerts will be held at the same place and time Aug. 17 and Aug. 31. A special children's concert has also been planned for July 30.

The Dominican College chorale will make a guest appearance at the July 20 program.

# Thieves Take Flower Plants

A number of Novato residents have complained to sheriff's deputies of thefts and vandalism in their yards and gardens.

Deputies said the damage was apparently done either Thursday night or Friday morning.

Hardest hit were the homes of Vernon Hales at 1521 Center road and Mrs. Viola Soares of 1525 Center road.

Mrs. Soares reported the theft of a number of flower plants from her garden and the taking of a lawn sprinkler and some red bricks from her driveway.

Hales said some one dug up and took four geranium plants and two hydrangeas, all in bloom, from his garden.

Other residences hit by the thieves and vandals were in the same general neighborhood, deputies said.

The bower birds of Australia decorate their nests with shells or other bright objects.

What your tensions can do to you and what you can do to them!

Do little things upset you? Do you worry too much? Do you "blow up" when you shouldn't? *Then don't fail to read this message!* It's the best way you can possibly spend the next 47 seconds.

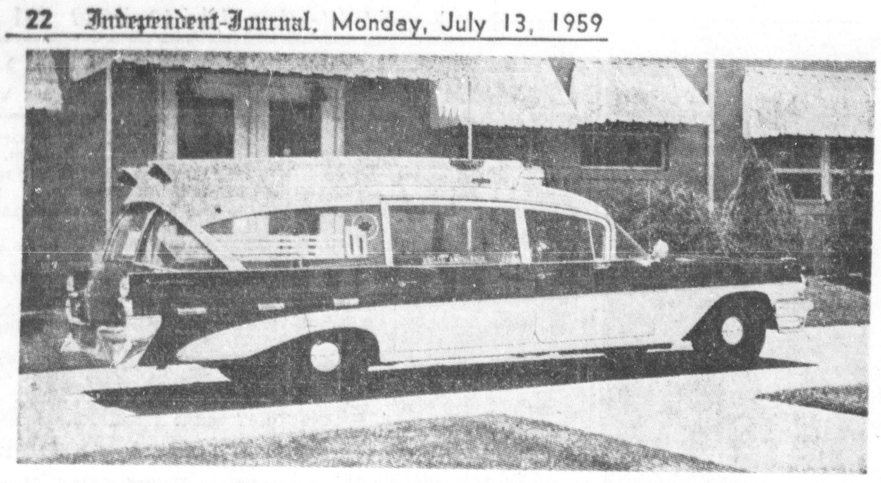
Today, 1 out of every 10 of our fellow Americans has a serious mental problem. But *millions* more of us are suffering from *minor* emotional problems. These problems can take a lot of the joy out of living, both for us and for the people around us.

Somehow each of us must learn how to deal with our own emotional tensions . . . how to keep these tensions from upsetting us and making us unhappy.

Here's a good way to start! Send today for the new free booklet, **"How To Deal With Your Tensions". Write: Box 2500, New York 1, New York.**

This booklet, written by psychiatric experts, gives valuable, easy-to-follow suggestions about how you can handle your tensions, and thus live happier. It also tells where to find professional help.

*Published as a public service in cooperation with The Advertising Council and the Newspaper Advertising Executives Association.*



## NEW AMBULANCE FOR UNITED FLEET

This is the new Superior ambulance recently purchased by the United Ambulance Co. of San Rafael. Owner Angelo Turrini purchased the ambulance at Jackson, Miss., while on a trip with his friend, Thomas A. Boyd, San Rafael attorney, who took this picture at the factory. Boyd and Turrini flew to Pittsburgh, and then to Mississippi. They drove the ambulance back to San Rafael, taking seven days for the trip, and stopping at tourist spots along the way. The ambulance is on a Pontiac commercial frame, and includes a newly designed top for more headroom.

# Use Permit Sought For Private Club

A private tennis and swim club, originally proposed at Puerto Suello Hill, is now planned at the southern end of San Rafael's C street near Wolfe Grade.

John Farrar of Kaehler Construction Co. and several partners will seek a use permit for the private club at Tuesday night's meeting of the San Rafael Planning Commission. The meeting will begin at 7:45 p.m. in the city hall. The tennis club use permit request is the last item on the evening's agenda.

**ON FORMICHI TRACT**

The new site for the tennis and swim club is on what is know as the Formichi tract, about seven acres of ground that extends from the end of C street up to Meyer road. The developers plan to subdivide the Meyer road frontage into hillside lots and use the remainder of the area for several tennis courts surrounding a pool.

Terra Linda Meadows, a new subdivision of 70 homes, is also requested in the rapidly mushrooming Freitas Ranch, which was annexed to San Rafael last month. Calvin Wheeler's Terra Linda Meadows will be at the end of Manuel Freitas Parkway, just west of Terra Linda unit 9, which is in the county area.

Already approved by the city are the first two large subdivisions—Alameda Homes Corporation's 60-unit subdivision just east of the old Freitas home, and Eichler's 171 units behind Hartzell School.

**EYE LIGHT INDUSTRY**

A light industrial subdivision is sought by Commonwealth Development Co. just north of the Marin Professional Center opposite Terra Linda. The area would invite such businesses as nurseries and restaurants.

A subdivision of 30 homes is also sought in the Black Canyon area adjacent to Dominican Gardens. It will be called Dominican Heights. Custom Builders of Marin is seeking the subdivision. It will be located off Mountain View avenue at the extension of Williams street.

Robert McCarthy Co. wants to add Loch Lomond Unit 6 of 17 lots. It is on the northwest corner of the Loch Lomond area, adjacent to Villa Real.

Poehlmann Pharmacy seeks architectural approval on a new one-story drive-in pharmacy in the burned out block of Fourth street. The site is between the Miller & Severin architects office and the Christian Science reading room.

John Kenny wants to move the "Terra Linda Oaks" sign at the entrance to Terra Linda to the south side of the road, in San Rafael area. The county is trying to have the sign removed on grounds it violates the sign ordinance.

# Church Plans Prayer Vigil For Peace

For 24 hours starting at midnight Thursday the San Rafael Methodist Church will observe the Methodist Church's current prayer vigil.

Someone will be in the church during the entire period to pray for peace, said Rev. Donald H. Baldwin, pastor.

Purpose of the vigil, he said, is to give spiritual reinforcement to the leaders of the world as they confer at Geneva.

The talks have been suspended, but world leaders are scheduled to gather again at Geneva this week.

## On Honor Roll

Stephanie J. Von Buchan of San Rafael has been named to the honor roll at the University of Oregon at Eugene, the college announced today. She was one of 323 students who received a grade point average of 3.5 or higher.

# Keep Plastic Bags Away From Babies

"Keep plastic bags out of the baby's crib, and out of the reach of other small children."

Marin County Health Officer Carolyn B. Albrecht issued that advice to parents today, pointing to the growing number of infant deaths across the nation attributed to the polyethylene bags.

"Properly used, the plastic bag is a useful household article. But improperly used, they can be as lethal for our children as matches, poisons, or bathtubs," she added.

Dr. Albrecht stressed that the plastic bags should never be used as covers for mattresses and pillows or as protective sheeting in cribs. And they never should be given to an infant as playthings.

"When a plastic bag has served its useful, intended purpose, destroy it," the health officer advised.

The bags become deadly, she pointed out, when a baby's head or face becomes entangled in it, since it is impenetrable by air and cuts off the infant's oxygen supply, resulting in suffocation.

A pamphlet prepared by the Society of the Plastics Industry, Inc., giving advice to parents on the proper use of plastic bags is now available at the Marin County Health Department, 920 Grand avenue, San Rafael.

Geologists believe that Aruba, a Netherlands West Indies isle near the coast of Venezuela, is the top of a now submerged peak that was once forced above the Caribbean Sea by violent subterranean movements.

# Bill To Hike Span Capacity Signed

SACRAMENTO (UPI) — Gov. Edmund G. Brown has signed a bill which authorizes construction to double the capacity of the San Mateo-Hayward Bridge.

The bill provides that the construction work can be financed either by revenue bonds secured by San Mateo-Hayward and Dumbarton Bridge tolls or by use of surplus funds of the San Francisco-Oakland Bay Bridge.

# Foundation Gives Nearly $5 Million

NEW YORK (UPI)—The Ford Foundation today announced grants totaling nearly five million dollars to spur economic research and training.

Largest single grant was $2,500,000 to the National Bureau of Economic Research to support a study of the nation's economy over a 10-year period.

The National Commission on Money and Credit, a private agency organized last year, received $800,000 to enable it to expand its research into the nation's financial structure.

Foundation grants totaling $1,669,000 also were allotted to 28 colleges and universities to bolster research and training in economics and business administration.

In another Foundation project, 20 colleges and universities received grants of $20,000 to $50,000 to stimulate research on public affairs.

Of the 648 million acres of forest in the United States, more than half are privately owned.

# Supervisors Earmark Fund For Park Site Acquisitions

The Marin County Board of Supervisors, with a final report in hand from the 29-member Marin County Recreation Committee, decided Saturday to set aside $20,000 for park acquisition in the county's 1959-60 budget.

The recreation committee's final report said: "A county park system is financially feasible if the importance of the program is recognized, if the program is planned on a long-term basis, if yearly allocations to a land acquisition and park development fund are consistently included in each budget, and if revenue bonds or state loan funds are used to finance self-supporting developments."

First priority for park sites were listed in the report as Naval Net Depot lands on Tiburon, points on the west and northeast shores of Tomales Bay, a strip of Richardson Bay shore at the foot of Waldo grade, Bolinas Mesa beach, a parking area at Bolinas Beach, redwood stands near Samuel P. Taylor State Park, Inverness ridge covered by Bishop pine, a large county park of about 100 acres in northeast or north-central Marin, and boating facilities along Petaluma Creek, Gallinas Creek, and the east shore of Tomales Bay.

The report said: "There is no conflict between privately-owned or commercial recreational facilities and publicly-owned facilities.

"There are some areas in Marin that should be preserved because they are unique. They should be acquired immediately to become part of the county park system or to be held until taken over as state or federal parks.

"Marin residents should be provided with a system of county parks and water areas distributed as evenly as possible geographically and so located as to be easily accessible from the various centers of population. These parks should be large enough in area to provide the diversified informal types of recreation necessary for the various age levels of a family group which are not provided by state and federal parks."

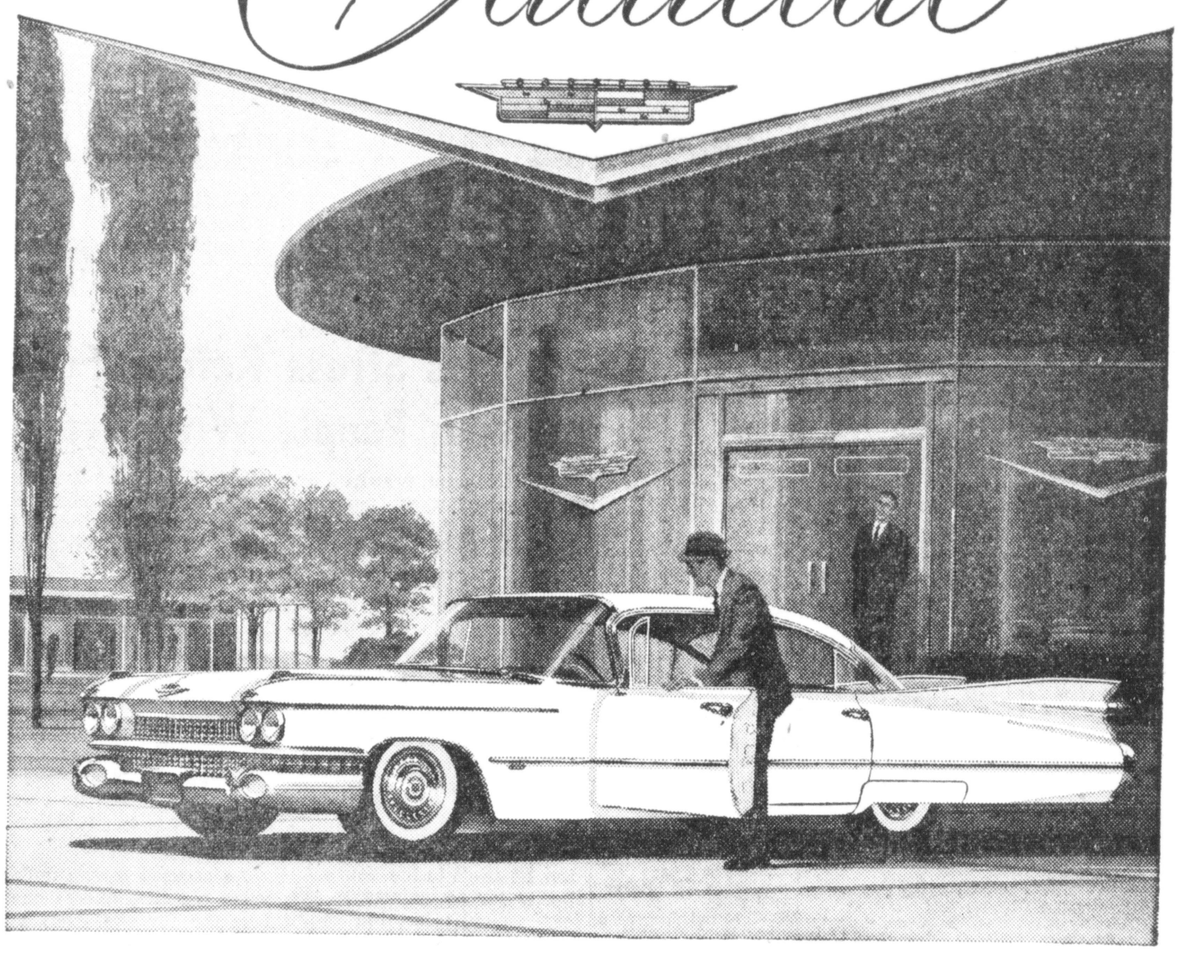
Cadillac



Hoped for the Best... and Got It!

Just a short time ago, he walked into his dealer's showroom—with his heart and his hopes high—to see if the time had come for his first Cadillac.

Well—his fondest hopes were realized—and here he is today with the car of his dreams.

What were the facts about Cadillac that made this happy and memorable moment possible?

First of all, the cost of a new Cadillac is remarkably modest—so much so, in fact, that many models are priced competitively with other cars of American manufacture.

And because Cadillac's initial price includes so many basic features that cost *extra* with other makes—Cadillac is actually the price rival of cars of far less stature.

There is also Cadillac's extraordinary economy of ownership. The car is amazingly frugal with gasoline and truly marvelous in its dependability.

And then there is the way a Cadillac *protects* its owner's investment. For such is the demand for Cadillac that the car returns an exceptionally high percentage of its original cost at the time of resale.

Those are the facts—and the conclusion, we feel, is obvious: if you are considering any motor car—even in the medium price field—you owe yourself a visit to your Cadillac dealer's showroom before you make your decision.

He'll be waiting for you—with the most surprising economy story of the year!

# Wrecked Plane, 2 Bodies Found In Marin Canyon

LONG-CRASHED PLANE FOUND—Coroner's and sheriff's deputies prepare to remove from wreckage of light plane the bodies of Paul Andrews and Henry Kime of Sonoma. The plane crashed last November. The wreckage was discovered in a remote canyon off Lucas Valley yesterday by two archers hunting deer. (George Wheeler photo)

## Had Been Missing 8 Months

Two Mill Valley archers, hunting deer in a remote canyon on a Marin ranch last evening, discovered a small wrecked plane containing two badly decomposed bodies.

The 4th Air Rescue Squadron at Hamilton Air Force Base, checking missing plane records, identified the plane from its license number as one that had been reported missing on a flight from Sonoma last Nov. 9.

Coroner Frank J. Keaton identified the victims as Paul Andrews, 52 and Henry Kime, about 50, both of Sonoma.

**REPORT DISCOVERY**

Keaton and Sheriff's Deputy Kenneth Irving drove to the spot after a report on the find was made by George H. Mathews and Conrad H. Johnson, both of 403 East Blithedale avenue, Mill Valley.

They told the sheriff's office they were hunting deer on the Big Rock Ranch off Lucas Valley road, when they made the grisly discovery.

Irving said the plane was sticking straight up with its nose end buried in the ground up to the cockpit. He said it was a silver and red two-passenger air coupe.

**HIKE INTO AREA**

Keaton and three men from the coroner's office, plus six sheriff's deputies, four ranchers and a photographer hiked into the rugged area today to bring out the bodies. The job required about two and one-half hours. The bodies were taken to Harry M. Williams Mortuary in San Rafael.

Irving said the plane crashed at the end of a canyon and that it could not have been seen by an air search group because it was hidden by trees.

The plane can be reached only by crews traveling afoot. Keaton said it was about a 15-minute walk from the end of a three-mile fire road that runs through the ranch. "You can't

## STEEL TALKS GET UNDER WAY AGAIN

### Negotiations Resume After Plea By Ike, But Chance of Averting Strike Seem Dim

NEW YORK (AP) — Stalled steel negotiations got under way again today at White House bidding but with scant prospect of an agreement to avert a strike at midnight tomorrow.

The union promised to make "an all-American try" at negotiating a strike-saving settlement.

R. Conrad Cooper, chief industry negotiator, threw cold water on settlement prospects and showed irritation in posing with United Steelworkers Union president David J. McDonald for photographers.

Cooper said there was only one possible way a strike could be avoided — for the union to again extend its contract.

McDonald, however, ruled out any further delay in a showdown. The union earlier had granted a two-week truce but it expires at midnight tomorrow.

Cooper said the union already had caused the industry by the fact that many firms have had to close down some facilities in the costly preparation for an orderly industry shutdown.

The bargaining talks had broken off yesterday with no further negotiating sessions scheduled.

President Eisenhower this morning urged both sides to resume the meetings to try to reach a strike-saving solution.

McDonald met briefly with the union's executive board and then telephoned Cooper to arrange a resumption of the talks.

The industry already was banking furnaces and slowing production ready for the expected strike, which industry and union sources said could be the longest in steel history.

Three days are normally required for a big steel plant to make an orderly shutdown without damaging equipment.

Only a dramatic change in position on the part of the industry or union could alter the situation.

## All-Night Parking Crackdown Starts

Many warnings and several citations were issued this morning in downtown San Rafael, as police continued their crackdown against all-night parkers.

All-night parking is not allowed in the downtown business area, Capt. Joseph J. Brusatori said. He said officers will give warnings to drivers the first time, then issue citations against repeaters. Cars are not allowed to park for more than two hours at a time on business streets between 2 and 6 a.m.

## Russ Repeat Old Terms On Berlin

GENEVA —Russia hurled its old Berlin terms back at the West today in spite of a warning from U.S. Secretary of State Christian Herter that Western rights must be recognized in writing if there is to be a summit conference.

Soviet Foreign Minister Andrei Gromyko returned from Moscow after the three-week recess in the East-West talks with the demand that the foreign ministers conference "start where it left off" by accepting the Kremlin's already-rejected demands.

Herter, leading for the West, simultaneously served notice that the West demands written Soviet recognition of the Western rights in Berlin "to minimize the danger of subsequent differing interpretations."

Herter delivered the warning on behalf of all the Western powers as the Big Four foreign ministers conference resumed.

Herter, Gromyko and British Foreign Secretary Selwyn Lloyd and French Foreign Minister Maurice Couve de Murville met at the Palais des Nations for the second and probably decisive phase of the East-West talks.

Herter was in the chair for the 19th plenary session of the conference which opened here May 11 and bogged down after six weeks of talks.

Western officials said Herter delivered a general review of the negotiations up to date.

At a pre-conference session a few hours earlier, the Western foreign ministers agreed to ignore Soviet Premier Nikita S. Khrushchev's most recent war-like threats and listen to what Gromyko had to say in the diplomatic calm of the Geneva council chamber.

They took the line that Khrushchev's tough talk to former Gov. Averell Harriman of New York was simply shooting from the hip in world power politics.

They also hoped First Deputy Premier Frol Kozlov was taking home from the United States to Khrushchev a clearer picture of the real purpose and tough determination of the United States in the Berlin crisis.

## *HISS OF GAS ENDS MERRY MOLE CHASE*

A merry mole chase in the garden of Henry J. Wickert at 20 Corte Sereno, Greenbrae, ended abruptly yesterday when an enthusiastic pick wielder digging for the mole's tunnel struck a gas main instead.

A loud hiss of escaping gas greeted the ears of Wickert and his house guest from Sacramento County. The helpful guest was the one who had punctured the gas main. (Mrs. Wickert didn't want to give his name. "I wouldn't want to do that to anyone," she said.)

The Kentfield Fire Department stopped the escaping gas by applying a clamp.

The elusive mole is still at large.

## Trial Scheduled In Marijuana Case

Donald Phillip James, 25-year-old amateur botanist from Mill Valley, will be tried in Marin Superior Court Wednesday on a charge of having a thriving crop of marijuana plants on his porch.

James pleaded innocent before Judge Thomas F. Keating this morning and asked for a court trial.

Mill Valley police and sheriff's deputies raided James' home at 59 Crown court last June 2 and confiscated 17 potted marijuana plants sunning themselves on the porch.

James was a clerk at a San Francisco surgical supply house when arrested. He told officers he studied botany as a hobby.

## Cool Breezes End Marin Heat Wave

Cool ocean breezes wafted over Marin yesterday and drew thousands to beaches and parks.

General cooling was in evidence today in most of Northern and Central California after last week's blistering heat. Fair weather was forecast through Saturday with no rain in sight.

Observers of the Marin County Savings and Loan Assn. thermometer spied readings of 109 degrees about 3:45 p.m. Friday, with a top of 107 seen Saturday.

Marin County Fire Department readings reached 101 degrees Saturday but the high was 89 yesterday. San Anselmo reported 102 degrees Saturday and 85 degrees yesterday.

Mill Valley's maximum for the weekend was 78 degrees on Saturday. Novato's highs read 102 degrees for Saturday and 82 yesterday. High up on the Mount Tamalpais summit the maximum Saturday temperature was 89 degrees but yesterday was 76.

Earlier hot weather placed a burden on water facilities at Samuel P. Taylor State Park.

Park Supervisor William Allison said he was making an urgent request to have improved water and sewage facilities constructed. He said about $75,000 for this had been approved in the state budget.

Allison said the park's 85 camping sites have been filled to capacity since last Wednesday, and that the picnic areas have been crowded daily. He said 4,000 persons had used the park Saturday and yesterday.

"We've had very little turnover at the camping sites, but with the crowds we've had the water has been used faster than we can stand. It goes out of our reservoirs faster than we can fill them," he said.

The park gets its water from Barnaby and Dead Man's Gulch springs. "Our supply has dropped to one-third of normal," Allison said.

He added, however, that 50 per cent of the water tank capacity is reserved for use against fires.

"Usually things begin to taper off after the Fourth of July," he said. "But we're still getting crowds. I think our 4,000 this weekend was a rec-

## Five Thrown From Overturning Auto

(Picture on page 4)

Two Marin City youths are reported in "satisfactory" condition at Marin General Hospital today after suffering head injuries when they and three other young persons were thrown from a northbound car as it overturned on Waldo Grade last night.

The two are Charles Bland, 17, of House 223, and Gary Douglas, 17, of Box 655, Marin City. Both were conscious today, but Bland was unconscious and Douglas semi-conscious when they arrived at the hospital by ambulance after the 10:58 p.m. accident.

Bland was driver of the car.

Another passenger, Katherine Armstead, 15, of House 388, Marin City, was also admitted to the hospital for treatment of cuts of the face and left leg.

Joanne Turner, 16, of San Francisco, and Charles Miller, 16, of House 606, Marin City, were treated for cuts and bruises.

Shortly after the accident, another mishap occurred as an Air Force ambulance stopped on the highway as its driver sought to aid the injured teenagers, and a car slammed into the rear of the ambulance.

Mrs. Ima Myers, 56, of Fairfax, a passenger in the car which struck the ambulance, was treated at Marin General Hospital for cuts of the knees and right hand. The car was driven by her husband, D. H. Myers of 115 Lansdale avenue, Fairfax, a roofing contractor.

Bland and Myers were cited for speeding. The ambulance driver was Samuel C. Bernhart, 19, who was driving from the San Francisco Presidio to Hamilton Air Force Base.

## Hub City Votes Tomorrow On Civil Service

San Anselmo voters go to the polls tomorrow to decide whether their police chief, fire chief and other department heads should hold their jobs at the pleasure of the city council.

The proposal needs a two-thirds majority to pass.

The change would give the city council the power to hire and fire (or else to demote to former civil service rank) the police chief, fire chief, street superintendent, building inspector and recreation director.

San Anselmo's civil service ordinances now gives any ousted department head the right of appeal to a board of review which can reinstate him if it finds there was insufficient cause for removal.

San Anselmo's Mayor Arthur W. Smith has argued that council policies have been thwarted in the past by department

## Russia Sends 2 More Dogs Into Space

LONDON (AP) — The Soviet Union rocketed two dogs into space July 10 and brought them back to earth, Moscow radio said today.

The broadcast said the dogs were carried aloft in a ballistic rocket weighing 2,200 kilograms—4,845 pounds.

Quoting an official Tass dispatch, the radio said a quantity of equipment was also parachuted back to earth.

One of the dogs, Daring, was making its fourth ascent into space, Tass said.

Daring, another dog named Snowflake and a rabbit named Marfooshka Little Martha were shot up in a 4,009-pound rocket on July 2 and were recovered, the Russians announced a week ago.

"Information is reported to have been obtained on the entire range of the research program," Tass said.

The agency described this program as including "measurements of infra-red radiation of the earth and the earth's atmosphere, photographing of clouds over a vast territory, a simultaneous analysis of the ion and neutral composition of the atmosphere and a measurement of the electrostatic fields."

## Gas Chisler Hits Again

For the fifth time in about two months, a motorist pulled into Schlett's Shell Service Station in Novato early today and drove off with about 50 cents worth of gasoline by pulling the forgotten-wallet routine.

William Watkins of Santa Rosa, attendant at the station on Highway 101 at Olive avenue, said he had been warned about this particular man before but did not realize it until too late.

He told Sheriff's Deputy Ernest Nielsen a man about 33 pulled up in a 1952 sedan about 4 a.m. and asked for five gallons of gasoline. After about 50 cents worth of gasoline had been pumped out, the man said he had forgotten his wallet and would be back in the morning to pay for it. He then drove off.

The attendant said the same man has driven off with about 40 to 60 cents worth of gasoline about five times, using the same forgotten wallet excuse.

## Four Rescued From Bay Waters After Big Catamaran Capsizes

A Sausalito writer, his wife and two companions spent a harrowing half hour in the chilly bay waters off Angel Island last evening after the 40-foot twin-hulled catamaran Malahini suddenly capsized in a heavy wind.

Thomas Patton, 30, and his wife Frances, of 15 Central avenue were in the white-hulled craft along with Donald Forbes and Raymond (Turk) Arsemault, who lives aboard the craft. Forbes gave his address as Sausalito Yacht Harbor.

Mrs. Patton reportedly was knocked unconscious as the boat went over, and her husband kept her afloat until she regained consciousness.

A passing fishing boat, the Margaret S, picked up the four after they had been in the water a half hour, clinging to the capsized craft. Arsemault gave artificial respiration to Mrs. Patton, who had swallowed sea water.

The fishing craft took Mrs. Patton and Arsemault ashore while her husband and Forbes were transferred to a Coast Guard boat and taken in to Sausalito.

A Sausalito Fire Department ambulance crew gave oxygen to Mrs. Patton. She was taken to Marin General Hospital for observation.

The large craft has recently been anchored off Sausalito and has attracted great interest.

Price J. Hall, Larkspur, had been retained by the craft's owner, John F. Haviland of Sausalito, to publicize his plans to make the boat a commercial sight-seeing vessel on the bay.

Hall said Haviland has made a formal application to the City of Sausalito for a use permit allowing him to utilize a portion of the sandspit to load and unload passengers for the proposed venture. He said that the Coast Guard had indicated the craft could be used to carry 27 passengers.

Cause of yesterday's mishap remained a myster. The type of twin-hulled construction is considered one of maximum safety against capsizing. There were no comments from the occupants as to the cause of the accident.

Coast Guard craft arriving at the scene found it impossible to tow the craft in an upside down position since the tall mast was striking the mud.

Later in the night, however, it was pulled free and towed upside down to the Nunes Brothers boat yard in Shelter Cove, where it was resting bottom-up this morning.

John Rocha of the Nunes yard said a diver reported this morning to make an effort to salvage an outboard motor and other gear from the capsized hull.

The boat was built in Fort Lauderdale, Fla.

## CHILDREN STAGE OWN NEIGHBORHOOD FAIR

The day was hot, but that didn't deter more than 100 San Anselmo children from attending the "Kiddies' Fair" staged by neighborhood youngsters at the home of Gerald Segale at 235 Los Angeles boulevard Saturday. Here, Claudia Kendall, 12, daughter of Mr. and Mrs. P. F. Kendall of 229 Los Angeles boulevard and general chairman of the affair, makes up Larry Bryant as pirate in makeup booth that was one of attractions. Children prepared own booths, staged entertainment program, collected tickets—with money going to neighborhood fund that will pay for a barbecue party before school starts and an Easter egg hunt next spring. ## Schwartz Shop Opens Sale Tomorrow

Schwartz Brothers store for men will open an all-out quitting business sale tomorrow.

The sale opened Friday for regular Schwartz Brothers customers who received "preview" invitations by mail. And the throng was swelled considerably, reported Aaron and Carl Schwartz, owners, after a story appeared in the Independent-Journal announcing the firm is going out of business.

The Schwartz Brothers started their men's clothing store 15 years ago, only a few doors from the present location at 909 Fourth street, San Rafael.

The sale will continue "until we sell out everything," Aaron Schwartz reported.

### Meeting Cancelled

William Rafter, president of the Tiburon Peninsula Chamber of Commerce, announced today that the regular meeting of the chamber scheduled for tomorrow has been canceled.

## Marin Building Hits $30 Million So Far

Marin County construction permits during the first half of 1959 reached a total of $30,498,147, according to tabulations completed by the Marin Industrial Development Foundation.

The total is the greatest on record in the county for the six-month period.

Issued in the six months period were 1726 dwelling units, which, on a conservative average of three persons per unit, indicates over 5,0000 additional residents.

Permits issued in June this year amounted to $4,987,366. This was down slightly (2.5 per cent) from May but up 12.7 per cent from June, 1958, and well above all previous months of June of which the foundation has record.

Largest permit for the month was issued to Marin County Savings and Loan Assn. in the amount of $317,000 for this new headquarters building in San Rafael. Next largest was $276,000 for a 46-unit apartment project in Corte Madera.

San Rafael led all areas in value of permits issued with a total of $1,272,936. It was followed closely by the Novato area with $1,263,763, which includes 51 dwelling units, the greatest amount of residential construction of any area in the county.

So far this year 120 swimming pools have been built in the county compared with 77 for the same period last year.

For one month a year Moslems eat nothing during daylight hours.

## Leach Realty Is Purchased By Murray

W. J. MURRAY
Takes over old firm

W. J. Murray, Marin resident since 1945 and long active in real estate circles here, will take over the former Leach Realty office at 198 Sir Francis Drake boulevard in San Anselmo Wednesday.

Leach Realty is one of the oldest real estate firms in the county. The change in ownership is occasioned by semi-retirement of James C. and David A. Leach from the business.

The Leach Insurance Agency will remain unaffected by the new setup, the Leaches announced. The real estate business will be carried on under Murray's name.

Murray has been resident broker in Terra Linda the past two and one-half years. He resides at 23 Manor road, Kentfield, with his wife, Martha, and three daughters.

Murray said the San Anselmo office will be headquarters for the firm. The former sales staff of Leach Realty, comprised of Grace Cornwall of San Anselmo, Mrs. Harriet Beckwith of Kent Woodlands and Mrs. Helen Brandt of Sleepy Hollow, will remain. The Terra Linda office, in the new shopping center, will be a branch under management of Mrs. Elizabeth de Baun of Novato, assisted by Mrs. Gloria Opferman of Terra Linda. Secretarial duties will be handled by two of Murray's daughters: Mickey in San Anselmo and Pat in Terra Linda.

The firm also maintains a branch office on Highway 1 in Mendocino County, managed by Al Bier.

### Trustees To Meet

A continuing study of the current budget is expected to be the prime item on tonight's meeting of the Mill Valley School District trustees at 8 o'clock at the district offices.

## STOCKS TODAY

NEW YORK (AP)—Steels and rails declined late this afternoon as a steel strike seemed imminent. Trading was quite active.

Volume for the day was estimated at 3,500,000 shares compared with 3,600,000 Friday.

Pivotal issues fell from fractions to about two points. There were scattered gainers.

At its near-record levels the market was vulnerable to any news which bred uncertainty. Tomorrow's steel strike deadline afforded the excuse.

U.S. Steel and Jones and Laughlin dropped about two apiece. Bethlehem was off around a point.

Ford was a one-point loser.

New York Central, Baltimore and Ohio, Pennsylvania Railroad and Southern Railway were among carriers taking moderate losses.

Goodyear and Allied Chemical lost about two each while Du Pont dropped around four.

American Motors was up about a point. Aluminums also were buoyant, Reynolds Metals adding about two and Aluminum Ltd. around a point.

Losses of around a point were taken also by International Harvester, Caterpillar, Radio Corp. and Westinghouse Electric.

U.S. government bonds rose.

# Recreation Program Gets In High Gear

Competitive swimming at Drake and Tamalpais High Schools and organization of a "fun band" at Redwood are highlights of the Tamalpais District recreation program now in full swing at the three high schools.

For those over nine years of age who can qualify after tryouts, competitive swimming is being held twice a week at Drake and once a week at Tam with Amateur Athletic Union meets resulting, according to directors Bob Fitzhenry of Drake and Chuck Crawford at Tam.

A recreation band is being organized by director Bob Troppman at Redwood who urges all interested to "dust bring it to the gym."

Troppman also reminded those interested to take advantage of the free trampoline instruction at Redwood. The gym is open Monday through Friday, 1-5 p.m., and on Wednesdays for adults and high school students only from 7-10 p.m.

Daily activities at Redwood include basketball, volleyball, badminton, whiffle ball, weight lifting, table tennis, rope climbing, checkers, special television programs and outdoor football, baseball and softball. Among Wednesday night activities are a "slim-trim" program for women, weight lifting for men and limited basketball.

Fitzhenry said the Drake gym is available for a similar variety of activities seven afternoons a week. Organized basketball is held in the evenings.

The Tam gym is also open to the public for recreation each day 1 to 5 p. m. except Sundays. At both Drake and Tam the pools are open from 1-5 p.m. every day and 1-3 p.m. Tuesdays and Thursdays for family swimming.

Water safety classes sponsored by the Red Cross are held each morning at Drake and Tam. Registration for Session 3 at Tam is July 20, for Session 4 on August 3; at Drake Session 2 is July 13, Session 3 is on July 27 and Session 4 on August 10. All registration is at the respective gym at 8:30 a.m.

## Driver Jailed After Accident

Lee Allen Miller, 22, of 175 Butterfield road, Sleepy Hollow, was jailed last night on charges of drunken driving and resisting arrest after his car spun into a fence along the northbound turnoff ramp from Highway 101 to Tiburon.

Miller was thrown from the car is it spun, but examination at the emergency room of Marin General Hospital disclosed no injury.

The California Highway Patrol report of the incident made no mention of why the resisting arrest charge was filed.

## Man Falls From Car, Injured

Joseph E. Barone, 17, a resident of the Forest Knolls Trailer Court at Forest Knolls, was slightly injured at 6:10 p.m. Saturday when he fell from a moving car near the top of hilly Bolinas road at Fairfax and rolled 75 feet downhill into a ravine.

He was treated at Marin General Hospital for a sprained right ankle.

The car was driven by his wife, Vicki Ann Barone, 16. She told officers of the California Highway Patrol her husband was leaning against the car door and fell out when the door flew open.

## JUST HITCH DOG OUTSIDE WHILE BUYING

LEICESTER, England (UPI)—A local firm said it has received an order from a pet food firm in Pennsburg, Pa., for 250,000 hitching posts for dogs.

The manufacturer said the purchaser plans to give the posts to stores selling its products, so customers can tie their dogs outside while shopping.

ord. And I don't think we can survive another hot spell. It will be too much of a burden on the water supplies."

At Stinson Beach State Park, an estimated 7,500 persons used the beaches yesterday, followed a crowd of 5,500 on Saturday.

Mt. Tamalpais State Park was used by scores of overnight campers, and an official said that a "lot of out-of-state cars were in the area, and a lot of Canadians."

More than 2,000 persons used the beaches at Tomales Bay State Park, although a park official said it was windy with the temperatures at about 65 degrees.

A near-record number of visitors were reported at Muir Woods National Monument. Supt. Frederick M. Martischang said there were 3,112 on Saturday and 4,463 yesterday.

### Sailing Along

NEW YORK (UPI)—The nation's seven million boat owners have made boating America's most popular participant sport, according to industry statistics.

These figures show that the number of boats in the water has increased twice as fast as the number of cars on the road since the end of World War II.

### Embarrassing Switch

HARTFORD, Conn. (UPI)—Miss Corinne Geetersloh, Gov. Abraham Ribicoff's receptionist, was attracting special smiles and chuckles one morning recently. A little checking disclosed the reason—her desk nameplate had been reversed. The back of it carried the phase: "Give them what they want."

## Announce Way To Help Drain All 8 Sinus Cavities Without Discomfort

**New decongestant tablet for sinus congestion sufferers acts both to drain clogged sinus cavities and relieve distressing head pain**

New York, N. Y. (Special) Announcement has been made of a new tablet development which has the remarkable ability to help drain clogged sinus cavities and thus relieve congestion and pressure. The headaches, pressure pains, stuffed-up head, nasal drip, clogged breathing—all the unrelenting symptoms the sinus sufferer knows so well—are attacked directly by improving drainage of the sinus areas.

Most remarkable of all is the fact that this is accomplished with extraordinary speed and without discomfort of any kind. This new tablet does its remarkable work internally, through the blood stream. It deposits into every drop of blood plasma a new medication which is carried to the sinus area, where it shrinks the swollen doors to the sinus cavities and helps drain away the pain-causing pressure and congestion.

The shrinking substance in this new tablet has been so successful topically in promoting drainage of the sinus cavities that it is now prescribed more widely by doctors than any material for this purpose. This new medication is now available at drug counters without the need for a prescription under the name, Dristan® Decongestant Tablets. Dristan Tablets cost only 98¢ for a bottle of 24 tablets. Buy and use Dristan Tablets with the absolute guarantee that they will drain away pain-causing pressure and congestion of the sinus cavities, relieve the pain and distress, or purchase price will be refunded.

## OBITUARIES

# Ernestine G. Craemer Dies At 94

Mrs. Ernestine Guenther Craemer, mother of Justus F. Craemer of Kentfield, died in a Santa Ana rest home Saturday at the age of 94. She had been in declining health for several years.

Funeral services will be held at 2 p.m. tomorrow at Shannon Funeral Home in Orange. Burial will be in the cemetery maintained by St. John's Lutheran Church of which she was the oldest living member.

A native of Huntley, Ill., Mrs. Craemer was the widow of Rev. John Lorenz Craemer, a Lutheran pastor who died in 1890 at Decatur, Ill.

In addition to her son, she is survived by a daughter, Miss Helen Craemer of Orange. She was the grandmother of Jack Craemer and the late Barbara Craemer Ashley, both of Greenbrae.

She also is survived by five great-grandchildren in Marin.

## Long-Time Prison Officer Dies Of Heart Attack

Timothy Lee Bell, 55, for 23 years a correctional officer at San Quentin Prison, died of a heart attack at Ross General Hospital yesterday afternoon.

Feeling distressed, he had jumped into a pickup truck and dashed to the hospital from his home at San Quentin, but died a few minutes after arrival. He had suffered a series of attacks and on June 10 had gone on sick leave with probability of retirement.

Surviving are his wife, Helen, and a daughter, Joyce, both living at San Quentin.

Bell was born Aug. 20, 1904, and attended Oroville High School and Chico Business College. He engaged in general merchandising with several firms in Oroville, Portola and Oakland before joining the State Department of Corrections in July, 1936.

During his 23 years of service at San Quentin, Bell made hundreds of friends among the inmates. On the day that he left his job in June, 700 went up to shake his hand.

This was followed by an editorial of appreciation in the San Quentin News, the prison newspaper, on June 25. The editorial said that "he had a job to do but he never forgot that he was a man dealing with flesh and blood human beings with problems."

A Requiem High Mass will be recited at St. Raphael's Church in San Rafael at 9:30 a.m. Thursday. The cortege will form at Keaton's Mortuary, San Rafael. The rosary will be recited at Keaton's at 8 p.m. Wednesday. Interment will be in the Catholic Cemetery in Oroville.

even get a horse in there," a sheriff's deputy said.

Keaton said Hamilton Air Force Base units did not help bring out the bodies because the plane is civilian. The base previously had advised that a helicopter would be of no use because of the rugged terrain.

The 4th Air Rescue Squadron said planes from Hamilton had been called upon last November to help search for the plane which had flown out of Sonoma. Its destination was not known.

The hunters said they found the plane at 8 p.m. Keaton and Irving were in the canyon area until about 11 p.m., and Keaton said that if he had had "some men we could have brought the bodies out."

## Good Health Depends On Body's Nerve Network

by Dr. Robert W. Pearce

The greatest communications system ever built is as old as mankind and will never be out of date. It is more common than the telephone but more complex than the TVA and a fleet of electronic space ships combined. What is this system?

Your nervous system . . . the incredibly vast network of fibers which links the brain, directly or indirectly, with every cell, every organ and every part of your body.

The brain, of course, is the power house which generates, dispatches, receives and interprets messages to and from various parts of your body. The brain and its nerve network are in action every moment of your life—asleep or awake.

The nervous system is so complex that the most learned anatomists and physiologists know very little of its magnitude and function. The greatest electrical project ever conceived by man is insignificant compared with the human power system. One expert has estimated that there are 400 trillion nerve fibers passing through the average human skull into the spinal cord.

What happens when something goes wrong with the nerve network? When a nerve fails to deliver its proper quota of "power" to any part of the body, that part will lose its efficiency and eventually will become diseased, because of an interference to the nerve.

Interferences occur most frequently in the spine when a displaced spinal bone (vertebra) will pinch or stretch the nerves within the spine or just outside it. The obvious remedy is to remove the interference.

Chiropractors specialize in removing spinal obstructions to the nervous system. This can be done by X-ray analysis and by skillful hand adjustments of any vertebra found to be causing interference.

Dr. R. W. Pearce, O.C. practices the Palmer Method. His office is at 1628 Fifth Ave., San Rafael, GL 3-6201.

## Man Discovered Dead In Auto

The body of James Lawrence Case, 55, of Redding, was found at 7:50 a.m. today in a car parked behind the Service Lumber Co. building in Sausalito's Marinship area.

A hose attached to the car's exhaust pipe had been run into the car through a window. A note on the dashboard told of Case's fear that he was going insane.

Deputy Marin County Coroner Harold Keaton said he had been unable to learn any information about Case

## Composer Ernest Bloch Critically Ill In Oregon

Ernest Bloch, 78 internationally famed composer and father of a Mill Valley painter, was on the critical list today in Good Samaritan hospital in Portland, Ore.

Most of Bloch's creative life has been spent in the San Francisco area. His youngest daughter, Mrs. Lucienne Bloch Dimitroff, is the wife of Stephen P. Dimitroff, who operates an art store in Mill Valley. She paints and is mother of three children.

Bloch has been in retirement for several years on the Oregon coast at Agate Beach, but moved to Portland for health reasons last year. He was taken to the hospital last Tuesday.

Born in Switzerland, Bloch came to the United States in 1917, was naturalized in 1924, and became director of the San Francisco Conservatory in 1925. He held this post until 1930, when he resigned to compose and travel in Europe.

In 1938 he returned to teach at University of California in Berkeley. The San Francisco Board of Supervisors passed a resolution in his honor for his prize-winning orchestral rhapsody "America" which he wrote in 1926. His compositions have won many awards.

Thomas Jefferson spoke 30 different Indian dialects.

## 4,000 See Musical At San Quentin

Approximately 4,000 San Quentin Prison inmates yesterday saw the San Francisco Opera Ring production of "Guys and Dolls," a prison official reported.

A show for about half the number was given in the afternoon. The other inmates saw the show in the evening.

The show, designed by the opera group to be given "in the round," had been adapted to the prison's conventional stage.

Officials said they believe it was the first time such a show had been given inside a U. S. prison. It was the first time women had been allowed to entertain at the prison, except at New Year's events.

## Mill Valley Man Must Go To Jail

Audley Martin Redlin, 30, of 52 Bayview Terrace, Mill Valley, must spend five days in jail and pay $250 fine for his second drunken driving offense in three months.

He was sentenced Friday by Judge Harold J. Haley of Marin Municipal Court. Redlin was caught on Tiburon boulevard June 28. He had a prior conviction March 31 of this year.

Willie Frank Simon, 32, of Berkeley lost his driving privileges for three months and must pay a $200 fine for his first drunken driving offense. He was caught weaving along Shoreline Highway at Flamingo road in Tamalpais Valley Friday morning.

Judge Haley also fined Simon an additional $25 for having a revolver in his car without a permit.

# When It Gets Hot, Some People Think Of Stripping

Maybe it's the hot weather, or maybe it's merely because we don't have the problem here in Marin. But the story last week from Detroit telling about 34 exotic dancers gathered at police headquarters for a post-graduate course on permissible stripping, lingers in our memory.

It wasn't the part where the police chief warned the girls that while sex can be displayed in Detroit night clubs "it can't be used to incite a riot."

Neither was it the part where he told them they had to keep their feet moving.

What got us was the part where the police chief gave a demonstration of bumps and grinds which he says are taboo in Detroit.

Now regardless of how the civic service vote goes in San Anselmo tomorrow, we somehow can't quite picture Police Chief Don Woods with his hands clasped behind his head while he rotates his derriere.

And if Mill Valley Chief Jim McGowan gave a couple of bumps, we bet he'd shake like Santa Claus after a funny story. Ross' Joe Regoni doesn't have the right figure either.

Sheriff Louie Mountanos might be something else again. We'll bet the sheriff could show the girls a thing or three if he put his mind to it. Wonder if he could really mince down a runway?

Come to think about it, let's strip off a little ourselves (it must be the heat!) and go swimming. Ha!

## In Theater, Marin Is Marvelous

We are constantly being reminded that we in Marin are unusually gifted people. We have artists and writers (present company excepted), musicians and actors. And we seem to have a lot of fun doing the hard work of these various activities as avocations.

What brought all this about is that we've just seen another Marin play. Now it might have been in Sausalito or Novato, in Ross Valley, Mill Valley or Tiburon. It happened that it was in Tamalpais Valley.

The Tam Valley Players are putting on "All My Sons," by Arthur Miller. (He's Mr. Marilyn Monroe.) It's no comedy, although it has its light moments. The prize-winning play is produced under terrific handicaps in a building that never was planned to be used for legitimate theater.

Yet the cast and their technical crews have done a remarkable job under fine direction.

It only goes to prove once again that insofar as amateur theater is concerned, Marin IS Marvelous.

## THREE MINUTES A DAY

By JAMES KELLER

**GOVERNMENT DEPENDS ON YOU**

"When a government is clean, competent, honorable and representative of the wishes and needs of the people, when it is the people, Communism doesn't have a ghost of a chance."

These challenging words of General Carlos P. Romulo are from the foreword of his best seller, "Crusade in Asia." Then in the same vein, he continues:

"Only when a government becomes corrupt and graftridden and morally diseased is Communism able to slink in through the back door to assume arrogant control.

"It appears never as the victor, but as a scavenger and a feaster upon corpses, and it can survive only where it finds food to live on — in a country where Democracy has died!"

The survival of freedom depends on the interest each one shows in it. The failure of one individual after another to fulfill his responsibilities opens the way to disaster.

But it also means that one person like you can do something, however little it may seem, to protect the precious liberty God entrusts to all.

**"The creature also itself shall be delivered from the servitude of corruption, into the liberty of the glory of God."**

**(Romans 8:21)**

Thanks to You, O Lord, for allowing me to have any part in shaping the peace of the world.

# Do The Days Seem Longer? They Should, They're Getting Longer

NEW YORK (AP)—Things a columnist might never know if he didn't open his mail:

Do the days seem longer to you now? Well, they are getting longer. Each year the 24-hour day is lengthened by one hundred thousandth of a second.

It isn't true that camels, the "ships of the desert," can go several weeeks or even months without water. The maximum time a working camel can go without a drink is 8 to 10 days.

President Charles de Gaulle of France had an odd nickname during his students days at St. Cyr, the French West Point. His fellow cadets called him "the Asparagus."

Antonio Stradivarius, the famous violin maker, once sent a collection of his fiddles to London for sale at $10 each. They were returned to him unsold because of the high price. One of those same violins today would be worth $20,000 or more.

The only ground for divorce recognized by every state in the union is adultery.

The wooden truth: Despite the widespread increase of plastice and light metal products in this country, the average American still uses twice as much lumber as a Russian, four times as much as an Englishman, and six times as much as a Frenchman.

You hear a lot about how broke old people are. But 40 per cent of all U.S. citizens over 65 have fluid assets of at least $2,000.

Grownups are getting bigger, but babies at birth are smaller. The largest baby in medical history was at 32¾-pound tyke born in 1879 to Mrs. Anna Bates, a 7-foot-5½-inch lady from Nova Scotia.

Some dieters fondly believe they can melt away fat through hot baths. But, according to a study by the Bon Ami Institute, it would take 370 hot one-hour baths to lose a single pound!

You may be bored on the job, but you're safer there. Last year one out of every Americans were killed or suffered a disabling injury by an accident away from work.

Worst pun of the week: Arthur Murray tells of the guy who lost his girl, Edith, because whenever they went out to dinner all he would do was sit and eat pastry. He went to a psychiatrist who told him: "You can't have your cake and Edith too."

## Art Society Has Gallery Contract

EDITOR,
Independent-Journal:

Re Mrs. Leah Schwartz's letter—

In Marin County there is no county museum nor art gallery. Miss Frances Young was kind enough to donate a substantial sum to the Marin Art and Garden Center for an Art Gallery.

The Marin Society of Artists one of the eight founder groups of the MAGC has a contract with the center for the use of the gallery and the surrounding art-in-action area, and the same contract states that the center can not hold activities in competition with the aims of the Marin Society of Artists.

Miss Joy Peterson a non-member of the Marin society of Artists was paid by the fair committee to supervise the registering and returning of paintings by anyone in Marin County who so chose to submit paintings in competition for state fair prize money. The MSA did not receive any funds for the prizes in the gallery from the state funds. The awards for MSA were from the MSA treasury, and the MSA was simply using the grounds in accordance with its contract with MAGC.

Incidentally you may not realize that the Marin Society of Artists has a $5 Membership fee and approximately 383 members and operates a gallery 12 months of the year on an annual budget of approx. $2000 a year. The MSA has done a great cultural service to all Marin County thru the hard work of many volunteers who give time and energy, cakes punch and flowers and hard labor to garden and hang paintings, to maintain the only art gallery in Marin County for you to visit.

## A New Record In Mendacity

EDITOR,
Independent-Journal:

Your editorial of Wednesday, July 8 sets a new record in mendacity.

"A new light industry — a Baptist seminary" — never have I seen such a light industry which pays no taxes, corporate or otherwise.

2,000 wonderfully informed students and vitally alive instructors, of whom many are married and have children, who will be educated in our all ready overcrowded schools at our expense.

Whom are you kidding?

### No Good Reason Why Public Should Pay For Railroad Feather-Bedding

SACRAMENTO (CNS) — The tremendous changes in railroad equipment, from steam to diesel power, have brought numerous problems to the railroads. These problems include adjustment of labor costs to the new equipment, which according to reports from various sources, has not been accomplished in line with the modernization of the equipment.

The California Legislature has not been wholly helpful in helping the railroads make this adjustment. The Legislature passed SB 944, by Senator George Miller (D-Martinez), which has the peculiar requirement that a fireman must be employed on all diesel locomotives.

**THIS MEASURE** is before Gov. Edmund G. Brown for his signature as this is written.

In commenting on how the "law sanctions shake-downs by unions," Frank Chodrov in an article entitled "Bleeding the Railroads," says of the fireman requirement:

"Diesel engines need not be stoked, and have no boilers to tend; but the unions have decreed that every diesel engine must carry a fireman, not only for the ride, but also for the pay; this service costs the railroads $200 million a year.

**"OH YES,** the fireman may be called upon to push a button to start the engine, and in that case, as a governmental referee decided in a recent case, he is entitled to an extra day's pay. The decision was based on a pre-diesel ruling, which provided extra pay for the then hard job of firing up pressure for steam locomotives."

People who oppose this type of operation have a name for it, "feather-bedding."

Certainly trainmen who operate passenger traffic and freight traffic throughout the country are entitled to fair pay. This never has been questioned by management, which is probably willing, but not eager, to give the trainmen what they have coming.

**BUT THE PRACTICE** of "feather-bedding" reaches farther than management — it reaches right down into the pockets of every person in the state, and in fact, in the nation.

The pay-off from "feather-bedding" in the final analysis is from the people themselves in the form of increased freight and passenger rates.

The power of the labor lobbyists in Sacramento undoubtedly has led to some excesses, and SB 944 is a notable example. There appears to be as little reason for the public to pay for "feather-bedding" in the railroads, as in government itself.

## REMEMBER WHEN

### 10 YEARS AGO

The Vatican denied reports that Joseph Cardinal Mindszenty, imprisoned Catholic primate of Hungary, had died.

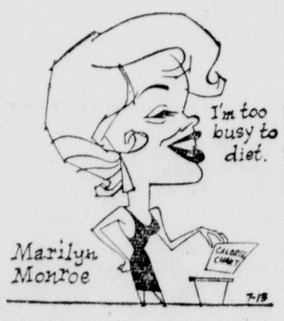
Dr. Robert Danneker became the new president of the Marin County Junior Chamber of Commerce as it began its fourth year of organization.

Three maritime unions struck the Richmond-San Rafael Ferry Co., demanding the work week be reduced from 48 to 40 hours.

## TRY AND STOP ME

BENNETT CERF

In Chicago a reporter asked Marilyn Monroe, "How do you react to stories that you're America's sex symbol for men?" Marilyn snapped, "How do I know about man's needs for a sex symbol? I'm a girl." As an afterthought, she added "I guess sex counts like everything else. I'll not be the one to discount sex."



Marilyn keeps her famous figure without dieting. "I'm too busy to diet," she explains. "After all, I'm the mother of two stepchildren (a boy, 11, and a girl, 14). I eat spaghetti and potatoes whenever I feel like it. In fact, potatoes are my favorite food."

At this point, seven Chicago press agents threw away their calorie counters.

Octogenarian Somerset Maugham told a visitor to his French Riviera estate recently, "Now that I've grown old, I realize that for most of us it is not enough to have achieved personal success. One's best friend must also have failed."

### Statuary And Monuments Tell Interesting Stories In Sausalito

Statuary and monuments dwindled in popularity about the time of World War I. Many of those pieces still to be seen in Marin provide some interesting background.

In Sausalito, for instance, there is the O'Connell seat — an artistically curved stone bench on Bulkley Avenue at Harrison. Now largely unnoticed by the passing traffic, it rests quietly under spreading pepper trees hiding its former glory.

A plaque tells that it was erected to the memory of Daniel O'Connell, a poet who died in 1899 at the age of 50 and who was honored for the entertainment he provided his Sausalito neighbors.

**HARDLY IN THE** category of statuary, Sausalito also boasts of the colorful and widely photographed fountain in its plaza and the two regal looking elephants before, all facing Bridgeway.

These three pieces, together with a pair of flag poles, came originally from the Panama Pacific International Exposition of 1915 in San Francisco and were gifts from public-spirited Sausalitan William B. Faville, who was a resident until recent years.

Perhaps it would be an excellent project for the chamber of commerce or some other civic group to install a plaque at the fountain telling its history and source.

**AN ANONYMOUS** item in the Mill Valley Optimist Club Bulletin tells of the advertising agency which was asked to make a survey aimed at determining something about the person who shops in Mill Valley. The results are as follows:

"The person who buys and shops in Mill Valley is an extremely intelligent being, with exquisite taste and a high potential in any field. As to where he would like to be, his destiny may place him in many graceful and majestic places, but his heart will always remain in Mill Valley."

All three partners in the agency were born and lived in Mill Valley.

**WHEN THAT** pile driver "sailed" up to Sausalito's Ondine Restaurant Thursday morning, the first result was an alarm to the fire department by a woman who saw smoke arising from what she thought was the Ondine. It was the pile driver stoking up.

Next, the apparatus methodically drove four piles and just as methodically pulled them back up and sailed away into the wild blue yonder.

Explanation from co-owner Fred Martinez at Ondine was that it was the first step by the contractor to determine the penetration depth for the series of concrete piles which will support the building when it is skidded 60 feet farther out into the bay later this year as part of an expansion program. Pile driving is due to start Sept. 1, according to Martinez.

**WHEN DIRECTORS** of Marin Municipal Water District announced last week that they were going to drain the unused Cascade reservoir on Lovell Avenue near the Mill Valley city limits, it recalled the vigorous but losing battle waged by Mill Valley City Councilman Peter Behr last summer to have the reservoir converted into a swimming pool.

The project never materialized for many reasons, chiefly because of cost and the fact that it was outside city limits.

Behr is now travelling with his family in Europe.

## ROSCOE DRUMMOND

### Ben-Gurion Refuses To Live In Past, Accepts New Germany

Seventy-three-year-old Premier David Ben-Gurion and 83 year-old Chancellor Konrad Adenauer are the dominant leaders of the new Israel and of the New Germany primarily because they are not ones to live in the past.

Each has been the most durable and most unifying force in his own country. Ben-Gurion from the birth of Israel in 1948 and Dr Adenauer from the re-birth of democratic West Germany in the same year.

Their views and their vision have been focused upon the present and the future. This has brought them remarkably close together.

**AT FIRST SIGHT** it must seem oddly ironic that the No. 1 Jewish political leader of the world engaged himself in persuading his Parliament to approve Israel's selling munitions to the No. 1 political leader of post-Hitler Germany.

How could the Jewish state of Israel, designed in part to provide a secure homeland and, when necessary, a haven for persecuted Jews, bring itself to sell 250,000 grenade launchers to the nation whose Nazi leadership murdered some 6,000,000 Jews within the memory of most living politicians?

The answer is that the 73 year-old premier refuses to live in the past. He not only sees a new Israel, a strong, independent, fearless young nation, but he also sees a new Germany, created not on the foundation of Hitler but out of the ashes of a regime whose lesson has been well learned by the leaders of the Bonn Government.

**BEN-GURION** sees West Germany as far different from Nazi Germany. He considers West Germany "part of the great alliance established to safeguard democracy."

He holds that "those who tell me that the period of the Nazis and their acts might return do not understand what is happening in history."

There are convincing reasons why the Israeli premier has such confidence in the leadership of post-Hitler West Germany and why he would be willing to see Jerusalem and Bonn establish diplomatic relations; such reasons as these:

Chancellor Adenauer has never hesitated to tell the German people the truth about Hitler and to drive home the terrible responsibility which they have for World War II—and its consequences.

Dr. Adenauer himself shepherded through the Bundestage and appropriation of 3.45 billion marks ($840,000,000) to Israel in partial—and more than symbolic—restitution for the wrong done to Jews in Germany by the Hitler regime.

**IN THREE POSTWAR** elections the voters of West Germany have strengthened democratic government at every point, virtually liquidated the kind of splinter parties which undermined the Weimar Republic and committed their nation to a pro-Western, Pro-European and pro-French foreign policy as the essential ingrediants of a worthy German future.

And only a week ago West Germany elected as its new president a former Adenauer cabinet minister with an undeviating anti-Nazi record, Heinrich Luebke.

## DOCK COLLAPSES; 50 PULLED FROM WATER

Fifty persons—half of them children—were waiting to board a Navy launch for an inspection tour of the cruiser Macon yesterday when a dock collapsed, plunging them into Lake Michigan at Milwaukee. # POWELL TREASON CHARGES DROPPED

### But Sedition Indictment Still Pending In Korean Conflict 'Germ War' Case

SAN FRANCISCO (UPI)—Treason charges in the Powell-Schuman "germ warfare" case were dismissed today because the government has failed to obtain grand jury indictments.

The sedition indictment is still pending.

The defendants were John W. Powell, 40, and his wife, Sylvia, 39, of San Francisco, and Julian Schuman of New York City, who put out a Communist line magazine — the China Monthly Review in Shanghai during the Korean conflict.

**ACCUSED OF TREASON**

They were accused of treason in complaints filed Jan. 30 when sedition proceedings against them ended in a mistrial. At the time, then U.S. Atty. Robert Schnacke predicted that the treason case would go to trial within 60 days.

U.S. Commissioner Joseph Karesh dismissed the complaint when the government failed to present two eyewitnesses of an overt act of treason in order to establish a probable cause for the complaint. He noted the complaints were filed five months ago.

**PROBE CONTINUES**

However, U.S. Atty. Lynn Gillard said an investigation of treason aspects of the case are continuing and will continue. He pointed out that new treason complaints could be filed at any future time.

Mrs. Doris Brin Walker, defense attorney, said "the reason they don't have the witnesses is that they just never existed. The reason is they have committed no crime. It's that simple."

The constitution says treason requires two eyewitnesses to the same overt act. Gillard said possible witnesses are scattered all over the world and many are still in Red China.

The Department of Justice in Washington has given Gillard no authorization to seek an indictment, he said. A grand jury held over its normal term to consider the Powell-Schuman case was dismissed last month.

The Powells and Schuman were indicted originally on April 25, 1956, for sedition, after a congressional investigation of the case.

The sedition case did not come to trial until nearly three years later. During its course, U.S. Judge Louis E. Goodman observed out of hearing of the jury that the government had made a "prima facie" (on the face) showing of treason.

But news reports of his remarks caused Goodman to declare a mistrial because he feared the jury might have been prejudiced.

# Power Grab Try By Bridges Told

WASHINGTON (AP) —A New York lawyer testified today he was approached by officials of the West Coast Longshoremen's Union about a plan to seize control of court-appointed monitors policing the Teamsters Union.

Bartley C. Crum told the Senate Rackets Committee that the idea was to pave the way for a merger of the two unions into a single, powerful transport union.

Keystone of the plan, Crum said, involved inducing Godfrey P. Schmidt to resign from the board of monitors and be replaced by Crum in that post.

**Crum said the approach to him came from the longshoremen's president, Harry Bridges, and Bridges' top aide, Louis Goldblatt of Mill Valley, rather than directly from any Teamsters official.**

Crum said the offer came to him in a series of meetings over the past year.

Schmidt has resigned, and today Lawrence T. Smith, a New York attorney, was sworn in to replace him.

Crum said he refused to have anything to do with the scheme because he thought it improper.

The board of monitors was appointed by U. S. district court here as part of a compromise settlement of a suit by a group of rank-and-file union members to bar Hoffa from taking office.

# New Monitor Seeks Ouster Of Hoffa

WASHINGTON (UPI) — Lawrence T. Smith, 36, was sworn in today as a Teamsters Union monitor, and told reporters he will seek the ouster of the union president, James P. Hoffa.

Smith replied with a firm "Yes" when newsmen asked him whether he would work for the ouster of Hoffa.

Smith, a New Yorker, succeeds Godfrey P. Schmidt on the three-member panel of monitors. He formerly was associated with Schmidt's law office in New York, but said he had severed all connection with it before taking the oath as monitor today before Judge F. Dickinson Letts in U. S. District Court.

As a monitor, Smith, as did Schmidt, represents rank-and-file Teamsters who brought a suit to prevent Hoffa from taking office as union president.

# Big Forest Fire Rages On Coast

By U.P. INTERNATIONAL

Some 500 fire-fighters battled a blaze along the Sonoma-Mendocino counties coast today that was "conservatively" estimated at 4,100 acres and "going strong."

State Division of Forestry official Ray Williams said forestry crews had managed to throw control lines around only 50 per cent of the burned area and that the possibilities of holding what they had were "poor."

The blaze, which began in the pre-dawn darkness yesterday, quickly swept through logging slash and across rugged timber and brush country.

Williams said the only bright note was that the fire was accessible by logging roads.

Assisting state crews were volunteer loggers, 120 San Quentin Prison honor camp convicts, a county road repair crew and a "mobile unit" of teen-agers from a nearby juvenile home.

Eighteen bulldozers, plus 20 pumper units and 10 logging camp water wagons, assisted the men battling the fierce blaze which was expected to flare even hotter later today in the face of strong winds.

The U.S. Forest Service had under control six fires started by lightning in El Dorado and Stanislaus National Forests. The Forest Service said those blazes burned a total of 85 acres before being brought under control.

In Humboldt County, another blaze being fought by state fire-fighters was reported 90 per cent under control. The Division of Forestry said that fire had burned some 450 acres.

### Glass Smashing Orgy

Masonry contractor Herbert Berlin of 91 Sidney court, San Rafael, has notified deputy sheriffs that someone broke all the glass from his flatbed truck including the windshield, all windows, the rear view mirror, and the glass on the dashboard. He said the vandalism took place either Thursday night or early Friday morning.

## MARIN FIRE CALLS

**SATURDAY:**

7:08 a.m., Strawberry—Alto Fire Department called to Tamalpais Motel where infant daughter of Henry Mazur of Santa Ana suffered breathing difficulty; she was taken to Marin General Hospital by ambulance.

**YESTERDAY:**

9:25 a.m., Kentfield—Oven fire at 34 Rock Road home of W. C. Woolston; minor smoke damage.

10 a.m., Little Reed Heights—Illegal burning near construction project extinguished by Tiburon Fire Department without damage.

10:50 a.m., Greenbrae—Chase of a mole resulted in puncture by pick of gas main in Henry J. Wickert home, 29 Corte Sereno; firemen put clamp over break.

11:51 a.m., San Anselmo—Sedan belonging to Armour and Co., San Francisco, driven by R. E. Holchester, caught fire on Bank street after carburetor backfire; damage estimated $50.

1:15 p.m., Fairfax — Leaf mold fire of undetermined origin at rear of 204 Scenic road caused no damage.

4:10 p.m., Homestead—One acre of grass caught fire from children's matches at 350 Montford avenue; no damage.

4:27 p.m., Novato—Small grass fire burned area 15 by 45 feet between Highway 101 and Northwestern Pacific Railroad tracks about two and one-half miles north of Novato; no damage.

5:26 p.m., Novato — Wind rekindled Friday's fire on Silveira property four miles north of Novato, east of Highway 101; no damage.

6:06 p.m., Point Reyes—Campfire spread to driftwood back of George Nune ranch on Lighthouse road; three trucks from county fire department extinguished without damage.

6:14 p.m., Marin City — Stove flare-up at House 672 extinguished without damage.

6:03 p.m., Corte Madera—Carl Osterlye, 15 Liberty street, Larkspur, pulled alarm box in front of Corte Madera firehouse seeking policeman to go with him to San Francisco home of sister who feared beating from her husband on his return; Chief Frank L. Nelson referred Osterlye to San Francisco police.

9:30 p.m., Tiburon—Half-acre of grass on Paradise drive apparently ignited by a flare or fuzee; no damage.

10:14 p.m., Kentfield—Motor on deep freeze smoking at home of Stanley B. Brooks, 14 Madrone way.

**TODAY:**

8:20 a.m., Kentfield — Water heater broke, flooded kitchen at home of Mark T. Lott, 14 Lilac avenue.

# Sonoma Smoke Seen In Marin

Smoke and haze that drifted into Marin yesterday afternoon and evening was from two forest fires in Sonoma County, County Fire Chief Charles Reilley reported.

He said coastal winds carried the smoke southward, and that when it reached the head of Tomales Bay it begins to break up and drift inward.

A lookout atop Mt. Tamalpais said he was unable to see the face of the fires, but said he beleived one of them was near the coast in the area near Annapolis where fires have plagued Sonoma firemen for several days.

## LONDON TO PARIS

# Oddball Race Leaders Uses 3 Conveyances

LONDON (AP)—A British army captain traveling by motorcycle, helicopter and jet led the field today in the opening of an oddball race from London's Marble Arch to Paris' Arch of Triumph.

Capt. R. N. B. Walker made the 210-mile trip in a sizzling 57 minutes 48 seconds as the 10-day contest was launched by a London newspaper to show how much time air travelers waste on crowded roads between cities and airports.

Captain Walker made the return trip in an hour and 15 seconds, traveling by the same means.

During the next 10 days, contestants for the $14,000 top prize offered by the Daily Mail, can make as many trips as they like. They are allowed to travel by air or ground but must cross the English Channel by air.

The race celebrates Louis Bleriot's first air channel crossing 50 years ago.

A navy officer used roller skates to weave through the London traffic to a waiting Thames-side helicopter.

The lone American entry is U.S. Army Cpl. George Weckerle of Lindenhurst, N.Y. Weckerle, 30, a parachute rigger who holds a commercial pilot's license, has rented a plane to take part in the contest.

The area of the Rock of Gibraltar and the accompanying British naval base is two square miles.

# Retail Sales In Marin Up 28 Per Cent

SACRAMENTO (CNS) — Retail sales during the first three months of 1959 climbed 17.2 per cent over a year ago to set a new first-quarter record of $4,988,721,000 and produce $149,661,930 in sales and use taxes, the state Board of Equalization reported today.

Every county but Trinity recorded gains, ranging from 5.1 per cent in San Benito County to 74.4 per cent in Mono County.

Marin County, with January-March sales up 28 per cent from a year ago, ranked 16th among the counties in percentage gain. During the three months, sales in the county totaled $32,535,000 to produce $976,050 in the 3 per cent sales tax, amounting to .65 per cent of the total business in the state.

Sales of new motor vehicles, which had been the principal contributor to low sales tax revenues during the 1958 recesssion, showed a 33.5 per cent gain over a year ago. Farm implement sales jumped 31.3 per cent and taxable sales of lumber and building materials rose 32.5 per cent.

Most spectacular gain was recorded by trailer, boat, motorcycle and airplane dealers, whose sales were up 42.9 per cent from the first quarter of 1958. Boat sales alone were up more than 50 per cent. The gain in boat sales since the first quarter of 1954 was more than 275 per cent.

## NO, ALBERT, YOU CAN'T LUNCH HERE

HALESOWEN, England, (UPI) —Albert Dunn, 29, thought he had found the perfect place to eat his lunch.

It was cool, quiet and uncrowded; there was a handy stone slab for a table, refrigeration for his bottle of milk, and facilities for making tea.

But local officials have evicted him. It is just not right, they ruled, to eat lunch in the mortuary.

# Fire Caused By Lightning Rages In Sequoia Forest

By U. P. INTERNATIONAL

A lightning-caused blaze raged out of control today in heavy brush and light timber north of Kernville in Sequoia National Forest, while several other fires elsewhere in Central California were controlled.

The Kern River Canyon area fire erupted Saturday and has spread over 3,000 to 4,000 acres. No structures were involved.

Sequoia Forest headquarters in Porterville reported between 500 and 600 men were battling the flames. Rangers said they "Have no idea when the fire will be controlled. We are trying to put in lines along the top of the fire and a line on the northside has held so far."

The blaze, dubbed "The dry fire," was the largest in the forest since the McGee Burn near General Grant in 1955. It started on the west side of the river and forced the evacuation of Baker Lookout and the Kern River campgrounds.

Two fire-fighters, Jim Bastady of Exeter and Bob Knudsen of Kernville, were injured seriously yesterday when they were trapped in a wind-caused flareup. They were pulled from the fire by fellow fire-fighters who beat out flames on their clothing.

They were taken to Kernville Community Hospital for treatment of severe burns.

The fire crews included 200 Arizona Indians. Six borate tanker planes, two helicopters and three bulldozers were being used by fire-fighters.

Five other lightning-caused blazes were controlled elsewhere in the Sequoia forest after blackening a small acreage. Two lightning strikes were discovered northward in the Sierra National Forest and controlled quickly.

On the Will Rogers Jr. Ranch east of Bakersfield yesterday, 104 fire-fighters controlled a fire that blackened 920 acres of heavy brush. Ranch houses were not damaged by the blaze which was believed to have been started from sparks from a private dump.

Thirty-five acres of brush and light timber were destroyed in the Oakhurst area of Madera County. Cause of the blaze was not determined.

DANCING IN THE SUN — Spectators relax at the College of Marin football field as participants in the California Folk Dance Festival whirl in a fast number. (Independent-Journal photo by Jim Kean)

# Folk Dance Festival Draws 1,000 Here

Lacy petticoats swirled and polished boots stamped through an afternoon and evening yesterday at the College of Marin during the California Folk Dance Festival.

The annual event drew about 1,000 persons throughout the day. The dancers did their fancy steps on the football field during the afternoon, and moved into the gymnasium during the evening.

Highlight of evening dancing were the exhibitions which included the native dances of Scotland, Hungary, Yugosalvia, Poland and Russia.

From 1:30 to 5 p.m. there mostly was dancing for fun, with various native dances performed by anyone who wished to join. Among dancers clad in the lederhosen of Germany were grandmothers and truck drivers in house dresses and dungarees.

Each tip (or section of dances) was followed by squares in which everyone joined.

Also in the afternoon, children from 7 to 11 years old, all members of the Marin Junior Dancers, gave an exhibition of Italian dancing. There were 34 dancers in this section. Another afternoon exhibition was of Israeli dancing by the Rikudom group.

In the evening there was a reel, and an ancient step dance of Scotland, a dance the originated in the vicinity of Warsaw, and one from Russia in which village girls used their womanly wiles to get traveling salesmen to dance with them.

According to Mrs. Scott Tilden of San Rafael, wife of the chairman of the festival, all costumes were authentic — many of them copied from pictures in National Georgraphic Magazine.

One dance revealed a cascade of petticoats—15 of them under each dancer's skirt.

Dancing was to recorded music, and in the case of square dances, with the aid of callers.

## Aynesworth Now Brigadier General

The husband of the former Marian Heckscher, daughter of Mrs. R. V. Heckscher of 245 Creseent road, San Anselmo, has been promoted to brigadier general in the U. S. Air Force by President Eisenhower.

General Horace D. Aynesworth, a native of Texas, is deputy commander of field command for the Defense Atomic Support Agency headquartered at Sandia Air Force Base, Albuquerque, N. M.

The Aynesworths were married in 1940 and reside with their two sons on Sandia Base.

## Fairfax Council To Study Budget

The Fairfax City Council will meet at 8 o'clock tonight to consider a 1959-60 city budget and to sit as a board of equalization.

The proposed budget totals $179,702, compared with a 1958-59 budget of $178,009. Last year's general tax rate was $1 per $100 assessed valuation plus a 10 cent park tax.

Tonight's meeting will be held in the council chambers, 18 Bank street, Fairfax.

## Hi-Fi Equipment Theft Reported

George L. Crittenden of Irvington, owner of a two-story frame house on Spring road in Lagunitas, has reported the theft of more than $250 in hi-fi equipment from the house.

He told the sheriff's office that sometime between Friday night and Saturday morning someone pried open a window and took the equipment which had been installed in built-in cabinet.

## San Rafael School Board Will Meet

The San Rafael Board of Education will consider names for the district's scheduled new high school at Terra Linda tomorrow.

The board will meet at 7:30 p.m. at district offices at 215 Mission avenue, San Rafael.

Other business scheduled includes:

Opening of bids for re-roofing of the San Rafael High School shop buildings and auditorium, awarding of locker bids, appointment of a new elementary school principal and consideration of a teachers' handbook.

### Big Project

EDMONTON, Canada (AP)—A 16-foot cabin cruiser built by retarded children at the Provincial Training School at Red Deer was displayed here. The boat is valued at $3,000.

## WET BLANKET HITS PARTY ON WARSHIP

ALAMEDA (AP) — The cavernous hangar deck of the aircraft carried Midway was the scene of a reception and farewell party last night for 130 reserve midshipmen about to leave on a 30-day training cruise.

All went well until someone turned on the hangar deck's sprinkler system.

Some of the midshipmen, some of the girls and some of the brass got wet.

"Nobody's in the brig yet," said a spokesman, "but the investigation certainly will continue."

## Girl Arrested After Chase

A 16-year-old Mill Valley girl was arrested early yesterday morning after her speeding car forced a deputy sheriff's auto off the road.

Deputy Sheriff W. R. Bradford reported he was forced off the road at 4 a.m. at Highway 1 and Miller avenue at Dolan's Corners.

He said he turned around to chase the car and it picked up speed, traveling at times at 70 miles an hour.

Bradford finally stopped the car on Highway 1 nearthe Fireside restaurant.

He cited the girl for speeding, ignoring a stop sign and failure to heed the patrol car's red light and siren.

## 6 Marinites In Drama Workshop

Six persons form Marin are participating in the San Francisco State College drama department's sixth annual workshop for high school students.

Training in acting, stagecraft, body movement and lighting are David Arrow and Lorin Vogel of Belveder, Merrilee White of Sausalito and David Hoag, Lisa Mibach and Elizabeth Risley of Mill Valley.

## 6 Teeners Arrested While Burglarizing Pool Canteen

Six teen-agers were arrested and placed in juvenile hall yesterday after they were caught in the act of burglary of the canteen at the Tamalpais High School swimming pool.

The sheriff's office said the boys, ranging in ages from 14 to 16, were caught by Charles Crawford of 28 Locust street, Mill Valley. Crawford, a swimming instructor, told sheriff's deputies he saw the boys break a window and enter.

Crawford and Vic Rowen of 129 Crespi drive, Mill Valley, collared the boys and called for an officer.

The sheriff's office said the boys earlier reportedly had beaten up two youngsters at the pool, and then fled when a sheriff's deputy arrived.

The officer said Crawford could see the canteen from his post at the pool, and recognized them as the boys believed involved in the beating.

They were caught in the act of stealing cigarettes and candy, the sheriff's office said.

When the six were taken to the sheriff's office one of them ran away. He turned himself in about 9 p.m., about two hours after the six had been arrested.

Four of the boys are from Marin City, one from Tamalpais Valley and the sixth from San Francisco.

# Pt. Reyes Park Boosters Organize

Mrs. Norman B. Livermore announced today formation of a Pt. Reyes National Seashore Foundation to foster establishment of a national recreation area on the Pt. Reyes peninsula.

Mrs. Livermore is acting as chairman pro tempore until the group chooses permanent officers.

First action of the foundation was a letter to Rep. Clement W. Miller approving the introduction of bills in House and Senate to authorize the secretary of the interior to establish the Pt. Reyes National Seashore area. Mrs. Livermore said introduction of the bill is necessary to assure that the Pt. Reyes proposal will be in a position to be considered for federal appropriation should studies indicate it to be economically sound and otherwise feasible.

Bills authorizing appropriation of 15 million dollars for three as-yet-unnamed seashore parks have already been introduced in Congress. Specific bills authorizing consideration of four other seashore areas—Cape Cod, Indiana Dunes, Oregon Dunes and Padre Island—have also been introduced. Bills by Congressman Miller and Sen. Clair M. Engle would put Pt. Reyes on a par with the others to be given consideration later, she explained.

Mrs. Livermore emphasized that members of the foundation are heartily in favor of the economic and feasibility study, for which $15,000 was recently appropriated by Congress, and expect to be guided by its results. But they feel that while this study is being conducted all avenues to the ultimate securing of the Pt. Reyes seashore area should be kept open.

Founding members include Mrs. Ward H. Austin, Larkspur; Mr. and Mrs. B. K. Dunshee, Ross; Mrs. William Eastman, Inverness; E. Huguenin, Inverness; Mrs. Bruce Johnstone, Inverness; Mrs. Russell Merret, Kentfield; Ray Randall, Inverness; Lothar Salin, San Rafael, and Hurford Sharon, Bolinas. Mrs. Eastman is secretary pro tempore of the group.

# Reed School Budget Calls For Tax Cut

Reed Union School district trustees, in a special budget meeting Saturday, set a tentative operating budget for fiscal 1959-60 that calls for a five-cent reduction in the tax rate, according to Administrative Asst. Lloyd R. O'Connor.

The new rate is expected to be $2.05 per $100 of assessed valuation for the total budget of $521,000. The present tax rate is $2.10.

Final public hearing on the budget will be held Aug. 4, O'Connor said.

Trustees granted an additional salary increase of $100 per year for all teachers in the district. Previously, trustees had authorized a $100 increase. The $200 total represents a 4 per cent salary increase which had been requested by the teachers association salary committee, O'Connor said.

The tax rate for bond redemption and other restricted funds has not yet been set, O'Connor said. He reported the $28,000 reserve fund was $5,000 more than last year's to allow for additional transportation if necessary.

Trustees decided to support the Junior Museum of Marin at a rate of 10 cents per child for a total of $108, and to allocate an additional $2,000 for in-service teacher training.

The scheduled board meetings for tomorrow night and July 28 have been cancelled because vacations, O'Connor said.

## San Rafael Man Hurt In Collision

John Charles Mallon, 19, of 31 Hillview avenue, San Rafael, was hospitalized with painful cuts on his forehead and nose after a two-car crash about 8 a.m. today on Francisco boulevard in San Rafael.

Mallon, who works for Hess Lumber Co., was held for treatment at San Rafael General Hospital.

Officer Richard Camper of San Rafael police said the driver of the other car, Kenneth Edwin Taylor, 50, a contractor living at 13 Mohave court, Corte Madera, would be cited for making a left turn without yielding to the oncoming car.

Mallon was headed east on Francisco boulevard near McPhail's Concrete and Gravel Co. when the other car turned left in front of his.

In another mishap about 10:40 last night, a 17-year-old Terra Linda girl suffered cuts on the lower lip and other bruises wher her car plowed into a parked car on Rafael drive.

Carol Robertson of 206 Orris Terrace, Terra Linda, was discharged from San Rafael General Hospital after treatment.

Officer A. M. Newman said the girl's car crashed into a parked car owned by George Albert Clark of 117 Rafael drive, San Rafael. Miss Robertson's car went across the center line and hit Clark's vehicle, registered to West Coast Beauty Supply Co.

She told police she must have blacked out or looked the other way. All she remembers is the crash.

## 'FIRE' CALL

## Plumber's A Loyal Man To Family

Carl Osterlye, 35-year-old Larkspur plumber, is a man with strong family loyalty.

At 6:03 p.m. yesterday, 16 Corte Madera volunteer firemen raced to the firehouse to find Osterlye, carrying a baseball bat, standing by the alarm box.

He told Chief Frank L. Nelson that he wanted a policeman to accompany him to his sister's home in San Francisco for her protection, and pulled the alarm when he found the police office was locked. The chief contacted San Francisco police for the distraught brother. The sister, near hysterics, was afraid her husband was going to beat her.

Upshot of the emergency: When Osterlye arrived at his sister's home he found her alone and unharmed. When the husband returned, "Everything was patched up," said Osterlye's wife today. The Osterlye home is at 15 Liberty street, Larkspur.

## Brown Uninjured In Auto Crash

LOS ANGELES (UPI) — Gov. Edmund G. Brown and two of his aides escaped injury when the governor's automobile was struck by another vehicle here yesterday.

The governor's driver, California Highway Patrolman Willard Barnett, was taken to Central Receiving Hospital with contusions and abrasions on his left hip.

The driver of the car which collided with Brown's was identified as Elroy Duran, 30, of Los Angeles. He suffered a bloody nose. His passenger, Judy Rivers, 19, was uninjured.

### Alaska Has 1 Rabbi

ANCHORAGE, Alaska (AP) — Alaska has only one rabbi. He is Lt. Joshua Wachtfogel, 24, of Philadelphia, the Jewish chaplain at Elmendorf Air Force Base in Anchorage. He conducts services at the base for civilians as well as military personnel.

# Terra Linda Bond Foes To Organize

A campaign of opposition to the proposal for a $350,000 Terra Linda park and recreation bond issue will be organized at a meeting Wednesday night, Mrs. Edward Wills, Terra Linda civic leader, reported today.

The meeting, of about 20 to 25 persons who will form a committee to oppose the bonds, will be held at the Wills home at 705 Monticillo road at 8 p.m.

### ANTI-ANNEXATION

It may also start a counter-campaign for annexation of Terra Linda to San Rafael, Mrs. Wills indicated. Dan E. Anderson, San Rafael city manager, has been invited to address the meeting.

The Terra Linda Community Services District has announced plans for an election on authorization of a $350,000 bond issue to provide a community swimming pool, youngsters' wading pool, play areas, a turf field, tennis courts and a new community building. Date for the election is to be set at a Community Services District board meeting on July 21.

Mrs. Wills said she is opposing the bond issue because: (1) "It is far too ambitious a plan for only 1,000 families." (2) The community services district board "has been evasive — they haven't given us any facts and figures."

### SECOND SCHOOL

(3) Construction of San Rafael's second high school adjoining Terra Linda will make available facilities which will make some of the proposals of the community services district unnecessary.

The possibility of annexation to San Rafael was broached last year at a mass meeting in Terra Linda at which Mayor John F. McInnis of San Rafael was speaker. At that time, the mayor told the Terra Lindans the city would not be interested in annexing the subdivision until "you solve your problems."

No. 1 problem, he indicated, was the Terra Linda ditch, an open drainage ditch which had broken down and was not properly functioning. Since then, the ditch problem has been corrected.

## Safe Resists Burglary Try

A clumsy safe burglar broke into Brands Ranch Wagon north of Richardson Bay Bridge this morning but failed to get any loot, either in liquor or cash.

Chief Criminal Deputy Ellis Seibert of the sheriff's office said the thief had pried at a floor safe in the bar room without success. About $500 was inside the safe.

About 6 a.m. Isadore Judson, who operates Judson's Janitorial Service, found the side entrance broken and called the sheriff. Seibert said the all night light had been unscrewed and the screen cut for entry.

Max Horowitz of San Francisco, owner of the restaurant, said the place had been closed about midnight last night.

TO RECRUIT — Capt. Alice C. Stockton, WAC recruiting officer for this area, will be in San Rafael at 9:30 a.m. Thursday at the Army recruiting station at Room 27, 819 A street, to interview women interested in a career in the WAC. Women 18 years old or older are eligible.

## Rabies Clinic Tonight At Santa Venetia

Fifth in the series of rabies vaccination clinics being held by the Marin County Health Department will be from 7 to 9 o'clock tonight at the Santa Venetia School.

Charge for vaccination is $1.75 per dog. Only dogs will be vaccinated at the clinics.

Marin County has been designated a rabies area, and vaccination is required before a dog can be licensed. The rabies alarm has been increased in recent weeks by discovery of rabies in three bats in San Rafael.

Dr. Carolyn B. Albrecht, county health officer, said today that residents are delivering bats to the county health office at the rate of two or three per day. No more bats with rabies have yet been discovered, however, she reported.

## Brown Wouldn't Turn Down Demo Presidential Nod

LOS ANGELES (UPI) — Gov. Edmund G. Brown says he has no special presidential aspirations, but would not turn down the Democratic nomination if it were offered him.

Appearing on a television panel show yesterday, the governor emphasized he was not campaigning for the nomination.

"No man could turn down the presidency of the United States," Brown said. "If tendered to me, I would take it and do everything I could to make a good candidate and good president."

Brown said he was not interested in the vice presidency.

"I much prefer to fulfill my job in California — it's only begun," he said. "I feel that the governor of this state has more problems than any other state. It's a big job. I would prefer that to being vice president."

The Bourse is the Paris stock exchange.

# Repeat Drug Offenders Face Stiff Penalty

SACRAMENTO (UPI) — Narcotics offenders with previous records face rough treatment in California courts.

Gov. Edmund G. Brown signed a bill this weekend which provides that judges may not dismiss prior convictions in narcotics cases except on motion of the district attorney.

The bill, by Assemblyman Bruce F. Allen (R-Los Gatos), arose from a study by a joint legislative committee on the administration of justice.

### IGNORE PENALTIES

The committee found that some courts, particularly in Los Angeles County, had ignored mandatory penalties in narcotics cases by dismissing prior convictions.

Allen's bill provides these scale of penalties:

1. Possession calls for up to one year in county jail, or one to 10 years in state prison. With a prior conviction, there is a state prison penalty of two to 20 years.

2. Narcotics sales call for up to one year in county jail or five years to life in state prison. With a prior conviction, there is a state prison penalty of 10 years to life.

No person with a prior conviction is eligible for probation or for a suspended sentence.

Other bills signed by the governor will: Provide that school board members serve four-year terms and that school board elections be held biennially.

Requires an audit by the state Department of Finance or a qualified public accountant of all state college auxiliary funds or funds using the name of the college.

Permit state and local authorities to place signs directing slow-moving traffic to use right-hand traffic lanes.

# It's Sad Sam Vs. Spahn Tonight

MILWAUKEE (UPI)—Sad Sam Jones, (12-8), who along with Johnny Antonelli (13-4), comprises the winningest one-two pitching punch in major league baseball, goes after his 13th win against the Milwaukee Braves tonight.

Jones will be out to square the two-game series with the third place Braves who defeated the league leading Giants yesterday, 4-2. Warren Spahn (10-9) is Milwaukee Manager Fred Haney's mound choice.

The toothpick-chomping Jones defeated the Braves 4-3 in 10 innings the last time he faced them.

Lou Burdette continued his amazing pitching mastery over the Giants in yesterday's contest. It was his 14th victory over them in 15 decisions since 1954.

Two mistakes cost the Giants and Jack Sanford the ball game. Sanford failed to field a bunt in the third inning by Burdette after Johnny O'Brien had singled with one out. Sanford got Bill Bruton to fly out for the second out and what should have been the end of the inning. Then with the count 1-1 on Eddie Mathews, Sanford tried to fire a high inside fast ball past the left handed belter from Southern California. Mathews socked it deep into the rightfield stands to give the Braves a 3-0 lead.

Jackie Brandt unloaded a two-run homer in the fifth to put the Giants back in contention. But they could not rally until the ninth and then it was not enough.

With two down in the ninth and the Giants trailing 4-2, Orlando Cepeda and Daryl Spencer singled. This brought up Brandt, but Burdette got him on a grounder to short to end the game.

# San Anselmo Gets 6th Straight Win

Bobby DeRosa pitched and batted the San Anselmo Ongaro Plumbers to a 15-4 romp over the Petaluma Leghorns yesterday in a semi-pro game at Petaluma.

DeRosa got four hits in five times at bat in hurling his team to its sixth straight win without a defeat. Bob has won all six.

The game was scoreless duel between DeRosa and Petaluma southpaw Jerry Eilers until the fifth inning, when two singles, a squeeze bunt, and a three-run homerun by John Boccabella put the Plumber ahead for keeps.

San Anselmo scored in every inning thereafter, topping it off with another four-run rally in the ninth. Don McGinnis's homer, a 375-foot blast with two men on base, was the big blow.

Besides DeRosa, Lou Campredon with three for four, and John Boccabella, three for six, led the Plumbers at the plate.

Next week Manager Dom Boccabella's team will put its perfect record on the line against San Quentin, at the prison.

## Cal Aggies Track Coach Dies At 62

DAVIS (AP) — Private funeral services were held today for Eugene S. "Woody" Wilson, popular Cal Aggies track coach.

Wilson, track coach at the Davis campus for 32 years, died Saturday of a heart attack at his summer home in the Sierra. He was 62.

He founded the Davis Picnic, a track meet for Northern California high schools, shortly after his appointment at Davis in 1927. He was a graduate of Texas A&M, where he starred in football.

Survivors include the widow, Bernice, a son, James, and a daughter, Mrs. Eugenia Willett.

## Sports Shop Leads S.R. Little League

Taveggia - Brusati Sports Shop team opened up a two-game lead in the San Rafael American Little League Friday night with a 3-0 victory over the Kiwanis Club. That gave the league-leaders a 4-0 won-lost record while three teams —Cerutti Brothers, Fire Department and Kiwanis — each has a 2-2 mark. The Elks are in the cellar, winless in four outings.

## Tiburon Bows In 14 Frames

Tiburon Pelicans went 14 innings yesterday before dropping a tough 7-4 decision to the Lewis Stores team of Oakland. Fred Thurman pitched all the way for the Pels, an unearned run in the first inning costing him the victory in regulation time.

Thurman drove in all four Tiburon runs with a sacrifice fly, a double and a walk.

Lewis Stores put together five hits good for four runs in the 14th to break a 3-3 tie. Tiburon loaded the bases in the bottom half of the inning, and got one run across on the walk to Thurman, but Eddie Vigno flied out to right field to end the game.

## Brown To Pocket Veto Bill On Chavez Ravine

SACRAMENTO (UPI) — Gov. Edmund G. Brown intends to pocket veto a bill that arose from the controversial sale of Chavez Ravine property to the Los Angeles Dodgers.

The bill, by Assemblyman John L. E. Collier (R-Los Angeles), would have prohibited state agencies from transferring land to other public agencies unless the property were used only for public purposes.

The Governor said this weekend that Collier's bill did not confine itself to the Chavez Ravine situation and "its overall effect would be damaging to the urban redevelopment program in California."

## Hurry, Kids! Marin Tennis Deadline Near

HURRY! Get those entries in! The deadline is tomorrow at 5 p.m. for you to enter the Marin Junior Tennis Tournament, which gets under way this Friday and Saturday, and continues through the following Saturday. The annual tournament is co-sponsored by The Independent-Journal and the San Rafael Park and Recreation Department.

Director Joe Rodota has been receiving a flood of entries in the past few days, and expects that it will reach its climax tomorrow as youngsters all over the county rush to get in on the fun. He says that he has received entries from most of last year's champions, who wish to try to add more trophies to their showcases. The trophies, provided by The Independent-Journal, go to the winner and runnerup in each division.

**AGE GROUPS**

There are six age groups for both the boys and the girls. These include the under 18 age division, under 15, under 13 and under 11 in singles, and doubles for those in the under 18 and 15 age groups.

The seeding committee will rank the contestants and allot times tomorrow evening. Most of those seeded high will draw byes Friday, Rodota said, and the younger players will get early starting times. Members of the seeding committee include Rodota, Hal Wagner, Bob Lincoln, Art Morris and Herb Witt.

Entry blanks for the tournament may be picked up at Rodota's office at Albert Field. Entries also can be made by telephoning the San Rafael Recreation Department.

## Castellani Plans No Changes For Minneapolis Club

MINNEAPOLIS (AP) — Johnny Castellani, ex-Seattle University mentor plans no startling changes as the new Minneapolis Laker basketball coach.

Specifically, he has no intention of experimenting with the NBA rookie of the year, Elgin Baylor. Castellani coached Baylor at Seattle.

"Why try anything different with Baylor?" he said. "I'm just happy that we're back together."

In naming the 32-year-old former Notre Damer, the Lakers apparently operated on the theory that any friend of Baylor's is a friend of the Lakers. Together, they carried Seattle to the finals of the NCAA tournament in 1958.

The next season Baylor took the National Basketball Assn. by storm, boosting the Lakers into the Western Division playoff title.

Castellani succeeded Johnny Kundla — now University of Minnesota coach.

## Four Racing Fans Hurt In Accident

AMARILLO, Tex. (AP) — A racing car climbed a barrier and plunged among spectators at a local track yesterday, injuring four of them.

The driver, Charles Sample, 29, of Amarillo, was not injured.

Sample said his right front tire blew on a turn. The car jumped a barrier, dove through a wire fence and plowed into the crowd before hitting a parked car.

# Bucs' Face Threat To Hubbell Record

By ASSOCIATED PRESS

The consecutive game-winning records of Rube Marquard and Carl Hubell, which have withstood the assaults of such Goliaths of the mound as Walter Johnson, Lefty Grove, Bob Feller and DizzyDean, were challenged today by a modern David. He is 5-foot, 7-inch Elroy Face of the Pittsburgh Pirates.

Face, who uses a baffling fork ball as his sling shot, came within five victories of equalling both marks yesterday when he won his 14th straight game this year and his 19th in a row over a two-year span. The 155-pound relief artist is unbeaten this year. He hasn't lost since May 30, 1958.

Marquard established a record of 19 consecutive victories with the New York Giants in 1912. No other 20th century pitcher has won more than 16 straight in one season. Hubbell, one of the six major leaguers who reached 16 in one season, holds the two-year record with 24 in a row. He set that record with the Giants in 1936-37.

The 31-year-old Face worked in both games yesterday as Pittsburgh defeated the St. Louis Cardinals 6-5 in the opener and led 5-4 in the ninth when the nightcap was halted because of the Pennsylvania 7 p.m. curfew law. It will be completed Aug. 19.

Milwaukee's Braves defeated San Francisco 4-2 to move within a game and a half of the league leading Giants. San Francisco retained its one-game margin over Los Angeles, which bowed to Cincinnati 4-3. Chicago split with Philadelphia, the Cubs winning the first game 7-6 and the Phillies taking the second 4-1.

**HADDIX RESCUED**

Face rescued Harvey Haddix in the eighth inning of the first game. He yielded the tying run in the ninth, but was credited with the victory when Roberto Clemente singled with the bases full. He was called upon again in the second game to protect a 5-4 lead in the ninth. The Cards had a runner on first and none out. The little right-hander fanned pinch hitter George Crowe. Before Elroy could pitch again, the clock struck seven and halted proceedings.

The two appearances were the 34th and 35th of the year for Face, who worked in 68, 59 and 57 games respectively, in the three previous campaigns. Besides his 14 victories, Face has saved nine others for Pittsburgh and has been chiefly responsible for the Pirates' 12 victories in 13 overtime games.

Gus Bell's ninth inning single scored Johnny Temple with the run that gave the Reds their first victory under their new manager, Freddy Hutchinson. Cincinnati had lost six straight, three under Hutchinson. Bob Purkey hurled a five-hitter against the Dodgers for his eighth victory. Home runs by Vada Pinson, Ed Bailey and Frank Robinson accounted for the first three runs.

Earl Averill sparked a seven-run fourth inning for the Cubs with a three-run homer against Jack Meyer of the Phillies. Ray Semproch gave the Phils a split by hurling a four-hitter in the nightcap. Ed Bouchee's homer, his second of the day, was the decisive blow in a four-run first inning.

HAVANA—Angel Garcia, 132½, Havana, outpointed Tommy Tibbs, 131, Boston (10).

CHARLEROI, Pa.—Bobby Gordon, 159, Charleroi, knocked out Tony Baldoni, 191½, Wilkes-Barre, Pa. (2).

## Vagrant Leads Chase

PROVIDENCE, R. I. (AP) —The vagrant led police quite a chase after he was spotted in a room at the Maple Hotel.

Later he was captured in another room by police who took no chances. They slipped a noose around his neck.

The raccoon was locked in a clothes hamper until officials decided what to do with it.

## Women's Western Golf Champion Won't Turn Pro

CHICAGO (UPI) — The golfing girls who take pride in their powerful tee shots today can welcome a 20-year-old coed who belts the ball out of sight with ease and regards golf "as just a game."

She's Jo Anne Gunderson, a physical ed major at Arizona State and a resident of Seattle, Wash., who captured the Women's Western Amateur Golf Championship Saturday at Exmoor Country Club.

Miss Gunderson, a five-foot seven-inch strawberry blonde of 145 pounds, outdrove each of her five opponents by margins of from 40 to 100 yards, rivaling the shots of Mickey Wright or Betty Dodd, regarded as the longest hitters in the women's pro circuit.

Jo Anne, a former National Amateur queen, won the title by defeating Marjorie Lindsay of Decatur, Ill., 6 and 4 in the scheduled 36-hole match.

But despite an excellent chance to earn a good living at the game, Jo Anne has made up her mind to remain an amateur.

"I'll never turn pro, the life is too rough," she said.

"By the time summer ends, I get tired of golf. I'd just hate to have to earn my living at it."

## S.F. Team Laces Mill Valley, 22-7

The George Anthony Ross team of San Francisco laced the Mill Valley Merchants, 22-7 yesterday, in a semi-pro baseball game (yes, baseball!) at Mill Valley.

Ross pitcher Hal Petroni held the Merchants hitless for seven innings, while his teammates, taking advantage of the depleted roster of the Merchants, took a 10-0 lead after three innings and coasted to the win.

Mill Valley got all of its five hits and seven runs in the eighth inning as Petroni weakened. Catcher Pete Peterson cracked a single and a double in the frame.

## Fighter Plunges Off Ring In Training Mishap

LOS ANGELES (AP)—Johnny Busso, the fourth-ranked lightweight contender, went through the ropes and landed flat on his back during a sparring session yesterday.

The New York fighter moved sideways to avoid a punch while sparring with George Barry at Olympic Auditorium. He slipped and toppled backward. He went through the ropes, bounced off the ring apron and landed on the floor. X-rays showed no broken bones.

## Echo Only Bay Area Hope In Trans-Pac

By ALFRED MATSON

The six entries from the Bay Area in the Trans-Pacific yacht race to Honolulu, with the exception of the Echo, apparently will not garner any of the coveted trophies. The Echo, however, was leading, handicap wise, in Division D, according to the latest report. The Good News, a proven gold plater and comparable to the Chubasco, now in pirst position, is well down in the listings, better than 100 miles off the pace, a situation that has the local sailing clan in a state of wonderment.

The 45-foot yawl Cloud Nine, owned by William Burnett, San Diego, was completely dismasted some 1100 miles from Honolulu. The cutter Dexter was 250 miles away at the time, but picked up her distress signal and now has the vessel under tow. According to the crew, none of whom was injured, the main mast suddenly "exploded", disintigrating from deck to truck. The mizzen mast also carried away under the strain of the stay to the main mast.

**YESTERDAY**, the IC'S were out for the second race of the Jake Woesser series. The course took them into the upper bay and the winds were quite heavy in that area. So much so that, on the run, the boom on Jack Quinn's Bantry was broken. Despite that horrendous handicap, they still were able to finish in third position. The race was won by John Ford in the Norena with Jake Woesser in second place.

**DUE TO A** bit of misinformation, this column reported that the perpetual Cup Race would be held next Sunday. Nyet, nyet. It will be a week from next Saturday, with a 12 noon start, off the St. Francis Yacht Club.

**THE STARS** also engaged in a bit of racing over the weekend; a double feature with contests on both Saturday and Sunday in the inter-fleet series. Both days, ideal conditions existed for Star boat racing in Richardson Bay. In Saturday's hassle, Al Nelsom edged his Linus into an early lead and stayed there, followed by the Mitchell boys in which Star II and the Ouila of John Scarborough made it home in the third spot. Sunday's event featured the return to winning ways of John Rumsey's Hustler and the consistent Mitchells, Punk and Kim, again figuring in the money. But this time in the third spot behind Scarborough.

## CHUBASCO HAS SLIM LEAD IN HAWAII RACE

HONOLULU (AP) — Steady trade winds gave three boats a chance at victory today in the Trans-Pacific Yacht Race.

Arnold Haskell's Chubasco was leading in both the actual and handicap positions in the last Coast Guard radio reports.

But Miss Sally Blair Ames' Constellation was just 10 miles off the pace and John Graham's yawl Maruffa, a Seattle yacht, was coming up at a fast clip.

## Millers Play All-Stars

MINNEAPOLIS (AP)—The Minneapolis Millers, season-long top guns in the American Assn., face the class of the league's nine other clubs tonight in the 16th annual All-Star game.

A Metropolitan Stadium crowd of 10,000 to 15,000 was expected for the fifth All-Star game in Minneapolis.

## Rams Open Special Camp For Matson And 27 Rookies

LOS ANGELES (AP) —A contigent of 27 rookies, plus veteran fullback Ollie Matson and quarterback Frank Ryan, will report to the Los Angeles Rams training camp Thursday.

Matson, obtained from the Chicago Cardinals in a startling trade last winter, asked to report early to familiarize himself with the Ram system. The camp is at the University of Redlands.

Ryan, a 1958 rookie, will help in the opening offensive drills.

The remaining 30 veterans are due July 24.

Among the rookies due are several who will go on to perform in the College All-Star game at Chicago Aug. 14. Included are quarterback Buddy Humphrey of Baylor, ends Sam Williams of Michigan State and Tom Franckhauser of Purdue, and linebacker Bob Reifsnyder of Navy.

## Hillsdale Owner Won't Duck Match Against Round Table

INGLEWOOD (UPI) — Hillsdale, who has done everything asked of him including an amazing victory Saturday in the $162,100 Gold Cup, today was nominated for the $100,000 Sunset Handicap which brings the Hollywood Park meeting to a close July 22.

Owner C. W. Smith confirmed he had nominated his four-year-old star for the mile and five-eighth race, but whether the horse will stay for the race or even await the assignment of weights Friday was to be decided today or tomorrow by his stable.

Smith said he definitely was taking Hillsdale east either immediately or at the end of the meeting. And he said the colt might be campaigned in the mid-west and east depending on the stakes to be run.

Smith, whose goal is to have Hillsdale named "Horse of the Year," said he would not duck a race with Round Table whether in a stakes or match race but he wanted to have conditions fair to both horses.

The Gold Cup victory was one of Hillsdale's greatest of the eight victories he has scored this year. The Indiana-bred colt was blocked going into the stretch, forced to drop back to fourth and then came on to win by a length from Find with Terrang third and Day Court fourth.

The owner disclosed that Jockey Tommy Barrow and he had discussed for hours what to do in case the horse got boxed off and the rider remembered to come to the outside for the drive which paid off for the big win, worth a net $100,000 to increase Hillsdale's earnings for the year to $432,500.

# Colavito In Strong Bid For HR Title

By ASSOCIATED PRESS

Look out Harmon Killebrew. Forget about Babe Ruth's home run record for the time being. The guy to watch right now is Rocky Colavito.

The Bronx-born slugger of the Cleveland Indians closed within two of Killebrew's major league home run lead by banging his 27th and 28th of the year yesterday.

The pair of four-baggers, Colavito's fourth since the All-Star break, helped the Indians gain an uphill victory over Detroit and a split in their doubleheader. The Indians won the second game 8-4 after losing the opener 6-2.

The split left Cleveland with a one-game advantage over Chicago's White Sox, who swept a double-header from Kansas City 5-2 and 9-7. Baltimore's third place Orioles defated Washington 5-1 and Boston made it four in a row over New York with a 7-3 triumph.

In the National League, Milwaukee whipped San Francisco 4-2 and Cincinnati defeated Los Angeles 4-3. Pittsburgh edged St. Louis 6-5 in 10 innings of the first game of a doubleheader and led 5-4 in the ninth of a second game, halted by curfew. Philadelphia defeated Chicago 4-1 after the Cubs had won the opener 7-6.

### KILLEBREW HITLESS

A Cleveland crowd of 54,727 saw Colavito smash two home runs in the second game, his second coming with two on in the sixth inning to overcome a 4-2 Detroit lead. Killebrew, whose 30 home runs in Washington's 83 games match the pace of Ruth when he slammed his record 60 in 1927, went hitless yesterday.

Colavito has 28 in 81 games. Last year, the Rock walloped 27 of his 41 homers after the All-Star break.

Rocky's four runs batted in helped relief pitcher Jim Perry gain his fourth victory in five decisions. The rookie righthander relieved starter Al Cicotte in the third and allowed no runs and four hits in 6⅓ innings. Paul Foytack, helped by Harvey Kuenn's two-run homer, won the opener for the Tigers with a six-hit performance.

Jackie Jensen drove in four runs with a home run and two doubles and relief pitcher Bill Monbouquette hurled five-hit ball through 6⅓ innings as the Red Sox won their sixth game in eight starts under their new manager, Billy Jurges. The defeat dropped the Yankees under the .500 mark again with a 41-42 record.

### WILHELM WINNER

Hoyt Wilhelm finally won his 10th game. The knuckleball specialist, who lost four straight after winning his first nine games, hurled a four-hitter for the Orioles.

Billy Gardner and Joe Taylor homered off loser Russ Kemmerer and Baltimore outfielders Gene Woodling and Willie Tasby collected three hits apiece.

Rookie outfielder Jim McAnany hit bases-loaded triples in each game to lead the White Sox to their double victory over Kansas City. He capped a five-run first inning of the wallop off Bud Daley and duplicated the feat in the fifth inning of the second game to give the Sox a much-needed 9-0 lead.

The Athletics scored two runs in the sixth, three in the seventh and two more in the ninth to make the second game close. Bob Shaw was credited with his eighth victory against three defeats in the nightcap. Ray Moore won his second game in the opener.

## Coast Water Ski Championships Set At Clear Lake

Hundreds of acquatic sportsmen will converge on Lakeport, picturesque resort town in the heart of the Redwood Empire, to compete in the Pacific Ski Racing Championships on July 25-26.

Six events will be held on July 25. They are: races for girls, 12 years and under; boys, 12 years and under; girls, 15 years and under; boys, 15 years and younger; and two "hot" boat races.

Scheduled for July 26 is the Women's Open, eight laps; Men's Open, 20 laps; veterans, 30 years and over, six laps; and the unlimited boat race.

Milton H. Lange Sr., who organized the popular event in 1953, announced that all boats must participate in one ski race in order to enter the "hot" boat races.

The program of water events will start at 1 p.m. both days. Entry fee is $3, and registration for various events will be accepted at Library Park, Lakeport, from 10 a.m. to noon on July 25.

Water skiers, according to Lange, rate Clear Lake as one of the world's top location for the thrilling water sport because of weather conditions and ample room in which to navigate.

## Dawson-Taylor Team Wins Marin Match

The team of Johnny Dawson and Dr. Bud Taylor, representing southern California, downed Harvie Ward and Eli Bariteau Saturday by a 5 and 3 margin in their North-South exhibition match at the new Marin Golf Club.

Dawson and Taylor fired a seven-under-par best ball score of 65 while Ward and Bariteau were four under at 68. Individual scores showed Dawson set a competitive course record of 70 on the maximum 6,900-yard layout. He had six birdies, two bogies and a double bogey.

The match was a feature of the new club's open house week-end and will be an annual affair.

### FAST START

The Southern team got off to a one up lead on the first hole with both players scoring birdies. They then proceeded to build up a lead by scoring five birdies on the first six holes.

Bariteau kept his Northern team in the race by birdieing the fifth, seventh and ninth holes. At this stage the South was 2 up, but Ward birdied the 10th to draw within one hole of the leaders. On the 11th hole Taylor's ball lodged in an oak tree for an unplayable lie. Dawson proceeded to dump his approach into a sand trap adjacent to the green and, when it appeared that the North would even the match, Dawson pulled out his magic sand wedge and exploded from the trap sending the ball 50 feet through the air on a beeline to the cup and holed out for a birdie three. This was the turning point of the match as Dawson applied the pressure by birdieing the 13th and 14th and closing out the match with a on the short 150 yard 15th hole.

The players continued to play out the round and on the long 530 yard 16th hole, into a slight breeze, Ward showed his championship caliber by hitting two tremendous wood shots and carying the center of the green, where he missed an eagle by inches. Both he and Bariteau made birdies.

Fred O'Bannon referred the match with George Splane, professional and Fred Ahnert, club official, acting as the rules committee. The scorers Mesdames Henry Helbig, Jack Hatchett, Jean Dolan and Ed Abramson. Robert Poeschl, vice-president of the Men's club, presented the prizes to the winners.

## AAU Swim Shows U. S. Strong For Olympics

LOS ALTOS (AP)—A smashing performance that set 2 world, 7 American and 11 AAU meet records also brought proof today that United States is growing stronger in swimming with the approach of the 1960 Olympic year.

Tomorrow, the two fellows who established fresh world standards—Frank McKinney in the 200-meter backstroke and Mike Troy in the 200-meter butterfly—head a 16-man team going to Japan for a big meet July 20-22 in Tokyo.

McKinney and Troy also helped the Indianapolis Athletic Club successfully defend its team title with 103 points. But it was 17-year-old Alan Somers, just out of Indianapolis Tech High School, who won individual high honors with 18 points.

Somers, who will join McKinney and Troy at Indiana University this fall, set American citizens' records in the 400 and 1,500-meter free-style races. His times were 4:30.6 for the former and 17:51.3 for the latter.

**McKinney, 20-year-old prelaw student, starred in last night's windup as he swam the 200-meter backstroke with seeming ease but timed in 2:17.9 to shatter Australian John Monckton's world record of 2:18.4.**

Troy, an 18-year-old, had established his world mark Saturday night with 2:16.4 in the 200-meter butterfly.

The Detroit A.C. 400-meter medley relay team brought an American citizens' record in the event with a 4:21.9 clocking.

Lance Larson, 19, of Los Angeles scored a double triumph in winning the 200-meter individual medley in 2:24.7 for an American record and the 100-meter butterfly in 1:01.1, a meet record.

## Paula Pope, Tobian Snare Dive Titles

SAN FRANCISCO (AP)—Mrs. Paula Jean Myers Pope and Gary Tobian, both of Los Angeles, turned in some of the prettiest plunges of their careers yesterday to retain their National AAU Diving Championships.

Mrs. Pope, who recently graduated from the University of Southern California, won her fourth straight outdoor title.

Tobian, a USC student who represents the Los Angeles AC, had to go to the final dive from the 10-meter tower before edging two opponents for his fifth consecutive crown with 463.10 points.

Tobian beat Bobby Webster of Sammy Lee Swim Club by only .90. Joe Gerlach of the Detroit A.C. finished third with 459.40.

Los Angeles girls won seven of the first eight places in the women's division. Kathleen Hartwig, of the Ann Arbor, Mich. Swim Club, took seventh.

Tobian qualified for a berth on the U.S. All-Star team that will compete against Japan later this month, but passed it up to concentrate on his studies. The All-Star spot was given to Don Harper of Cincinnati, the 3-meter springboard champ.

**Men's Division**—1, Tobian, 463.10. 2, Robert Webster, Sammy Lee Swim School, 462.20. 3, Joe Gerlach, Detroit A.C., 459.40 4, Scott Catlett, Los Angeles A.C., 419.45 5, Don Harper, Coca Cola Swim Club of Cincinnati, 416.10. 6, Dick Kimball, Detroit A.C., 409.95. 7, Alvaro Gaxiola, Mexican Nacional, 406.00. 8, Tom Gompf, Coca Cola S.C., Cincinnati, 363.25.

**Women's Division**—1, Mrs. Pope, 250.70. 2, Irene MacDonald, Los Angeles A.C., 238.15. 3, Barbara McAlister, L.A.A.C., 229.75. 4, Juno Irwin, L.A.A.C., 229.00. 5, Tahia Sparling, L.A.A.C., 224.70. 6, Karla Klump, L.A.A.C., 210.20. 7, Kathleen Hartwig, Ann Arbor Mich. ## MIDDLEWEIGHTS FEATURED ON TV THIS WEEK

By ASSOCIATED PRESS

Boxing champions are safe this week, anyway. There aren't any title fights on the program.

Old Archie Moore's light heavyweight title defense against Canada's Yvon Durelle was put back from July 15 to July 29 at Montreal. Instead of the return bout of this classic, television fight fans will get a middleweight 10-rounder between veterans Holly Mims and George Benton from Miami Beach, Fla., Wednesday night, ABC, 7 p. m.

Another middleweight fight — between Dick Tiger and Rory Calhoun— features the Friday night radio-television (NBC 7 p. m. PDT) scrap at Syracuse.

## Don's Win Final Game In Manila

MANILA (AP)—The University of San Francisco Dons won their final game here today with a 76-70 victory over the Filipino Stars. It was their 14th victory in 17 games in the Philippines.

Jim Brown and Gene Cunningham sparked the Dons to their final win.

## Souchak Beats Palmer With Dramatic Rally

PITTSBURGH (AP) — Shed pounds and save strokes, says golfer Mike Souchak.

The 196-pound hard hitter from Grossinger, N. Y., says the fact that he has trimmed off 20 pounds in recent weeks was the big factor in his Western Open championship. He won it yesteday by a single pressure-packed putt on the 18th green on the Pittsburgh Field Club. Picking up the $5,000 check made the careful dieting well worth while, he observed.

Actually, the difference between winner and runnerup was more easily measured in inches.

Souchak putted accurately from four feet on the final green for a brilliant 65, five shots under par, a 72-hole total of 272.

His closest rival, Arnold Palmer of Ligonier, Pa., missed his putt from two feet and had to settle for a shaky 71 round that wiped out his lead at 54 holes and left him all alone in second place with 273 strokes.

The difference amounted to $2,500. Palmer got just half as much as Souchak.

The duel of the two fairway stars was a dramatic climax to a par shattering tournament which was, surprisingly, a substantial failure at the box office.

The course records were set at the Field Club, first at 65 and Friday at 63 strokes, the latter by Dutch Harrison of St. Louis.

Souchak and Palmer played together yesterday with Palmer holding a 5-shot edge at the first tee. Souchak caught up at the 11th, then they matched stroke for stroke with a birdie and five pars to the 220-yard uphill 18th.

Third money of $2,000 went to big George Bayer, from Lemont, Ill., who finished with 274, six under par and a stroke better than Ted Kroll, Sarasota, Fla., who won $1,500.

SPITTING ON A STONE?
Ever try spitting on a stone to ease pain? Sounds foolish, nowadays. But a long time ago folks actually used this "remedy." We're lucky to be living in this age of modern medicine. Medical science has given us many wonderful pain relievers and other reliable, effective drugs. However, it's still not wise to use *any* medication indiscriminately. When you don't feel up to par, ask your physician's advice first. Then, if he prescribes medication, come to us. We'll fill his prescription promptly and carefully.

# WIRE NEWS BRIEFS From Everywhere

### Argentina Arrests Six

BUENOS AIRES, Argentina (AP)—President Arturo Frondizi was plagued by a feud between high naval officers and navy secretary Adolfo Estevez.

Six captains were arrested last night after formally demanding the resignation of Rear Adm. Estevez.

Estevez and Frondizi met for an hour last night and an informed source said, "You can consider Estevez's resignation as made."

### Car Blast Kills Two

PLACERVILLE (AP) — Alfred Rex Fields, 53-year-old Placerville rancher and his 81-year-old mother, Hildegarde Fields, were killed near here yesterday when their car was blown apart by an explosion.

A hole four feet across was blasted in the road.

Highway Patrolman William Emanuel said Fields operated a mine on weekends and was in the habit of carrying dynamite and black powder which could have been set off by a cigarette.

### Rugged Marine Hike

BARSTOW (UPI) — Two hundred and fifty Marines armed with 20,000 salt tablets set out tonight on a 175-mile hike from the scorching heat of Death Valley to snow-capped Mt. Whitney.

The 14-day march tabbed "Operation Hi-Lo" will be undertaken by members of the 1st Reconnaissance Battalion of the 1st Marine Division from Camp Pendleton, as a toughening up and training mission. The group will encounter 130-degree heat at 252 feet below sea level and temperatures of about 30 degrees at 14,496-foot peak of Mt. Whitney.

### Crash Kills Five

DURANGO, Colo. (UPI) — A plane crash killed Chicago pilot-industrialist Kenneth B. Ross and four passengers last night, but a 100-acre brush and forest fire has prevented search parties from bringing out their bodies.

Ross's plane, a twin-engine Beechcraft, smashed into an 8,000 foot mountain near Ignacio in southwestern Colorado.

### Missiles On Schedule

FT. RILEY, Kan. (AP) — The Army's missile program is ahead of schedule and is the strongest in the world, says Secretary of the Army Wilber Brucker.

Brucker, who flew in from Washington yesterday, also told a newsman:

"We believe the Nike missile system is the finest ground-to-air interceptor system to be developed."

### East Gets Rain

By U. P. International

Rain pattered down on widely-separated areas today, bringing smiles to farmers and frowns to children.

Scattered showers were reported from Nevada northeastward into extreme Montana, from the Southern and Central Plains northward into the Mississippi Valley and the Lake Superior area and in the New England area southward into Virginia.

### Signs Marriage Bill

SACRAMENTO (AP) — Once you make up your mind to get hitched, you'd better hustle.

Gov. Edmund G. Brown has signed into law a bill under which marriage licenses will expire if not used within 90 days.

The author, Sen. John A. Murdy Jr. (Santa Ana) says the measure plugs a loophole in the effectiveness of mandatory blood tests.

### China Misses Goal

TOKYO (AP) — China's Communist party has made plain the country did not reach the 525-million-ton grain production goal Premier Chou En-lai fixed for 1959. It hinted that Chou had set the mark too high. Severe floods in vast agricultural areas of south China have cut further into the prospective crop.

### Hollywood Fire Out

HOLLYWOOD (AP) — Confident that the brush fire has been completely controlled, the fire department has pulled its equipment and men out of the blackened Laurel Canyon area.

The department withdrew its 20 fire companies yesterday and public works crews moved into the hillside residential area to begin restoring services and clearing roads.

### Gunfire In Church

TULSA, Okla. (AP) — A burst of automatic gunfire broke the Sunday calm at the Tulsa Baptist Temple. One person was killed and three were wounded.

J. R. Swarb, a self-service laundry operator, threw down his .25 caliber automatic pistol when cornered by a traffic policeman.

Police Commissioner Robert L. Mawhinney said Swarb tried to kill his ex-wife's husband, Kenneth Starnes, 33. Instead he fatally wounded his ex-wife's mother, Viola M. Bridges, 49.

Starnes was critically wounded. His wife, Earlene Starnes, 31, was shot in a leg. Cornelia Bragg, 58, wife of the U. S. commissioner in Tulsa, was also wounded in a leg.

*ONLY CABOOSE ESCAPED DUNKING*

Anly the rear end of this Southern Pacific caboose remained out of the water after three locomotives ahead of it plunged into 35 feet of water in the Napa River yesterday at Napa. The 186-ton diesel locomotives went off a drawbridge, opened to allow a boat to pass. All five trainmen escaped injury. What happened? That's still a mystery, railroad officials said today. ## Girl Admits Setting Fire That Killed 7 Of Family

ELMIRA, N.Y. (AP)—Fifteen-year-old Jane Shusko admits setting the fire that killed seven members of her family, police say, but she doesn't know why.

"From her statement, the girl didn't appear to have been mad at anyone of the family, nor was she holding a grudge of any kind," said Police Captain J. William Maloney.

Jane's brother and six of her eight sisters died of asphyxiation in their second-floor bedrooms Saturday night.

Jane escaped with her mother, Lillian. Two other daughters were rescued by a neighbor, Michael Shusko, the father, was at work in a milk-processing plant.

## U. S. Reports New Honduras Revolt Quelled

WASHINGTON (AP) — The State Department reports that for the second time in two months the Honduran government has crushed an armed revolt led by the same man.

The department quoted the U.S. Embassy in Tegucigalpa as saying yesterday's revolt was short-lived but that there was heavy firing in the area around police headquarters in Tegucigalpa.

The embassy said government troops and police beat back the attack, launched with a few pieces of field artillery as well as rifles and pistols.

The reports named the leader of the revolt as Armando Veleasquez Cerrato, former army chief of staff, and said by agreement he was permitted to leave the Central American country again.

The Associated Press has received no direct word from Tegucigalpa since early last night. That dispatch, delayed some hours in transmission, said firing was continuing throughout the city but centered around the police headquarters, "which seems to be the center of the revolt."

The State Department received no information on the number of troops involved in the fighting, nor of the casualties.

## *KOZLOV ENDS VISIT WITH PEACE WISH*

NEW YORK, (UPI)—Russian First Deputy Premier Frol R. Kozlov left for home today with a parting wish of "peace and friendship" for the United States but still convinced, he said, that President Eisenhower's grandchildren will live to see a Communist America.

In a busy last day in the United States, Kozlov visited the Empire State building, the United Nations and a subway, held a press conference and paid a one-hour "courtesy call" on former New York Gov. and U.S. Ambassador to Moscow Averell Harriman.

## Replace Butler? Democrats Scoff

WASHINGTON (UPI) — Some influential Senate Democrats scoffed today at the suggestion that they are trying to replace Democratic National Chairman Paul M. Butler with one of their colleagues.

Butler said yesterday that his Democratic critics in Congress already have selected a "certain western senator" to supplant him. He forecast that any ouster move would fail. He refused to identify the senator.

# Big Crowd Periled Emergency Landing

NEW YORK (AP)— "Ignorance and confusion" ruled at Idlewild Airport while a crippled jet airliner with 113 persons aboard circled the field, the city fire commissioner charges.

Fire Commissioner Edward F. Cavanagh Jr. said yesterday that city firemen got little or no cooperation from Port of New York Authority personnel, who run the airport. Instead, they said, they encountered an arrogant attitude.

The Pan America World Airways plane, which dropped part of its landing gear just after taking off for London, circled the field for four hours before making a safe emergency landing early yesterday.

Austin J. Tobin, executive director of the Port Authority, responded hotly to Cavanagh's criticism. He said the fire commissioner had made an attempt "to besmirch a magnificent feat."

The rescue efforts were severely hampered by thrill seekers thronging to the airport by car and on foot.

Airport authorities said there were 50,000 of them, knocking over barriers, spilling onto the field, jamming roads so fire-equipment couldn't get through.

Meanwhile, Capt. Edward Sommers, the pilot, circle a mile up in the night sky, waiting to make an emergency landing.

He circled to burn up fuel and to give firemen time to spread anti-fire foam over the runway.

When Sommers finally brought the big jet lower and approached the runway, he saw the crowds and delayed landing. Later he was bitter, saying they were the "biggest menace" of the ordeal.

He said rescue equipment couldn't have reached the plane in time, and that there was danger that the big ship would go off the runway and kill hundreds of the spectators.

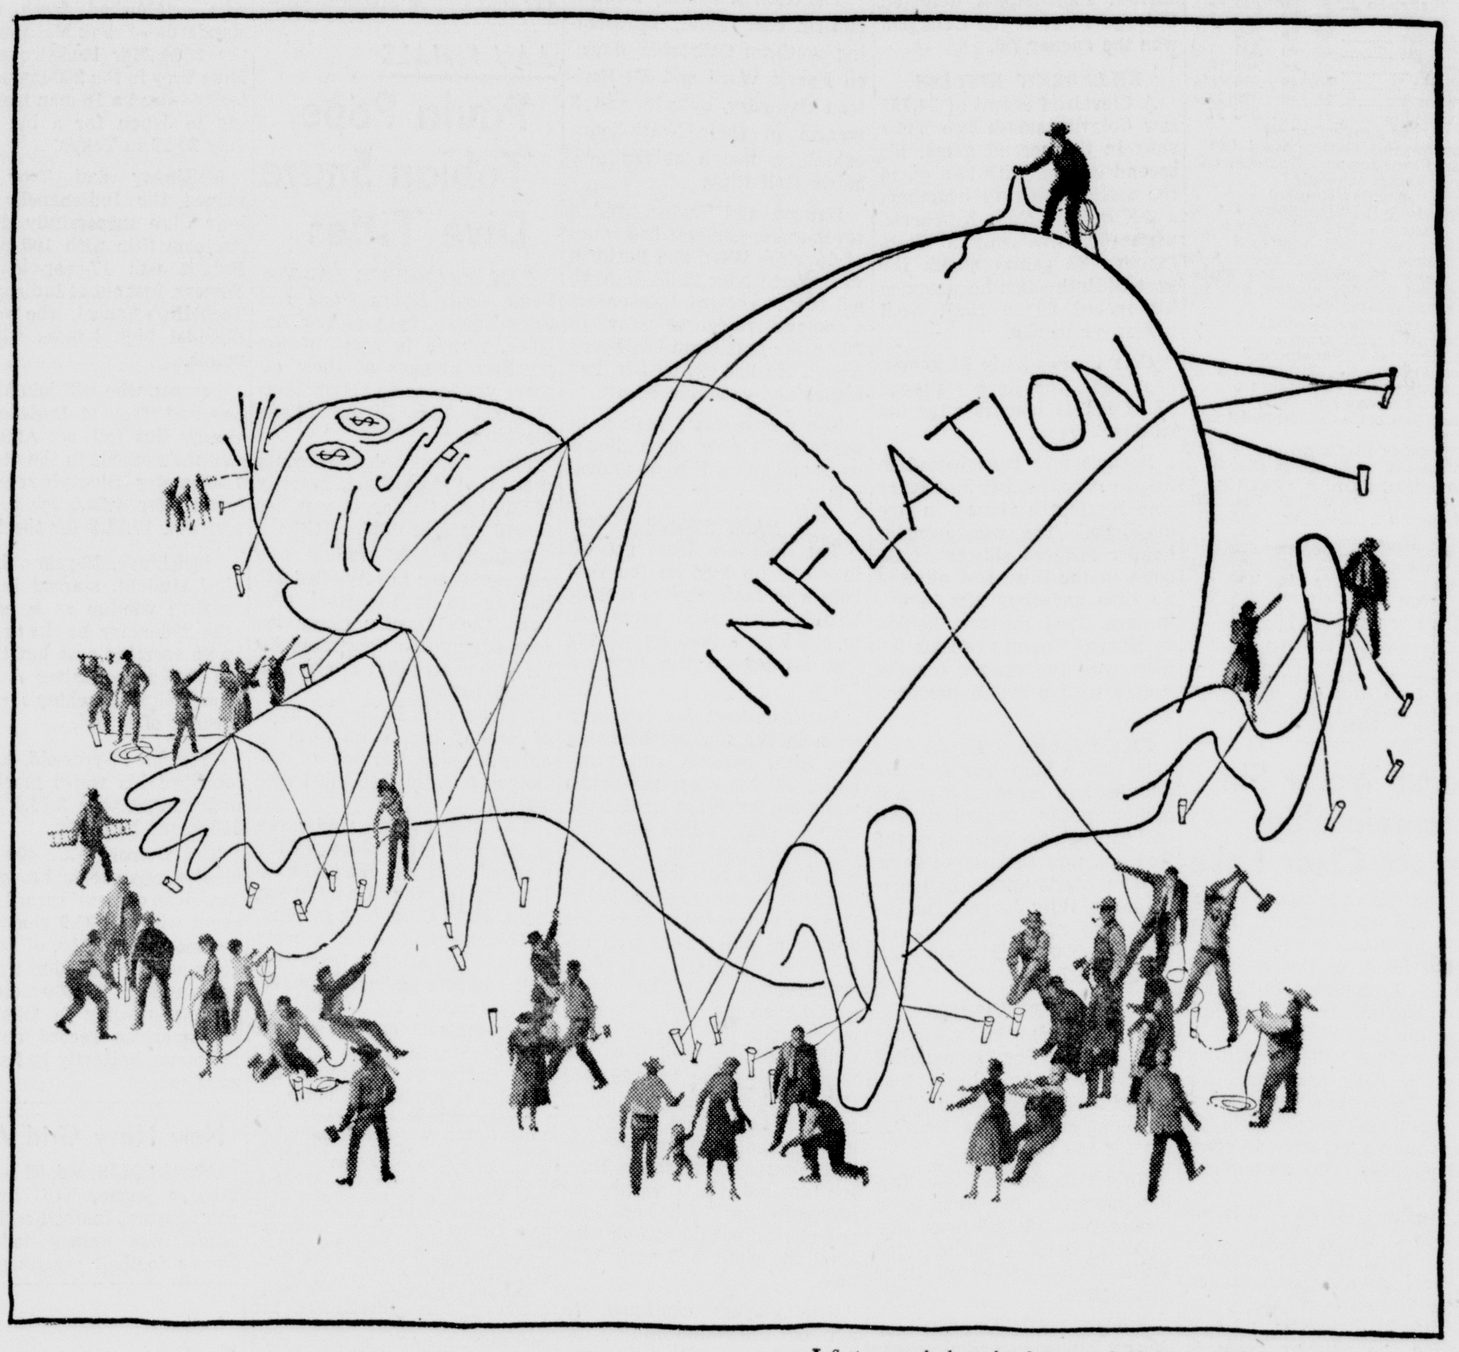
## 2 Teeners Admit Big Bank Theft

SAN DIEGO (AP)—Two Canadian teen-agers have admitted to police their theft of $71,529 from an Ottawa bank.

They said the idea came to them two weeks ago "out of the clear blue sky."

The youths, both from the community of Eastview near Ottawa, are Richard Boudreau and Gerald Leclerc. They are 19.

They were arrested yesterday as the attempted to cross the border into Mexico.



Inflation may look too big for you to hold down. But lots of people, *working together,* can pin inflation to the ground.

# There is a way to hold down inflation

You can probably remember when, on week-end shopping, you couldn't lift all a five dollar bill could buy. Today, as you know, money doesn't go that far. That's inflation.

And it isn't only in *one* department or store. Inflation makes *everything* cost more.

*Even fatter pay checks have a tough time keeping up with rising prices. Just since the end of the war, this "cruelest tax of all" has cut 32¢ from the dollar.*

One of the reasons your dollar is worth less and less is excessive government spending. Some people urge their representatives to spend and spend even when it means borrowing from the future. But these people overlook that spending tomorrow's money today is merely postponing payment and adding to inflation.

This is where you can play an important part. You can tell the government what *you* want instead of leaving the field to pressure groups who never fail to tell the government what *they* want. You can also spend your family income with an eye to getting your money's worth and saving something, too.

**HOW YOU CAN HELP STOP INFLATION**

**1. Write to your senators and congressmen** and tell them you favor tightening up on expenditures which can be reduced, postponed or eliminated altogether. Many of them believe exactly as you do, but if they hear mainly from pressure groups who demand more spending, it is hard for them to hold the line against inflation. That is why you and others need to make it clear that you expect the government to live within its income.

**2. Your state and local representatives** also may appreciate being reminded that you favor tightening up on state and local expenditures.

A good way to keep yourself fully informed on how your representatives are voting is through your newspaper.

**3. Whenever you shop,** don't be afraid to be price-conscious. You have a right to receive full value for the money you spend.

**4. When you buy wisely,** you will find it easier to build a nest egg which will give your family that extra protection you want them to have. And as many of us add to our nest eggs, we will be providing the capital for more jobs and greater opportunity for all.

A strong and prosperous America depends on a strong and stable dollar.

MRS. RALSTON HODGSON and her daughter, Sandy, model traditional Island leis in keeping with the "Salute to Hawaii" theme for the first of the Northgate Group-sponsored luncheons, which will be held at the Marin Art and Garden Center on Wednesday, July 22. The Mesdames John Dowling and Radford Hall, hostesses; Harrison Leppo, music; Joseph Q. Riznik, publicity; and Harvie Freed, Jay Hale and Aaron Kessler, waitresses, are among the committee members assisting with series of six luncheons and fashion shows.

EVEN THE HATS will "go native" at the "Salute to Hawaii" luncheon. Sue Buresh and Mrs. Donald Jeffries are interested spectators as Sue Jeffries, (right), attaches an orchid. Committee heads for the series also include: the Mesdames Lowden Jessup, Jr., E. W. Ned Landrum, Henry Drath, punch; Hammond Wright and William Haney, reservations; Paul Spengler and Frank Brown, cashiers; and James Barnes and Francis Auger, volunteers' luncheons. Mrs. Frank Dettner is chairman for the fashion shows which will start with the July 22 luncheon.

PINEAPPLES AND TI leaves will adorn these luncheon tables being set up by Mrs. Walter Baird and her daughters, Judy (right) and Nora (rear) in readiness for the July 22 luncheon, which will be followed by the authentic Hawaiian entertainment of Bobby Kuala and his dance group. Mrs. William Cole and Mrs. Henry Eddy are in charge of tables for the luncheon series; Mrs. William Cuneo, table decorations; and Mrs. George Stapleton and Mrs. Edward Ruff, seating.

AMONG THE NORTHGATE mother-daughter teams who will act as volunteer hostesses and waitresses at the "Salute to Hawaii" luncheon at the Marin Art and Garden Center are left to right, Jan and Mrs. John Siemens and Gwen and Mrs. Ben Morden. Reservations for this and the succeeding luncheons and fashion shows, planned forWednesday afternoons during the last two weeks of July and the month of August and all open to the public, can be made through the Center. 'SALUTE TO HAWAII'

## Art And Garden Center Series To Open Wednesday, July 22

A "Salute to Hawaii" program honoring the "Fiftieth State" will open the Marin Art and Garden Center's traditional summer series of outdoor luncheons and fashion shows on Wednesday, July 22.

The event, to which the public is invited, is one of six Northgate Group - sponsored parties held on the beautiful Center grounds on successive Wednesday afternoons at 12:30 p.m. during the last two weeks of July and the month of August, according to Northgate president Mrs. Andrew Halley of Ross.

Setting the theme for the afternoon will be gaily clad Northgate members in Hawaiian costume and table decorations featuring pineapples and ti leaves.

Guests, too, are also invited to wear the distinctive Island attire if they prefer, says Mrs. Melvin Duncan, co-chairman for the luncheon series with Mrs. Roland L. Wilson.

Special Hawaiian entertainment performed by Bobby Kuala and his well known dance group from San Francisco will be a major feature at this first luncheon, instead of the fashion shows planned for the succeeding parties.

A native of the Islands, where his mother still teaches the authentic local dance, Mr. Kuala has taught his dancing group unusual and ancient hulas. He himself accompanies the group with Hawaiian chants. Musical accompaniment for the dancers will be played on the traditional guitars, gourds, and drums by two Marin couples, the Frank Moitozas of Mill Valley and the John Andersons of Corte Madera.

Pouring at the punch bowl for the opening luncheon will be two of the Center's founding mothers, Mrs. Frank C. Stratford and Mrs. Norman Livermore, who is also the current president of the Center. Members of the hostess committee for the day are Mesdames Leonard De Martin, Henry Eddy and Roger Kane.

Northgate mothers and daughters who will be volunteer hostesses and waitresses at the luncheon include the Mesdames Ralston Hodgson and Sandy; John Buresh and Sue; Balfour James and Pat; Donald Jeffries and Sue; Ben Morden and Gwen; John Siemens and Jan; Robert Nelson and Nancy; Roger Kane and Susan; and Walter Baird with Judy and Nora.

Coordinator for the series is Mrs. Henry Skinner, who has been assisted by Mrs. Fred Figone with the entertainment details for the first luncheon.

Members of the Pixie Parent group, another Art and Garden Center affiliate, will provide baby sitting from 12 to 3 p.m. Mothers interested in this service are asked to notify the Center at the same time they make their luncheon reservation.

At the remaining five luncheons, Marin groups will cooperate with Center affiliates on the events.

Announced this week by Mrs. Duncan are two changes in the luncheon program schedule. The Social Service and Junior Auxiliary program will be held on Aug. 5 and that of the Children's Home Society groups on Aug. 26.

## Expectant Mothers Honored At Tea

The Expectant Mothers' tea was recently held for 14 mothers who have completed the course given for them at Marin General Hospital by Miss Ditt, Director of Nurses for the hospital.

NUPTIAL MASS

## Joan Haley, Thomas Fennone Wed Saturday At St. Raphael's

At a nuptial mass at high noon on Saturday in St. Raphael's Church, Joan Marie Haley, daughter of Judge and Mrs. Harold Joseph Haley of San Rafael, became the bride of Thomas John Fennone of San Francisco.

The bridegroom is the son of Mr. and Mrs. Thomas J. Fennone of San Francisco.

The Rev. Daniel McAlister officated for the double ring ceremony.

Given in marriage by her father, the bride wore a full length gown in a shade of ivory fashioned of bouquet taffeta, featuring a scoop neckline and short sleeves. The princess bodice was decorated with delicate re-embroidered Alencon lace and seed pearl band which was held by a V-shaped folded band accentuating the Empire line. It was caught in the back by a double rose of self fabric. The dome-shape skirt had wide unpressed pleats and extended into a court train. Her three-tiered elbow length veil of candlelight French illusion was held by a pearl cornet. She carried a bouquet of white roses.

Carol Haley of San Rafael was maid of honor for her twin sister. Bridesmaids were Mrs. Irwin Davis of Honolulu, the bride's sister; Maureen Gifford, the bride's cousin of San Rafael and Peggy Rogers of Nicasio.

They wore pink satin taffeta gowns fashioned with three quarter sleeves with a bow at the waist. The soft pleated skirts were bell-shaped and they carried boquets of pink carnations. They had pink coronet headdresses with circular pink veils.

Robert Johnson of Casper, Wyoming, was best man and ushers included Douglas Maloney of Santa Rosa; William Murphy, San Mateo and Ronald Modeste, San Francisco.

For her daughter's wedding, Mrs. Haley wore a beige silk shantung dress fashioned with three quarter sleeves and V-neckline. She had a beige hat and accessories and cymbidium orchid corsage.

The bridegroom's mother wore a blue silk shantung sheath trimmed in a darker shade of blue chiffon. She had hat and shoes of blue and beige gloves and purse. Her corsage was of beige orchids.

A reception followed the ceremony at the Meadow Club. Laurel Taylor of Atherton was in charge of the guest book.

For a wedding trip to Coronado, the bride changed to a brown suit with black accessories. She had a corsage of yellow cymbidium orchids.

The bride was graduated from Marin Catholic High School and Dominican College. In the fall, she will teach in Orinda.

Mrs. James B. Ahern and Mrs. Daniel J. Haley, both of San Francisco, are her grandmothers.

The bridegroom was graduated from St. Ignatius High School in San Francisco and Santa Clara University. He received his law degree from the University of San Francisco and is practicing in Oakland. He is a member of Phi Alpha Delta, legal fraternity.

Mr. and Mrs. William Fennone of San Francisco and Mrs. John Forte of San Francisco are his grandparents.

The couple will reside in East Oakland.

## COURT PLANS TALENT SHOW IN OCTOBER

Court St. Raphael, Catholic Daughters of America are completing plans for their countywide amateur talent show, which will be held on October 16, at 8 p.m. in St. Raphael's hall.

Mrs. Alex Bovee met recently with her committee, which includes Mesdames, John Webb, appointments; William Slattery, posters; Raymond Schmidt, tickets; Angelo Colombo, Charles Johnson, William Webb, publicity; Harold Winter, concessions, and Richard Fox, program.

Auditions for the talent show are open to anyone in Marin County, regardless of age. Particularly wanted are vocalists, instrumentalists, dramatists, and dancers. Cash prizes or scholarships will be awarded the winners. Judges will be persons trained in the field of entertainment.

Three auditions will be held prior to the show. Anyone interested in an audition may contact Mrs. John Webb, or Mrs. Frank Vanderbilt.

## Party Sandwiches

Rolled sandwiches have a party look. Combine one 3-ounce package of softened cream cheese with 1 2¼-ounce can of deviled ham and 1 tablespoon of chopped chives. Mix well and spread on 8 slices of whole wheat bread with the crusts removed. Cut a dill pickle into 8 sticks and roll each sandwich around a pickle stick in jelly roll style. Fasten with toothpicks if necessary.

## Tennis Series Will Begin This Week

Tennis classes for men and women start this week at the Mill Valley Tennis Club, under the auspices of the YWCA in Marin County.

On Tuesdays and Thursdays half-hour classes will be held between 1 and 3 p.m. with eight lessons for the series.

Hal Wagner, tennis pro at the club, will instruct the YWCA classes. Equipment is provided if needed.

The YWCA office at 1010 B street in San Rafael is open daily from 10 a.m. to noon, for class registrations and information.

## Rod, Gun Club Auxiliary Plans Dessert Booth

The Ladies Auxiliary of the Marin Rod and Gun Club Inc. will have their dessert booth at the annual picnic to be held at the Clubhouse at Point San Quentin, Sunday, July 19. On sale will be homemade pies, cakes and cookies, ice cold watermellon.

The committee includes Mesdames Stephen Lato, John P. Marzetta, Charles D. Graham and Paul Ware.

Proceeds from the project will be used for conservation in Marin County.

The regular monthly meeting of the Auxiliary will be held at the Clubhouse, Tuesday, July 28.

## Richard Lindauer Will Be Soloist

The Hootenanny on Wednesday, July 22, will feature Richard Lindauer, singing English, Scottish, Irish and early American ballads. Richard is a lyric tenor and recently appeared in a Marin County production of "Martha." He has been singing folk songs in this area for approximately 10 years and lives in Fairfax.

The group singing begins at 8:30 p.m. in Studio Q, 678 Green street (Fugazi building), San Francisco.

The songs for group singing will come largely from "Song Fest" and those attending should bring their own copies. Instrumentalists are asked to bring their instruments tuned to A-440.

## Darned Socks Show A Happy Marriage

ATLANTIC CITY, N.J. (UPI)— Those darned socks indicate a happy marriage.

A psychological study of men's hosiery conducted by the Center for Research in Marketing, Inc., showed that in a happy marriage, women are expected to buy and care for men's socks.

When a woman won't wash or darn her husban's socks, she is seen as lazy, dissatisfied with her husband and a "no good wife," according to a study presented at a meeting of the National Hosiery Manufacturers Assn

THE NEWLY-MARRIED Mr. and Mrs. James P. Campbell are returning this week from their honeymoon in the Hawaiian Islands. The bride is the former Judy Billings, daughter of Mr. and Mrs. H. C. Billings of Kent-Field. They were married in St. Sebastian's Church in Greenbrae. (Milton Mann photo)

# Newlyweds Returning From Hawaiian Isles

White spring flowers decorated the altar of St. Sebastians' Church in Greenbrae for the recent wedding of Judy Billings and James Campbell. The double ring ceremony was officiated by the Rev. John Campbell, brother of the bridegroom.

The bride is the daughter of Mr. and Mrs. H. C. Billings of Kentfield and the bridegroom, the son of Mrs. Elizabeth R. Campbell and the late Mr. John Campbell of Los Angeles.

Given in marriage by her father, the bride wore a traditional gown of imported Swiss organdy. The portrait neckline and tiny cap sleeves of the fitted bodice was appliqued with white lily of the valley patterned imported Swiss lace detailed with crystal tear drops. The same applique extended onto the bell-shaped skirt accentuated at the back with a full pleated court train. The silhouette was completed with a lily of the valley crown with a finger-tip custom cut French illusion veil. She carried a bouquet of lilies of the valley trimmed with thin white organdy streamers and bows.

Linda Billings, only sister of the bride, was maid of honor and bridesmaid roles were taken by Diane Canrinus of San Francisco, Joan Gellert, cousin of the bride, of San Francisco; Ann Girad and Jeanne Klose, sorority sisters of the bride, of San Francisco; and Carolyn Kane of Kentfield. The attendants were attired in gowns of light aqua organdy with harem skirts. Pleated cummerbunds were of matching color. Their head pieces were of aqua circular face illusion veils. They carried crescent shaped bouquets of white begonias and stephanotis trimmed with aqua organdy. Theresa Ann Fiedler, niece of the bridegroom, was flower girl. She wore a full length aqua organdy dress and carried a white basket filled with roses and blue forget-me-nots.

Harry Campbell of Los Angeles served as best man for his brother and ushers were Fred Gellert, cousin of the bride, of San Francisco; Carlon Soule, Ray Anderson, Robert White and Richard Moore —all fraternity brothers of the bridegroom from Los Angeles.

For her daughter's wedding, Mrs. Billings wore a blue flowered silk sheath dress with matching accessories. She carried white butterfly orchids on her purse.

The bridegroom's mother chose a beige Chantilly lace sheath with matching accessories. She wore cymbidium orchids.

Three hundred guests were received at the reception following the ceremony at the Meadow Club. A three-piece orchestra provided music for dancing. White flowers and greens and lilies of the valley decorated the club.

Patricia Miller of Larkspur was in charge of the guest book.

For their honeymoon in the Islands, the bride wore a bone-white silk wool sheath with a matching short jacket. Her accessories were of the same shade. She wore white orchids.

The bride was graduated from Sir Francis Drake High School and attended the University of California where she was a member of the Alpha Chi Omega Sorority. Linda Billings is her only sister and is a junior at Redwood High School.

The bridegroom was graduated from Saint Monica's High School and the University of California at Los Angeles, where he was affiliated with the Phi Kappa Sigma Fraternity. He has one sister, Mrs. Robert K. Fiedler of Los Angeles and two brothers, the Rev. John Campbell of St. Bellemine's in Burbank, and Harry Campbell, a junior at USC.

The newlyweds will take up residence in Palo Alto where the bridegroom is employed with Philco Corporation as an engineer.

## If It's Called Off...

NEW YORK (UPI) — What happens when an engagement is broken?

If the announcement has appeared in the newspapers, send a second notice announcing that the engagement has been ended. Then decide what you will do with the ring.

Legally, the girl gets to keep it. But most etiquette experts agree that it is better taste to return it as well as any other presents from the fiance.

# Greenbrae Guild Prepares For Festival

Greenbrae Oaks Guild of Sunny Hills has been working since March for the Grape Festival in October. Membership is limited to women who have resided in Greenbrae for at least one year.

First Grape Festival project in 1949 was paper hats; in 1953 redwood planters, books and records were added. In 1955, the present project of "Odds and Ends" was started. These are decorators' samples and remnants. In 1957, the Guild started making pillows from some of the materials, and this year several other useful articles will be made by the members, including bags for clothes pins, and terry cloth covers for brooms for use in dusting walls. Also this year, members are framing small colored pictures suitable for children's rooms.

The Guild has one fund raising event every spring in preparation for the Grape Festival. This consists of a luncheon and "Easter Hat Parade," the models being members of other guilds of Sunny Hills.

This is the 10th year that the Guild has sponsored monthly movie parties and refreshments for the children of Sunny Hills. Starting for the youngest boys and girls, it has grown to include all the Sunny Hills children.

In 1956, the Guild gave to Sunny Hills a new 16 m.m. movie projector and loud speaker. In 1958, the Guild's gift was a large two-compartment deep freeze for the Sunny Hills kitchen.

Guild officers for 1959 are Mesdames Lloyd B. Smith, president; Herbert G. Christ, vice president, Sylvio Ruffino, recording secretary; A. W. Gildroy, corresponding secretary; George L. Richardson, treasurer; Edward W. Burgar and Willis H. Thomas, Grape Festival co-chairmen; Millard W. Young, Children's activities; E. David De Vincenzi, Bargain Box and Richard E. Mittelstaedt, publicity and historian.

# Bone Up On Your Canine Psychology

NEW YORK (UPI) — Bone up on psychology if your dog occasionally wraps you around his furry paw.

So says Robert Bartos, a student of dog psychology and manager of research kennels for a dog food firm.

"Never underestimate the power of a pet, especially if that pet is a dog," said Bartos.

"Some dogs know their masters better than the masters know the dogs. The dogs, therefore, take advantage of the masters' good nature to get away with all sorts of lowdown dog tricks."

A dog that is psychologically in the know, Bartos said, may feign tiredness when he wants to turn his snoot up, spurning a walk in the rain or a ride in a convertible.

Or, said the expert, he may head for the dog house when you want to show company how well he obeys commands—even though the dog knows perfectly well what is expected.

"In these cases, praise doesn't work, for the more you praise, the more the dog will try to pull the wool over your eyes.

"Only punishment or some other show of displeasure will make such an ornery fellow respond. A sharp reprimand or one or two hard taps on the back with a newspaper will work wonders. He'll know his master is wise to his bluffing."

For the normally shy dog, however, this approach won't work when you want him to perform.

"A soft voice and a great deal of praise and gentle handling will bring out the best of his shy nature. He may be a people-hater from way back and you've got to convince him that people are nice."

Bartos said the introvert or extrovert type is as common in the dog world as it is in the "people world."

Extrovert dogs, he said, resemble the salesman type. They like nothing better than to be on the go all day and prefer to be surrounded by people and doggie friends most of their waking hours.

The introvert type is just the opposite. He feels absolutely miserable with a lot of people or dogs, and prefers to be left alone to contemplate life.

Such a dog, said Bartos, enjoys snoozing much of the time, with an occasional walk—alone—to break the monotony.

# Guild To Hear Architect Team

"Is Your Garden Right For You?" is the subject which Katy and Paul Steinmetz of San Rafael, husband-wife team of landscape architects, will discuss at the next meeting of St. Stephen's Guild to be held Wednesday at 1 p.m. at the Belvedere Lagoon home of Mrs. E. Allan Steinau.

Both are graduates of the University of California in landscape architecture. Since World War II in which Mr. Steinmetz served with the Army Engineers in the Pacific and European theaters, the duo have done many private gardens. They have also designed for the Marin Art and Garden Fair in 1949 and 1950 and done site planning for the new Terra Linda High School, the Ann Curtis swimming school and the Hunter's Point playground. They collaborate fully on all jobs with Mrs. Steinmetz specializing in planting and Mr. Steinmetz in construction.

Guests are welcome to attend and dessert will be served.

Howard Robie from the Presbyterian Headquarters of San Francisco will be the guest speaker.

Tella Wessel, retiring president, extends a welcome to anyone interested in Toastmistress training.

## Beware Pitfalls Of That Joint Checking Account

The joint checking account used by both husband and wife, can be a boon or a calamity.

A large majority of young couples start married life with a joint account, it is reported by the American Bankers Association. This plan has a number of advantages, but it should be used with care.

When both husband and wife write checks against the same account without frequent check-ups, the result often is an overdrawn account, say the bankers. They advise that a record of checks be kept in one big checkbook at home, and that checks written during the day be recorded and checked against the balance each evening.

To make the record complete, many young couples make it a practice to paste cancelled checks back in the master checkbook when they are returned from the bank each month. Thus checks can be tallied with stubs, and errors can be quickly spotted. The checkbook then also becomes a detailed record of expenditures during the year.

The husband and wife who carry separate checkbooks and don't bother to consult with each other as to expenditures are headed for trouble, caution the bankers.

# Double Ring Ceremony Unites Edna Serafino, M. D. Cuthbert

Edna May Serafino became the bride of Milton Dennis Cuthbert of Fairfax, in a 2:30 o'clock double ring ceremony on Sunday at San Anselm's Church in Ross.

The bride is the daughter of Mr. and Mrs. Roseron Joseph Serafino of San Anselmo, and the bridegroom, the son of Mrs. Thomas Cuthbert of Fairfax and the late Mr. Cuthbert.

White gladioli decorated the altar and the Rev. Edward Dullea was the officiating minister.

Escorted to the altar by her father, the bride wore a full length gown of white satin with lace and tulle fashioned with a scalloped neckline and long sleeves. It had a full skirt which extended into a chapel train. Her fingertip veil of illusion was held by a coronet of rhinestones and she carried a bouquet of lilies of the valley and white orchids.

Mrs. Norman Johnson of San Anselmo, as matron of honor, wore a pink silk dress styled with net bow and rounded neckline. She had a pink tulle picture hat and carried a bouquet of pink carnations.

Wearing blue dresses and picture hats styled as the matron of honor's were bridesmaids, Virginia Brown of San Anselmo and Mrs. Edward Mitchell of Mill Valley. They carried pink carnation bouquets.

Little Sincrea Mitchell, daughter of Mr. and Mrs. Edward Mitchell, as flower girl, wore a silk brocade dress with Peter Pan collar, blue belt and blue picture hat.

Alfred Cuthbert of Oakland was best man for his brother and ushers were Ernest Cuthbert, another brother of the bridegroom, of Greenbrae; and Norman Johnson of San Anselmo.

For her daughter's wedding, Mrs. Serafino wore a dress of blue lace over taffeta with white accessories and white orchids.

The bridegroom's mother wore a blue cotton brocade sheath with white accessories. She had a white orchid corsage.

A reception for 250 guests followed the ceremony in Star Hall in San Anselmo where white gardenias were used in arrangements.

Rose Marie Tyrell, the bridegroom's cousin, was in charge of the guest book.

For a wedding trip to San Bernardino, the bride wore a blue chiffon print dress with white hat and accessories and a white orchid corsage.

The bride was graduated from Marin Catholic High School and attended Heald's Business College.

The bridegroom was graduated from Sir Francis Drake High School and is employed with the New Mission Heating and Metal Co.

After July 25, they will reside on Cascade drive in Fairfax.

## The Old Swimming Hole Is Becoming A Super Highway

I took my son to see my old swimming hole. It was a sentimental journey. But we found my old swimming hole is gone. I'm feelin' blue today. At my swimming hole we had a dam and a waterfall. There was a deep pool for diving and warm rocks for sunbathing. We had trees to climb and grass to wrestle on. High canyon walls protected us from passersby. What could be better?

We swam without clothing, of course. Bathing trunks were for sissies. Girls, mothers and other females knew it was male territory and stayed away. It was an Eveless Eden. Just right for boys.

As I say, I took my son to see it. He asked me to, because I'd boasted about it. Can you guess what we found? Some contractors were putting a super highway smack dab in the middle of the canyon. The water is routed through huge cement pipes, far underground. The stream bed has been filled with dirt and the smooth rocks have been dynamited. The trees have been uprooted and burned. We watched big yellow bulldozers chug chug back and forth, completing the ruin.

"Did you really swim here?" my boy asked. "Yes," I replied, sadly. "We swam about 20 feet below where we're standing. It used to be nice here." "I'll take your word for it, Dad," he said, "but it's not nice now. Let's go to my swimming hole and have a dip."

His swimming hole is a big tile municipal pool near our home. It was filled with screaming little girls, and anxious mamas. Small boys ran around aimlessly, pulling pony tails. Oh me! What's this country coming to?

On this date in history:

In 1787, Congress passed the Northwest Orinance, setting up the first organized government outside the 13 original states.

In 1863, opposition to the injustices of the draft law flared into riots and virtual anarchy in New York City. Before the riots were over, more than 1,000 persons were killed.

In 1865, Horace Greeley gave this advice to federal civil servants: "Washington is not a place to live. The rents are high, the food is bad, the dust is disgusting and the morals are deplorable. Go west, young man, go west and grow up with the country."

**A thought for today: Ralph Waldo Emerson said, "Who so would be a man must be a non-conformist."**

## Subdivisions Top Agenda For Planners

The Marin County Planning Commission next Monday will consider plans for two subdivisions totaling 61 lots and resolution to amend the Loma Verde Master Plan for inclusion of a commercial district and multiple residential zones.

Subdivider Leo Epp plans a development of 53 lots, to contain 7,500 square feet each, in the Tamalpais Valley area. The development is called Oakwood Valley Estates.

Another subdivision of 28 lots is planned by the Beverly-Maple Corp. for Melody Manor Unit 1, in Novato.

Two parcels of 148 and 61 acres is planned for multiple residential, and a 90-acre parcel is planned for commercial use in Loma Verde at Ignacio.

## Firm Files Papers For Incorporation

SACRAMENTO (CNS) — Secretary of State Frank M. Jordan has announced that Marin Wheel Alignment and Brake Service, Inc., has filed articles of incorporation with his office to be capitalized at $75,000 in $100 par shares.

The firm listed its directors as James R. Walker, Barbara Walker, 401 Irwin street and Robert L. Bourne, 3 Glenaire drive, San Rafael.

## More Households

NEW YORK (UPI) — The number of American households has tripled since the turn of the century while household size has declined steadily, according to the National Industrial Conference Board.

No. 31211.

The people of the State of California send Greetings to:

R. R. DANMEYER, FIRST DOE, SECOND DOE, also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the Complaint, adverse to plaintiffs ownership or any cloud upon plaintiffs title thereto, BLACK and WHITE, a Corporation, and BLUE and GOLD, a Co-partnership,

You are hereby directed to appear and answer the complaint in an action entitled as above, brought against you by MISKEL C. FORESTER and ANITA E. FORESTER, plaintiffs, in the Superior Court of the County of Marin, State of California, within 10 days after service on you of this summons, if served on you within said county; or within 30 days, if served elsewhere.

This action is brought to determine the adverse claims to and clouds upon the title to the real property described in the complaint herein and hereinafter described by said plaintiffs, who claim that they are sole owners of the unencumbered title to the premises hereinafter described and that the defendants have no estate, right, title or interest whatsoever in said premises, or any part thereof.

Said real property is situated in the County of Marin, State of California, and is described as follows:

COMMENCING at the Southeasterly corner of LOT 871 as the same is shown on that certain map entitled, "Grandview Map "C" being part of Division "D", Eastern part of Rancho De Novato" filed September 17, 1906 in Map Book 2, Page 68, Marin County Records, and running thence Northwesterly along the Southerly line of said lot 50 feet to the Southwesterly corner thereof; thence Northerly along the Westerly line of said lot 120 feet; thence Southeasterly in a direct line 50 feet more or less to a point of commencement and thence Southerly along said Easterly line 120 feet to the point of commencement.

And you are hereby notified that unless you appear and answer as above required, the said plaintiffs will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

**NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE**

In the Superior Court of the State of California in and for the County of Alameda.

In the Matter of the Estate of ANITA E. DIECKMANN, also known as Anita Dieckmann and A. E. Dieckmann, Deceased.

No. 143094.

NOTICE IS HEREBY GIVEN that the undersigned, administrators of the estate of ANITA E. DIECKMANN, also known as Anita Dieckmann and A. E. Dieckmann, deceased, will sell at private sale to the highest bidder, upon the terms and conditions hereinafter mentioned and subject to confirmation by the above-named Superior Court, on or after July 24, 1959, at the hour of 10 A.M., at the office of said administrators, at 405 Montgomery Street, San Francisco, California, all the right, title, interest and estate of said decedent at the time of her death and all the right, title, interest and estate which has accrued by operation of law or otherwise to the estate of said decedent since her death in and to all that certain real property situate, lying and being in the County of Marin, State of California, particularly described as follows:

Lot 6, Block "C" as the same is shown on that certain map entitled, "Map of Seahaven, Subdivision 1, Inverness," filed January 5, 1950 in Map Book 6 at page 94.

Bids or offers are invited for said property and must be in writing and will be received at the office of said administrators at 405 Montgomery Street, San Francisco, California, or may be filed with the Clerk of the Superior Court of the State of California, in and for the County of Alameda, or delivered to said administrators personally at any time after the first publication of this notice and before the making of said sale.

The terms and conditions of sale are as follows:

Cash in lawful money of the United States of America, ten (10) per cent of the bid to accompany the offer and the balance to be paid upon confirmation of sale by the court. Taxes shall be prorated as of the date of confirmation of sale. The examination of title, recording of conveyance and any title insurance policy shall be at the expense of the purchaser or purchasers.

The administrators reserve the right to reject any and all offers submitted.

Dated: July 8, 1959.

**SUMMONS**

No. 31005

In the Superior Court of the State of California in and for the County of Marin.

JOHN A. ALEXANDER, VERA M. ALEXANDER, SOLON W. EGGLESTON, DOROTHY L. EGGLESTON, R. S. SECKER and MILDRED O. SECKER,
Plaintiffs,
vs.
FRANCES L. SHELLEY, also ALL PERSONS UNKNOWN claiming any right, title, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto,
Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETING TO FRANCES L. SHELLEY, also ALL PERSONS UNKNOWN claiming any right, title, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership, or any cloud upon plaintiffs' title thereto.

You are hereby directed to appear and answer the complaint of the above named plaintiffs, filed in the above entitled Court in the above entitled action brought against you in said Court within ten days after the service on you of this summons, if served within the above named county, or within thirty days if served elsewhere.

You are hereby notified that unless you so appear and answer said plaintiffs will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for other relief demanded in the complaint.

The object of this action is to make the above named defendants set forth the nature of their claim or claims to the real property in the complaint and hereinafter described, if any they have, and that such claim or claims be adjudged to be of no effect and void, and that plaintiffs' title to said real property be quieted against them.

That said real property is situated in the City of Mill Valley, County of Marin, State of California, and is particularly described as follows:

COMMENCING at a point distant North 14° 45' East 17.7 feet and South 48° 42' East 68.19 feet from Tide Station No. 109 as established by the survey made under the direction of the State Board of Tide Land Commissioners of the State of California, said Station being at ordinary high water mark, running thence South 48° 42' East 109.81 feet, thence running due South 264 feet, thence North 48° 42' West 109.81 feet, thence due North 264 feet to the point of commencement. Containing one-half of one acre, more or less.

WITNESS MY HAND AND THE SEAL OF THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF MARIN, this 27th day of May, 1959.

## To Sell Your Property
## MULTIPLE LISTING
## SERVES YOU BEST!

HERE'S WHY!

1. You list your property with the Realtor of your choice.
2. Through Multiple Listing over 400 experienced real estate salesmen offer your property for sale to their prospective buyers.
3. Your property is shown at your convenience and by appointment only, if you desire. Your Realtor saves you the annoyance of dealing with many different people. He sifts the "wheat from the chaff," weeds out the mere "lookers." Yet with all this convenience you still have several hundred salesmen working on the sale of your property.
4. You are given, without charge, helpful suggestions on ways and means of increasing your property's salability and how and when the property should be shown to best advantage.
5. Without charge your property is photographed to its best advantage.
6. Through Multiple Listing your property will sell faster and easier because it is listed with description and photograph in all 122 member-offices — reaching most prospective buyers in a wider area.

## LAW IN ACTION

# Courts Stress Reform For Young People Who Stray

**(This column, prepared by California lawyers, appears regularly in the Independent-Journal.)**

Early criminal law treated adult and minor alike, and gave more thought to their punishment than to reform.

Today we stress reform for wayward young men and women and give them special treatment in juvenile courts.

These courts look after delinquent or neglected children, often by making them wards. An order making a youth a ward is not a criminal conviction. Some go to the Youth Authority for assignment to "reform school"; but the courts send many to reputable homes or children's agencies. Only in rare cases do minors get sent to prison, and only a fraction go to reformatories.

Probation officers look into cases and help the judge to decide what treatment such youngsters need.

As a rule, young people do not face criminal trial — just a judge and a probation officer who make findings, and the court then orders their care.

Who comes before the juvenile court?

Youths under 21 years who commit crimes, are vagrants, habitually use drugs or alcohol, are uncontrolled or neglected, abandoned by parents, or who lead or may lead idle or immoral lives.

Before a young person becomes a ward of the court some interested person files a petition: A probation officers looks into his case; and the parents or guardians are asked to appear in open court or at a private hearing in the judge's chambers.

As a rule, the court will not take the youth from his guardian or parents unless they cannot give him proper care or education. But the court may take the minor if he commits a crime or is on probation and doesn't reform.

An accused person under 18 years old first must come before the juvenile court which decides whether he should be prosecuted under criminal court rules. If he is over 18 years old, a criminal court, and not a juvenile court, can try him. But he can ask to become a juvenile court ward. Or the criminal court itself may send him to juvenile court.

### Pin For Den Mother

Den mother Mrs. C. B. Graham received her three-year pin and four of the members of Den 8 of Pack 80, Corte Madera, also received awards at a combination pack meeting and picnic at Camp Alice Eastwood. The honored boys were James DeMello, Tommy Ford, Bill Graham and Robin Little.

MUSIC CHEST SOLOIST — Soprano Nadine Conner will make her first Marin appearance Sunday at Forest Meadows in San Rafael.

# Soprano Nadine Conner To Sing Here Sunday

Nadine Conner, Metropolitan Opera Co. soprano, will make her first appearance under auspices of the Marin Music Chest at 3 p.m. Sunday in Forest Meadows, San Rafael.

Miss Conner replaces Elisabeth Schwarzkopf, who has canceled all summer engagements due to illness, for the season's second Music Chest concert.

The diminutive soprano, who stands only 5 feet 3 inches and weighs a mere 115 pounds, first gained note as a singer over radio station KHJ in Los Angeles. In 1939, when Albert Coates formed the Los Angeles Opera Co., Miss Conner joined it. Bruno Walter, director of the Metropolitan, heard her sing opera with the Los Angeles company, granted her an audition and offered her a contract.

Miss Conner made her Metropolitan debut in 1941 as Pamina in "The Magic Flute." She has been with the Met ever since, interspersing engagements with the San Francisco, New Orleans, Cincinnati and other opera companies.

Elisabeth Schwarzkopf tickets will be honored for the Nadine Conner recital Sunday.

# Audience At Band Concert Invited To Bring Lunch

Residents of Terra Linda and Marinwood are invited to bring along their picnic suppers and eat while they listen to the Las Gallinas Valley Sanitation District Non-marching Band in a concert next Monday at the Bernard Hoffman School Little League field.

The concert, at 7:30 p.m., will be the first of a series of three to be presented by the band directed by Joseph Curatilo.

Other concerts will be held at the same place and time Aug. 17 and Aug. 31. A special children's concert has also been planned for July 30.

The Dominican College chorale will make a guest appearance at the July 20 program.

# Thieves Take Flower Plants

A number of Novato residents have complained to sheriff's deputies of thefts and vandalism in their yards and gardens.

Deputies said the damage was apparently done either Thursday night or Friday morning.

Hardest hit were the homes of Vernon Hales at 1521 Center road and Mrs. Viola Soares of 1525 Center road.

Mrs. Soares reported the theft of a number of flower plants from her garden and the taking of a lawn sprinkler and some red bricks from her driveway.

Hales said some one dug up and took four geranium plants and two hydrangeas, all in bloom, from his garden.

Other residences hit by the thieves and vandals were in the same general neighborhood, deputies said.

The bower birds of Australia decorate their nests with shells or other bright objects.

What your tensions can do to you and what you can do to them!

Do little things upset you? Do you worry too much? Do you "blow up" when you shouldn't? *Then don't fail to read this message!* It's the best way you can possibly spend the next 47 seconds.

Today, 1 out of every 10 of our fellow Americans has a serious mental problem. But *millions* more of us are suffering from *minor* emotional problems. These problems can take a lot of the joy out of living, both for us and for the people around us.

Somehow each of us must learn how to deal with our own emotional tensions . . . how to keep these tensions from upsetting us and making us unhappy.

Here's a good way to start! Send today for the new free booklet, **"How To Deal With Your Tensions". Write: Box 2500, New York 1, New York.**

This booklet, written by psychiatric experts, gives valuable, easy-to-follow suggestions about how you can handle your tensions, and thus live happier. It also tells where to find professional help.

## NEW AMBULANCE FOR UNITED FLEET

This is the new Superior ambulance recently purchased by the United Ambulance Co. of San Rafael. Owner Angelo Turrini purchased the ambulance at Jackson, Miss., while on a trip with his friend, Thomas A. Boyd, San Rafael attorney, who took this picture at the factory. Boyd and Turrini flew to Pittsburgh, and then to Mississippi. They drove the ambulance back to San Rafael, taking seven days for the trip, and stopping at tourist spots along the way. The ambulance is on a Pontiac commercial frame, and includes a newly designed top for more headroom.

# Use Permit Sought For Private Club

A private tennis and swim club, originally proposed at Puerto Suello Hill, is now planned at the southern end of San Rafael's C street near Wolfe Grade.

John Farrar of Kaehler Construction Co. and several partners will seek a use permit for the private club at Tuesday night's meeting of the San Rafael Planning Commission. The meeting will begin at 7:45 p.m. in the city hall. The tennis club use permit request is the last item on the evening's agenda.

**ON FORMICHI TRACT**

The new site for the tennis and swim club is on what is know as the Formichi tract, about seven acres of ground that extends from the end of C street up to Meyer road. The developers plan to subdivide the Meyer road frontage into hillside lots and use the remainder of the area for several tennis courts surrounding a pool.

Terra Linda Meadows, a new subdivision of 70 homes, is also requested in the rapidly mushrooming Freitas Ranch, which was annexed to San Rafael last month. Calvin Wheeler's Terra Linda Meadows will be at the end of Manuel Freitas Parkway, just west of Terra Linda unit 9, which is in the county area.

Already approved by the city are the first two large subdivisions—Alameda Homes Corporation's 60-unit subdivision just east of the old Freitas home, and Eichler's 171 units behind Hartzell School.

**EYE LIGHT INDUSTRY**

A light industrial subdivision is sought by Commonwealth Development Co. just north of the Marin Professional Center opposite Terra Linda. The area would invite such businesses as nurseries and restaurants.

A subdivision of 30 homes is also sought in the Black Canyon area adjacent to Dominican Gardens. It will be called Dominican Heights. Custom Builders of Marin is seeking the subdivision. It will be located off Mountain View avenue at the extension of Williams street.

Robert McCarthy Co. wants to add Loch Lomond Unit 6 of 17 lots. It is on the northwest corner of the Loch Lomond area, adjacent to Villa Real.

Poehlmann Pharmacy seeks architectural approval on a new one-story drive-in pharmacy in the burned out block of Fourth street. The site is between the Miller & Severin architects office and the Christian Science reading room.

John Kenny wants to move the "Terra Linda Oaks" sign at the entrance to Terra Linda to the south side of the road, in San Rafael area. The county is trying to have the sign removed on grounds it violates the sign ordinance.

# Church Plans Prayer Vigil For Peace

For 24 hours starting at midnight Thursday the San Rafael Methodist Church will observe the Methodist Church's current prayer vigil.

Someone will be in the church during the entire period to pray for peace, said Rev. Donald H. Baldwin, pastor.

Purpose of the vigil, he said, is to give spiritual reinforcement to the leaders of the world as they confer at Geneva.

The talks have been suspended, but world leaders are scheduled to gather again at Geneva this week.

## On Honor Roll

Stephanie J. Von Buchan of San Rafael has been named to the honor roll at the University of Oregon at Eugene, the college announced today. She was one of 323 students who received a grade point average of 3.5 or higher.

# Keep Plastic Bags Away From Babies

"Keep plastic bags out of the baby's crib, and out of the reach of other small children."

Marin County Health Officer Carolyn B. Albrecht issued that advice to parents today, pointing to the growing number of infant deaths across the nation attributed to the polyethylene bags.

"Properly used, the plastic bag is a useful household article. But improperly used, they can be as lethal for our children as matches, poisons, or bathtubs," she added.

Dr. Albrecht stressed that the plastic bags should never be used as covers for mattresses and pillows or as protective sheeting in cribs. And they never should be given to an infant as playthings.

"When a plastic bag has served its useful, intended purpose, destroy it," the health officer advised.

The bags become deadly, she pointed out, when a baby's head or face becomes entangled in it, since it is impenetrable by air and cuts off the infant's oxygen supply, resulting in suffocation.

A pamphlet prepared by the Society of the Plastics Industry, Inc., giving advice to parents on the proper use of plastic bags is now available at the Marin County Health Department, 920 Grand avenue, San Rafael.

Geologists believe that Aruba, a Netherlands West Indies isle near the coast of Venezuela, is the top of a now submerged peak that was once forced above the Caribbean Sea by violent subterranean movements.

# Bill To Hike Span Capacity Signed

SACRAMENTO (UPI) — Gov. Edmund G. Brown has signed a bill which authorizes construction to double the capacity of the San Mateo-Hayward Bridge.

The bill provides that the construction work can be financed either by revenue bonds secured by San Mateo-Hayward and Dumbarton Bridge tolls or by use of surplus funds of the San Francisco-Oakland Bay Bridge.

# Foundation Gives Nearly $5 Million

NEW YORK (UPI)—The Ford Foundation today announced grants totaling nearly five million dollars to spur economic research and training.

Largest single grant was $2,500,000 to the National Bureau of Economic Research to support a study of the nation's economy over a 10-year period.

The National Commission on Money and Credit, a private agency organized last year, received $800,000 to enable it to expand its research into the nation's financial structure.

Foundation grants totaling $1,669,000 also were allotted to 28 colleges and universities to bolster research and training in economics and business administration.

In another Foundation project, 20 colleges and universities received grants of $20,000 to $50,000 to stimulate research on public affairs.

Of the 648 million acres of forest in the United States, more than half are privately owned.

# Supervisors Earmark Fund For Park Site Acquisitions

The Marin County Board of Supervisors, with a final report in hand from the 29-member Marin County Recreation Committee, decided Saturday to set aside $20,000 for park acquisition in the county's 1959-60 budget.

The recreation committee's final report said: "A county park system is financially feasible if the importance of the program is recognized, if the program is planned on a long-term basis, if yearly allocations to a land acquisition and park development fund are consistently included in each budget, and if revenue bonds or state loan funds are used to finance self-supporting developments."

First priority for park sites were listed in the report as Naval Net Depot lands on Tiburon, points on the west and northeast shores of Tomales Bay, a strip of Richardson Bay shore at the foot of Waldo grade, Bolinas Mesa beach, a parking area at Bolinas Beach, redwood stands near Samuel P. Taylor State Park, Inverness ridge covered by Bishop pine, a large county park of about 100 acres in northeast or north-central Marin, and boating facilities along Petaluma Creek, Gallinas Creek, and the east shore of Tomales Bay.

The report said: "There is no conflict between privately-owned or commercial recreational facilities and publicly-owned facilities.

"There are some areas in Marin that should be preserved because they are unique. They should be acquired immediately to become part of the county park system or to be held until taken over as state or federal parks.

"Marin residents should be provided with a system of county parks and water areas distributed as evenly as possible geographically and so located as to be easily accessible from the various centers of population. These parks should be large enough in area to provide the diversified informal types of recreation necessary for the various age levels of a family group which are not provided by state and federal parks."

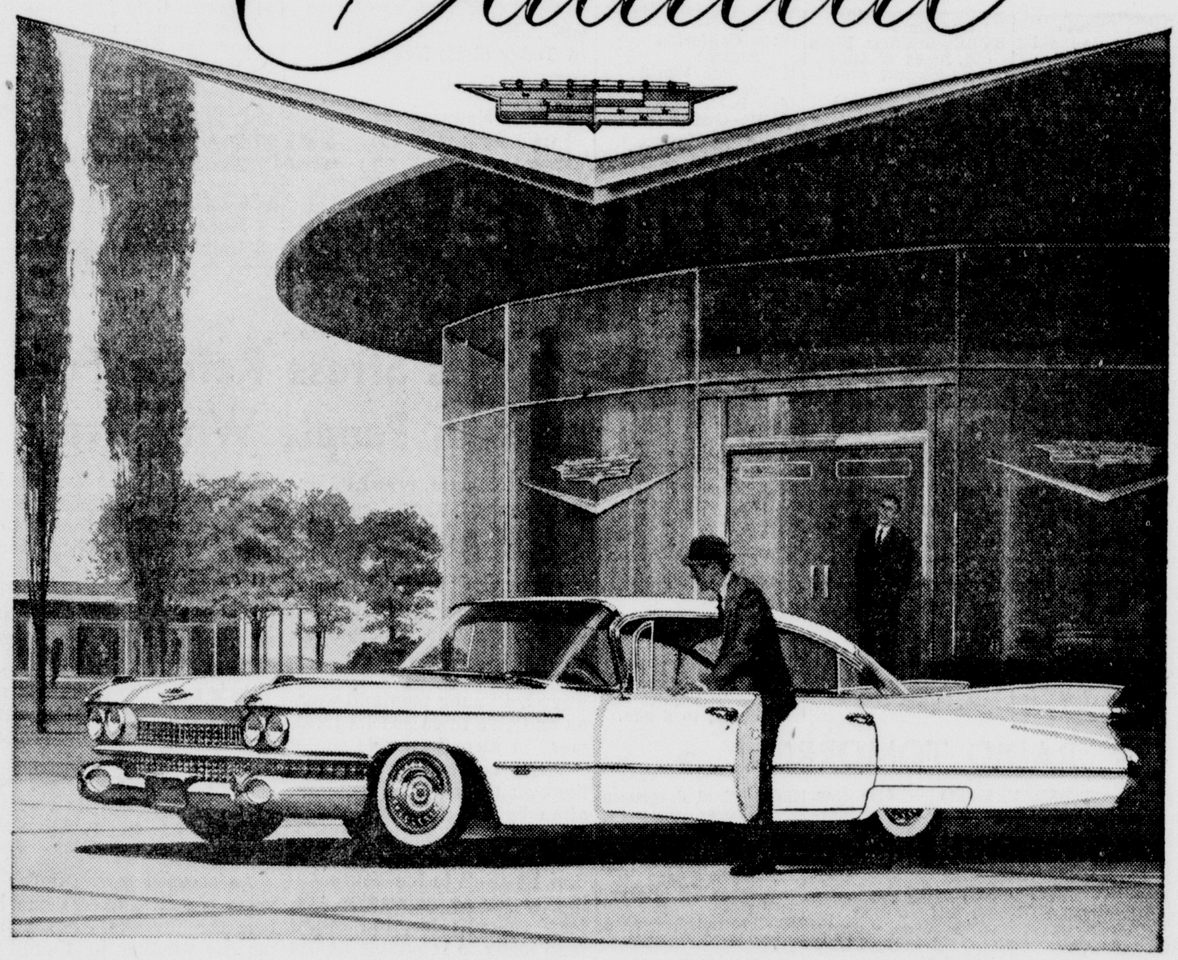
Cadillac



Hoped for the Best... and Got It!

Just a short time ago, he walked into his dealer's showroom—with his heart and his hopes high—to see if the time had come for his first Cadillac.

Well—his fondest hopes were realized—and here he is today with the car of his dreams.

What were the facts about Cadillac that made this happy and memorable moment possible?

First of all, the cost of a new Cadillac is remarkably modest—so much so, in fact, that many models are priced competitively with other cars of American manufacture.

And because Cadillac's initial price includes so many basic features that cost *extra* with other makes—Cadillac is actually the price rival of cars of far less stature.

There is also Cadillac's extraordinary economy of ownership. The car is amazingly frugal with gasoline and truly marvelous in its dependability.

And then there is the way a Cadillac *protects* its owner's investment. For such is the demand for Cadillac that the car returns an exceptionally high percentage of its original cost at the time of resale.

Those are the facts—and the conclusion, we feel, is obvious: if you are considering any motor car—even in the medium price field—you owe yourself a visit to your Cadillac dealer's showroom before you make your decision.

He'll be waiting for you—with the most surprising economy story of the year!
